

TWO HOMECOMING DATES ANNOUNCED; HOBART GAME AND H. S. MEET FRIDAY

For the first time in Alfred's history two Homecoming Days will be celebrated in one season. This Friday will witness the first of the homecomings, and the second will be held on Nov. 16 at the Clarkson game.

The reasons for the double event are caused by necessity rather than by initiative. This Friday, the faculty will attend a State Teachers' Convention in Buffalo. A student holiday became the result, and the first Homecoming Day was announced with its usual athletic program.

Two weeks hence the faculty and Board of Trustees will be represented, and Mrs. Agnes K. Clarke, secretary of the Alumni Association, plans to have a homecoming reunion for the alumni. The athletic feature of the day will furnish the Clarkson game.

The invasion of the Hobart football warriors will furnish the feature attraction at Merrill Field this Friday. In view of a successful season thus far, the Blue and Gold is confident of repeating last year's victory over the Purple. Being led by Captain Barna, stellar end, Hobart presents a formidable array of stars with Tiffany, Glick, Leader, and Barrett in the line-up. The team already has routed Union and Kenyon, after having held Syracuse to a 14 to 6 score.

To parallel the football game, the annual interscholastic cross country meet will be held with a field of 70 harriers at the start. Hornell, Naples, Erie Academy, Corning Free Academy, Almond, Salamanca, and Geneva are a few of the schools to be represented. Both Almond and Naples are anxious to resume their rivalry for first place, but all the teams intend to make a strong bid for the team trophy. Manager Alfred Voorhies will also present individual trophies and medals to the winners of the race.

MRS. TYLER GIVES SHOWER FOR MRS. ROSS W. ROBBINS

Mrs. George Tyler of Sayles Street, entertained the Theta Theta Chi sisters of Mrs. Ross W. Robbins at a shower at her honor Saturday evening. The bride was presented many gifts, both large and small, and the guests spent the evening in embroidering lines for the newlyweds.

Refreshments were served later in the evening.

Dr. Paul Saunders Collects Many Articles For Chemical Exhibit, During Last Summer

Material additions to the equipment of the Chemistry Department during the Summer included electric ovens, oil testing apparatus of the latest type, and supplies for the bacteriological analysis of water, consisting of an electric incubator in which the bacteriae are increased, and electric steam sterilizers of aluminum, in which the organisms are destroyed.

In response to many letters written during the Summer Dr. Paul Saunders has received numerous exhibits of industrial products. They were accompanied by wall charts and pictures which show graphically the evolution of the process of manufacture of that product.

Prexy Loses Some Fine Apples When Co-eds Make Raid

"Don't put ideas in Freshmen heads. They don't belong there," is the edict which President Davis might issue after having an apple tree in his yard raided by two Frosh co-eds.

It appears that some obliging young man (not a Freshman) told the unsuspecting girls of this fine apple tree, but neglected to mention the owner of said tree. But the girls found out—and got the apples too.

VOCATIONAL WORK ADVICE GIVEN IN WEEKLY ASSEMBLY

"What I conceive to be vocational education is that education whose controlling purpose is to give one an efficient occupation," said Professor Ralph Pickett, a worker in the field of vocational education, at the weekly assembly Thursday morning. His topic was "Vocational Education in the Modern World."

He said that vocational education has a fourfold aspect. Its necessities are: skills and techniques, knowledges, morale, and the ability to solve problems in the chosen field. The educational needs have changed. In the past a cultural background was stressed, but now the great essential is to train people for careers. He said, "An individual should be trained for that job which in the long run would be best for him."

Professor Pickett continued, "We have been prone to flatter ourselves that the education which we have been giving of the traditional and cultural nature is the only education of a college level, hence view the fact that there are three thousand occupations in the industrial field against thirty occupations taught in industrial schools. I can assure you that the State will not long continue to spend millions to perpetuate a traditional education. Education is a state function and will continue to stay as such."

HOLD W. S. G. EXAM

Freshman girls and other girls new in Alfred this Fall must undergo an examination on Women's Student Government rules Wednesday evening at 7:30 o'clock in Kenyon Hall.

NEGRO SINGERS TO GIVE PROGRAM AT ALUMNI, WEDNESDAY

Opening Alfred's musical season with a program which seems certain to appeal to all lovers of melody, the Archie Harrod party of negro singers will present tomorrow evening a concert including a wide variety of Africo-American songs. Among the items of their repertoire are plantation melodies, Negro folk songs, spirituals, camp meeting hymns, impersonations, and interpretations of Paul Lawrence Dunbar's poems.

