Alexis Clare

ALFRED, NY – Alexis Clare, professor of glass science at Alfred University, will give a presentation titled “Colored Glasses” at the Jan. 31 Bergren Forum at Alfred University.

The Bergren Forum, sponsored by the Division of Human Studies, is held at 12:10 p.m. each Thursday the University is in session in Nevins Theater, Powell Campus Center. It is open to the public and free of charge. Attendees may bring their lunches; coffee and tea are provided.

Colored glasses have been around for thousands of years. Clare will discuss – without using Egyptian language or hieroglyphics – what makes glass colored, as well as some of the more modern things we can do with colored glass.
