AU Football Team Up One Spot in Rankings

The Alfred University football team moved up one spot, to 11th, in the D3football.com national poll released today. The Saxons (7-0, 4-0 Empire 8) improved from 12th in the polls after Saturday's 53-21 defeat of visiting Husson College.

Alfred's seven wins to start the season are the most for an AU football team since the 1981 Saxons finished the regular season 10-0 en route to the schools first and only trip to the NCAA Division III championship tournament. At 4-0, Alfred stands alone atop the Empire 8 Conference standings.

AU will end the regular season with three straight road games: at Hobart next Saturday (Oct. 27), at Ithaca (Nov. 3), and at St. John Fisher (Nov. 10). Kickoff for all three games is 1 p.m.

Ithaca and Fisher are the Saxons' final Empire 8 Conference foes. Fisher is in second place in the conference with a 4-1 Empire 8 mark. If Fisher beats visiting Utica on Saturday, the AU-Fisher contest Nov. 10 will be for the Empire 8 title and an automatic bid to the NCAA Division III championships.

Last Saturday's win over Husson was the 60th at AU for head coach Dave Murray. Two school records were tied by sophomore wide receiver Jared Manzer (Johnson City, NY/Johnson City). His 90-yard punt return for a TD tied the record for longest punt return. His three touchdown receptions also tied the school single-game record, shared with former Saxons Charles Young (vs. Hamilton, 1971) and Joe Haven (vs. Brockport, 1989).

Alfred Hockey currently competes with teams in the WPCA and the CHA and plays regular season games in UNYCHL, which is a league that was started by Alfred Hockey and three other schools.

The last few years Alfred Hockey has played many tournaments and games that use NCAA rules and our lack of a head coach has not always met with favor. Alfred Hockey is looking for a head coach that will allow the team to continue to compete at higher and higher levels of hockey.

Iraqi speaker to visit AU

Alfred University will be fortunate to have Dr. Dahlia Wasfi visit the campus on Monday, Oct. 29, at 7

p.m., in Nevins Theater.

The topic is "The Status of Healthcare in Iraq Today."

Dr. Wasfi was born in Iraq, but her family fled the Saddam Hussein regime during her childhood, and immigrated to the U.S. She graduated from the University of Pennsylvania School of Medicine in 1997. In 2006, she returned to Iraq to visit, and since then Dr. Wasfi has been speaking about her experiences, traveling across the country to share her story.

Her talks include plenty of pictures and first-hand accounts, and her assessment of the healthcare system in Iraq and its impact upon Iraqi society will provide for a very interesting talk.

The program is sponsored by SAB, SAFE, and Center for Student Involvement.