The party, which consists of a mixed quartet, has been giving several concerts in this section of the country, and goes directly from Alfred to Davenport, Iowa. The local presentation is sponsored by the Student Life Committee and tickets are being sold by the Boy Scouts to whom part of the proceeds will be given in order to assist in their financial drive which is now in progress. Tickets may also be procured at the door at Alumni Hall on the evening of the concert.

ETA MU ALPHA HOLDS FORMAL INITIATION

In a candle-lit room at the Pi Alpha sorority house Thursday night Eta Mu Alpha held its initiation. The caps and gowns on the old members made an impressive ceremony. Those initiated were Charles Field, Clarice Thomas, Betty Whitford, William Fabianic, Ruth V. Hunting, Pearl Peckham, Helen Hammond, Margaret Perkins, Harriette J. Mills, John Leach, John R. Spicer and Bernice R. Graves. The fraternity has 21 members.

After this formal initiation the business meeting followed. The incoming members were given a chance to order their keys. Refreshments followed.

The expenditures have been increased and will go on increasing but it is up to those of us who are now in the interim years of existence to exert all the force at our demand to: first, make these expenditures worth while by seeing that they give culture, stamp the individual with the hall mark of education, and give him an education with which he may make his place in the world."

VARSITY TRIUMPHS WHEN STAIMAN RUNS 60 YARDS TO SCORE

PURPLE AND GOLD DEFEATS EDINBORO 6 TO 2 IN LAST TWO MINUTES ON INTERCEPTED FORWARD PASS—FREDERICKS, COTTRELL AND CLARK CLEAR WAY FOR RUNNER—WHOLE TEAM PLAYS BRILLIANT FOOTBALL—VISITORS SCORE SAFETY IN SECOND QUARTER—MacFADDEN HURT

Nabbing one of the opponents' forward passes with one minute and ten seconds to go, Marty Staiman sprinted 60 yards, behind excellent interference of Captain Fredericks, Cottrell and Clark, to register Alfred's first victory in 19 games. The Purple and Gold broke its losing jinx with the 6 to 2 victory over Edinboro State Teachers' College at Merrill Field, Friday afternoon.

Staiman's long run not only registered Alfred's first victory on the new Merrill Field but carried the fighting halfback to the local Hall of Fame to have his name engraved along with the athletic and scholastic heroes of past years. Along with him went those Purple and Gold jerseyed players who made the play possible. For without the opponents being blocked from play, Marty Staiman could not have made those 60 yards.

Alfred played some of the most thrilling and brilliant football ever shown on Merrill Field. Coach Heers' pets went into the game with fight and determination and battered the Edinboro line to pieces. The Pennsylvania school was no set up for it came to Alfred favorites to win. They had weight and speed but could not match that of the home team.

Hoffman, husky Edinboro fullback, kicked off to Fredericks who ran the ball six yards back to the 43 yard line. MacFadden slid off left end for two yards, and then ripped through a huge hole at tackle for 12 more and a first down. It was at this point where Alfred had its first set-back. MacFadden suffered a slight concussion of the brain and gave way to Jaquiss. Fredericks continued to pound the line while Staiman and Fredericks harassed the ends for two more first downs. Edinboro held on the 13 yard line and soon started a series of off-tackle plays and line bucks which netted them with a first down. Hoffman punted to Crisafelli in midfield and Alfred started another

march only to lose the ball on downs at the nine yard line. Edinboro repeated their offensive and the quarter ended with the ball in midfield.

Fredericks hit the line for two yards. Staiman added four more through center. Crisafelli slipped another yard around end and then Staiman chalked up a first down with an eight yard gain. Fredericks made three yards through center on three plays, and Staiman failed to make the distance by scampering six yards around left end. Edinboro took the ball on their 14 yard line and Riley tossed an 11 yard pass to Anderson. Hoffman hit left end for eight more. Alfred held for downs on the 31 yard line. Continued on Page Three

REGISTRAR ANNOUNCES 61 STUDENTS GAINED HONORS FOR 1927-28

Statistics compiled recently by Registrar Waldo A. Tittsworth show that a total of 61 students received scholastic honors last year, thus indicating that nearly 13 per cent. of the student body is well above the average level. A student must attain an index of 2.2 or higher in order to be so recognized. The list of honor students is as follows.

