### Artist as Entrepreneur: Boot Camp

The New York Foundation for the Arts (NYFA)'s "The Artist as Entrepreneur: Boot Camp" is an intense 5-session course that trains 50-60 artists in the fundamental principles of sustainability - and ultimately profitability - in the arts. This includes classes on finance, accounting, law, marketing, and fundraising. The structure is a blend of formal lectures, breakout groups, take-home assignments, and one-on-one consultations.

This July, NYFA and NYU Steinhardt Performing Arts Administration Program will collaborate in presenting "The Artist as Entrepreneur: Boot Camp," for members of the performing arts community

including, dance, theater, film, music, music composition and more. The program will take place on the NYU campus and be led by a team of NYFA staff and expert presenters from the performing arts community.

Now in its third year, "The Artist as Entrepreneur: Boot Camp" has earned rave reviews from participants and generated significant interest from the wider community. Participating artists have produced two arts festivals and developed networks and opportunities that continue well beyond the close of the program.

The Artist As Entrepreneur Boot Camp runs on July 13-15, and 21-22, and will take place on the NYU campus. Five sessions: July 13 (evening introductory session), and July 14, 15, 21, and 22 (daylong sessions, approximately 10 a.m. until 5 p.m.).

### Lecture: Waterfalls of the Finger Lakes

Speakers: John & Susan Babbitt  
Tuesday, May 1 at 7 p.m.  
Nancy Howe Auditorium  
David A. Howe Public Library  
155 N. Main St., Wellsville  
585-593-3410

Waterfalls. We love to look at their ever-changing landscape and hear their thundering roar or gentle splashing. Waterfalls have played an important role in the history and development of our country. Many battles occurred near the site of a waterfall. Villages and towns sprung up along the streams as early settlers used the power of the falling water to turn mills.

Retired schoolteachers John and Sue Babbitt have been hiking to and photographing many of our regional waterfalls. Sit back and take an armchair tour of these marvels in our area. They promise that you won't get wet!

This library-sponsored lecture is free and open to the general public.
