

Do you recall your senior class gift?

6/25/15

We kindly ask for your assistance as we gather a comprehensive list of senior class gifts made through the years. These are the legacies (sometimes physical gifts such as trees and furniture, and sometimes scholarship funds) most classes collectively left to AU upon graduating. While our records show many specific class gifts, some are, unfortunately, proving harder to find in our archives.

Specifically, we are searching for information on the following classes: 1940-1949, 1950-1959, 1960, 1961, 1963, 1964, 1965, 1966, 1967, 1968, 1969, 1970-1979, 1980, 1981, 1983, 1989, 1993, 1998, 1999, 2000, 2001, and 2002.

If you have any recollection of your own class gift and belong to one of the classes above, please contact Monica Reginio at 607.871.2144 or reginiom@alfred.edu. Thank you in advance for your time and assistance.