Application for Degrees

College students may be glad, or sad, to hear that accuracy and efficiency are being applied by some college authorities in the nth degree.

A certain Eastern college recently issued the edict that any Senior desirous of receiving a degree upon graduation would be disappointed unless he filled out the application blank entitling him to such, providing that he fulfilled the other requirements.

What were the motives? Were faculty members attempting to focus attention upon that objective, were they trying to fill the empty spaces in a good looking filing cabinet—or were they trying out the double entry system?

At any rate, they will achieve accuracy though someone will have to furnish the sympathy for the absent-minded grind with the three point index, when no diploma comes his way in June. Perhaps Alfred needs a system such as that—it would at least avert disaster, in case a medical student with a degree from Ceramic School attempted a fossil operation on a Grecian urn.

Fiat Lux Calendar

For the benefit of the students, a calendar of events for the coming weekly is published in the Fiat Lux. This is intended to aid the students who are interested in the activities of the University.

Only dates that are official, and that applies directly to the student body and its activities, are put on the calendar. It does not include meetings of non-college organizations.

For dates recognized by the Student Life Committee for special permissions, (S. L. C.) is added after the name. Only such dates are on the college social calendar.

Mention of meetings and other functions, organizations may have added by dropping a slip with the name, the time of meetings and place, in the Fiat Lux box in the restaurant any time before Saturday at 6 p. m.

Tales from a Broad

This story is not about an Irishman. It deals with his brother Pat.

Pat was an answer to a mother's prayer but, through some miscalculation, Sir Stork forgot to drop him at the zoo. His ma had wished for a girl, but paternal influence jumbled the signals and the result was—Pat. If we descended from primordial monkeys Pat ascended.

Speaking of monkeys always reminds me of a certain pretty college girl who married a sailor after graduation. Her twins were born with water on the brain and the first words they could say were "O Here We Are." What would you do in that predicament? I wouldn't.

And that causes me to recall the tale of a fellow who, after graduating from the school, married a bootlegger's daughter in order to continue his college education. He was so accustomed to kissing, his father-in-law let him paste labels on the bottles.

Someone remarked that the Steinheim steps needed steam heat. What they need is a cooling system to convey the heat away.

We gave our chickens some pre-war stuff and they laid Mexican jumping beans. But what this country needs is a crumbless cracker that can be safely eaten in bed.

—Dun-on-a-run but Dun-by-gum.

First Homecoming

Alfred will celebrate two Homecoming Days this Fall. As originally planned, the first comes Friday afternoon when the Varsity football team meets Hobart College.

Hobart comes to Alfred with a great record this season. It is up in the lead for the New York State Conference championship. It has some of the best players in the East in its line up. It is planning to hand the Purple another defeat.

But can it? Following the taste of the sweets of victory of last week, the Varsity should be in the fight to turn back the invaders. The psychological effect should have nothing to do with Alfred taking a defeat from Hobart.

As was the case last week, Alfred cannot be defeated until the last second of the game. It has the team, a hard hitting, fighting eleven, that can turn the trick on any team in the conference.

What did it do to Niagara two years ago? Only a scoreless tie! Niagara has never been scored on by a conference team but Alfred, from the foot of the "Little Ten," rose to equal the champs. Alfred can do the same thing to Hobart, or better yet give them a taste of defeat.

Because of a teachers' convention in Rochester on the same day, it has been necessary to put another Homecoming Day on the Fall program. The second will come in two weeks at the time of the Clarkson game. Then the alumni will be able to return to Alfred and attend the Fall banquet.

Student Life Committee Concert

The Student Life Committee is bringing a group of Negro singers to Alfred, tomorrow night. This is another one of their constructive plans that the committee is introducing into the local college life.

In the past, outside talent has not been brought to the University partly because of the fear of losing money on the project and partly because no organization would try it. Now the committee is going ahead with the plan.

This concert is not for just the music lovers. It is for the entire student body. Every student should attend the concert, not just to help the committee in its venture, but for the cultural values that can be gained. If this proves successful, the committee will probably bring more and greater artists and speakers to Alfred.

Praise the Winners

A break with every member of the team taking the fullest advantage of it, resulted in Alfred's first Varsity football victory since the 6 to 0 win over Buffalo University nearly two years ago. Incidentally it was the first victory on the local field since it was rebuilt in 1925.

The quick action and fleet-footed sprinting of Marty Staiman deserves the fullest praise that is possible to give. But then the rest of the team deserves equally as much credit. It was the blocking from play of the opponents that made the score possible.

Every Purple jerseyed player went into the game with the fight to win and victory was his reward. The team battered the opposing lines for gain after gain only to be stopped when close to the goal line. But it fought to the last minute—and won.

Did Alfred celebrate? It certainly did. The students were "intoxicated" with joy. Every one of them that could, got out of town, and celebrated at the expense of Hornell.

When the Worm Turned

Long have they practiced, hard have they fought,
The "Varsity Purple and Gold,"
The days and months have been set at naught,
Forgotten,—the mud and the cold.

Day in, day out, through rain and slush,
As the daylight filtered to night,
They fought in games when the scores seemed to crush,
Their spirit, their courage and fight.

They gritted their teeth each game they lost:—

The Fires of Victory MUST burn!
Four games were played, four games were lost,
Good Lord! Would that worm never turn!

The Edinboro team hove into sight,
Conquerors of Buffalo U.
Strong they were, and ready to fight,
Certain of victory too.

The whistle blew! With the ball on its way,
Like the roar of fires that burn,
The men of Alfred tore into the fray!
The worm was beginning to turn!

The Purple and Gold was "Rarin' to Go!"

Like a fiend with a taste of blood,
It hurled itself at the red coated foe,
Forgotten, the cold and mud.
The quarter passed, no points gone astray—

The line was blocking each hole,
When a break in its work gave two points away
By a fumble in back of the goal.

Two points for the redcoats, Alfred had naught,
While the mud and dirt and slime frayed the edges of nerves already drawn taught,—
Fight hard! Fight hard while there's time.

Savagely! Desperately! They fought for a score,

They fought for traditions old.
They'd show the world what their colors stood for:
"The Royal Purple and Gold"

Three fourths of the game had gone its way,
The minutes were flying by,
The redcoats stubbornly blocked each play.

Dark grew the leaden sky.
One minute to go, 'twas Edinboro's ball,

On the fifty yard line or so,
When the worm gave a turn, a very clear call
"Full Speed Ahead" 'Let 'er go!

That turn was a pass, a herald of joy,
To Staiman a chance for his speed,
A sixty yard run was made by that boy,
And Fredericks made certain the deed!!

Long have they practiced, hard have they fought,
They have laid the "jinx" out cold,
By a hard fought game they cut it short.

All Hail! The "Purple and Gold."

COLGATE LOSES TO VARSITY HARRIERS 18-37, LAST WEEK

Alfred's Varsity harriers ran their string of victories for the season to a total of four when they defeated Colgate last Tuesday by an 18 to 37 score. The time was rather slow due to the chilly weather and the muddy course.

The runners started at a moderate pace and they did not spread out until the first steep hill was reached. Getz, Zschiegner, and Boulton then forged to the front with Cummings, Colgate Frosh, at their heels. May outdistanced Dunbar of Colgate in a vain attempt to overtake the Maroon star, while Dunbar had his hands full trying to keep away from Vance and Galizio. Grant, Glenny and Captain Busher of Colgate were far behind the rest of the Alfred squad, many of the latter running their first Varsity race.

The leading trio never relinquished their positions and the remainder of the pack followed suit. Getz, Zschiegner, and Boulton finished in a tie for first place in the slow time of 33:08. Cummings, running easily and still fresh, loitered to the tape for a fourth place. May led Dunbar of Colgate to the finish for fifth place, while Vance, although only a Frosh doggedly completed Alfred's score by finishing seventh and winning a letter. The remainder of the Colgate quintet hove into sight fully three minutes later to end the meet.

ROCHESTER FROSH TAKE ANNUAL GAME BY 6 TO 0 SCORE

The opener on the athletic card Friday was the grid battle between the Rochester and Alfred yearlings. The game was close, well-fought, and muddy. Merrill Field, churned into a veritable swamp by incessant rains, was anything but a gridiron. Both teams labored under a mud-soaked handicap, and the Flower City Frosh emerged from the game with a 6-0 victory smile on their mud spattered faces when Weise passed to Smith over the goal line in the first quarter.

The Frosh with their usually perfect forward passing game spiked by the muddy ball and slippery field fought grimly but could not overcome the six point lead which the Rochester star halfback established in the first quarter when he carried a pass across Alfred's goal line. Mooney was a big threat but was unable to get loose.

line, and failing by the ariel route, Fredericks kicked to the two yard marker. Hoffman punted to Crisafelli who fumbled the ball and Watson recovered it. Hoffman punted again to Alfred's 35 yard line. Fredericks kicked to Edinboro's 45 yard line, and Edinboro exchanged again with Crisafelli receiving at his 36 chalker

Fredericks and Staiman garnered 20 yards and were going strong until Hoffman intercepted a pass on his 40 yard line. Edinboro was penalized 15 yards for hooking, and Hoffman punted again. Jaquiss received the ball in midfield and Staiman and Fredericks crashed through the line for two more first downs. Alfred lost five on an off-side penalty, and Staiman was thrown for another five yard loss. Crisafelli and Hoffman exchanged punts again, and when the smoke of battle cleared away, the Purple had the ball on their 40 yard line. Armstrong issued a poor pass, and Staiman recovered on his 20 yard line.

Armstrong was weakening fast and passed the ball out of Fredericks' reach, and the latter scored a safety for Edinboro by falling on the oval behind the goal line. Fredericks punted from the eight yard line for 30 yards. Hoffman was penalized 15 yards for slugging at the end of the half.

Hoffman carried the kick-off to his 35 yard line, and proceeded to take it 33 yards further in four downs. Cotrell threw Riley for an eight yard loss. A double exchange of punts ensued and the ball finally came to rest on Edinboro's 30 yard line. Fredericks, Staiman, and Clarke drove the visitors to their 10 yard line three times only to lose the ball on downs. Edinboro passed to mid-field and Cotrell smeared Hoffman for another loss as the quarter ended.

Alfred took the ball and started a determined march to its opponent's 10 yard line. Edinboro kicked out of danger and Alfred took the ball back toward the goal again. Edinboro held on their 10 yard line again, and started a series of passes and off-tackle plays which carried the ball past mid-field. Hoffman tried to pass over right end.

At this point, Staiman rose to great heights of football glory and beat Anderson to the pass. Fredericks blocked Anderson and Staiman scampered 60 yards through a broken field for a thrilling touchdown. The kick for goal was blocked. Edinboro received the kick-off and Riley carried the ball to Alfred's 25 yard line as the final whistle blew.

HARRIERS MAKE PERFECT SCORE AGAINST YELLOW

The Purple and Gold harriers ran up their second win by a perfect score here Friday when they romped to an easy victory over Rochester. Being heavily clad, because of real wintry weather, they negotiated the four mile course at a slow pace. Five of the Purple triumphantly crossed the finish in a tie for first place.

The start was fast as the pack circled Merrill Field twice before taking the hills and dales. Brown of Rochester jumped to the lead and held his own on the first lap until Galizio fairly flew past him with his old-time half mile pace. At the end of the first mile, Captain Getz, May, Boulton, Zschiegner, and Galizio left Brown to fight Flint and Burdick for second position.

The race was never in doubt as Thomas of Alfred drew past Barbour and began to threaten Brown, the Rochester leader. As the finish drew near, the leading quintet contemplated a five-man tie for first, but the chilly air settled the question, and the Conference Champs sped for the tape. Flint and M. Burdick, completed a second tie as they followed the leaders around the track. Brown then finished the first score for the visitors as Thomson chased him to the finish. Claire of Alfred then took Phillip's measure by a quarter of a lap just before Flash Willson led the three remaining visitors to the finish line.

INTRAMURAL TEAMS COMPETE TOMORROW FOR FERGUSON CUP

Alfred's annual intramural cross country meet will be held tomorrow afternoon. The winner obtains possession of the Russell S. Ferguson Cross Country Trophy for one year. Four years' possession is necessary for permanent ownership. Klan Alpine are the defenders, having had possession of the plaque for the two years since it was presented.

Only three teams, Klan Alpine, Kappa Psi Upsilon, and Burdick Hall are entered this year. All of these teams have good material and the outcome probably will be close. The participants have been under "Doc" Ferguson's watchful eye for the past two weeks and are in good condition.

W. S. G. WILL GIVE ANNUAL DANCE AT HIGH SCHOOL GYM

The high school gym will be a scene of a gala and picturesque party Saturday evening when the Women Student Government gives its annual Hallowe'en dance. The various organizations are putting on stunts about which a deadly silence is being maintained, although each will admit that its stunt will be the best.

The party is to be a stag affair and everyone is requested to attend mask. A small admission a person will be charged. Ted Van Order's Merry-men will be there with their peppy music.

CAMPUS PERSONALS

PI ALPHA PI

Betty Swarthout, Margaret Lyon, and Kay Chamberlain were dinner guests Tuesday, while Ferne Green, Isabel Moore, Wilma McLean, and Miriam Vandine were entertained Wednesday evening.

Intersorority guests were exchanged Thursday. In the evening the Eta Mu Alpha initiation service was held in the Pi Alpha parlors.

SIGMA CHI NU

Sigma Chi wishes to congratulate the football team for breaking the "jinx."

It seemed natural to have Mrs. Ellis at the house again Wednesday night. Other guests during the week were Ella Corson, Kay Chamberlain, Betty Cartwright, Doris Brown, and Louise Twohill.

THETA THETA CHI

Speaking of teams we're proud of, how about Drena Saunders and Pete Turner?

Guests during the week included Miss Nelson, Miss Fosdick, Lois Brown, Janice Collins, Zoe Brockett, Ruth Mitchell, Florence Fremont, and Sophia Schlick.

DELTA SIGMA PHI

Fred Coots, Kenneth Nichols, Richard Claire, and Edward Campbell were at the house Friday. They visited Merrill Field and witnessed the football game.

FROSH GIRLS GIVEN PARTY AT BRICK BY BIG SISTERS, TUESDAY

Last Tuesday evening the Freshmen girls enjoyed a pleasant time when they were entertained in The Brick parlors by their big sisters. Bernice Guilford, chairman of the entertainment committee, arranged a program in which each of the sororities and The Brick offered clever stunts. Refreshments were served and the girls enjoyed dancing until 10 o'clock, when everyone returned to their rooms or houses.

Everyone at the house extends his congratulations to Alfred's teams for the first class exhibitions in cross country and football on Friday.

The informal and hastily planned party at the house Saturday night was a huge success.

Mr. and Mrs. Harry Jaquiss, daughter Floral and son Mason, were guests at dinner Saturday night.

KLAN ALPINE

Klan Alpine takes pleasure in announcing the initiation of Frederick Chubb, Edward Cauger, Walton Claire, and Harold Gullberg.

The house congratulates the football and cross country teams on their excellent showing Friday.

Wells, Leach, and Milks were Klan Alpine's delegates to the Six Nations this weekend, while some attraction drew Rockefeller and Chubb to Erie.

And "Bish" just couldn't stay away from Buffalo for two weeks in succession.

Cady and Chamberlain were here for the game Friday.

THETA KAPPA NU

Theta Kappa Nu wishes to announce the formal initiation of pledges Harry N. Sackett and Vincent Zaffke on Oct. 14.

Bernard Smith of Oak Park, Ill., was a weekend guest of Paul Webster.

KAPPA PSI HOLD BARN DANCE AT HOUSE, SATURDAY

Farmers and farmerettes from more than five corners gathered at Fraternity Heights Saturday evening to enjoy the Kappa Psi Upsilon barn dance.

The house was appropriately decorated with corn stalks and pumpkins, while refreshments consisted of cider, sandwiches, and cake. Clever programs were provided, but the guests found no need for them in the free for all frolic which took place.

Faculty guests included Dr. and Mrs. Gilbert Campbell, Professor and Mrs. Fred Ross, Professor and Mrs. Ray Wingate, Mr. and Mrs. Rodney Frary, Miss Ildra Harris, and Professor Harold Boraas.

KAPPA PSI UPSILON

Kappa Psi Upsilon announces the initiation of Walter Chauncey, Earl Beeton, Carl Owen, Raymond Olsen, and Theodore Flint.

The brawny fellows worked all day Wednesday putting in a new gravel road. Collegiate Fords can make the grade now.

Carl Owen attended his sister's wedding in New York on Saturday.

PUGATORY

Daily lessons in wrestling have begun in earnest. (Poor Earnest!) Sixby has learned how to break an arm already.

Purgatory celebrated the football and cross country victories with a midnight party at Hornell. (Stag)

CAMPUS PERSONALS

Miss Helen Brundige, '28, has returned to Alfred after an interesting Summer in London and Paris. She is planning to take up graduate work in pottery during the college year.
