Telephone 5402

### First Team Since '37 As AU Winds Up 8-0-0

As a result of its resounding 6-0 victory over Hobart the Purple and Gold football team has its third undefeated and untied football season on record.

This is the eighth undefeated Saxon team in the 57 years of the sport at Alfred and the only other perfect seasons were in '17 and '37 when the squad had a 3-0-0 and 7-0-0 slates. The '96 team was 3-0-2, and the 1900 squad finished with 2-0-1. In '09 the record was 2-0-2, and in '40 it was 6-0-1 and in '52 it was 6-0-1. Never has an AU team been 8-0-0 before.

The perfect year started off with the resounding trouncing of Brockport 50-0 in which Jim Ryan was the big man with 2 TD's, and Bob McEnroe and Ryan led the ground attack with 92 and 66 yards rushing.

A tough and fighting Cortland team was next and they fell 12-0. This was the only game Cortland lost in their 7 game slate. Jim Ryan and Bill Chaffee did the scoring for AU. The game saw nice defensive playing on both sides.

Homecoming saw St. Lawrence fall 38-0, as the Saxon offense picked up 416 yards. Offensive highlight was a 53 yard pass from Moresco to Shultz for a TD. Shultz made a great fingertip catch.

The Lions of Albright were next, as they fell 13-7 on the road. The Lions were the first team to score against Saxons. AU got a 13-0 lead at the half and then hung on. Jim Ryan scored the first TD after a combination of Shultz and Bilanski set up an interception, and Moresco tallied the second one.

The Bombers of Ithaca went down next by a 26-0 count. Ryan once again got the first TD. Al Weaver and Jim Hartnett got the middle two and John Zluchoski, back after a preseason injury scored the final one. Team scored at will and everyone played.

The hard hitting UB squad ended the Saxon home season and also the career of Chet Micicche as he broke his arm in the contest which AU took 26-14. Outstanding player in the game was Charlie Shultz who scored two TD's and led the squad on to victory.

Playing at Kings Point the Mariners were drowned 19-0 as John Zluchoski's two touchdowns and a 34 yard pass from Moresco to Shultz produced

the touchdowns. Game was played in rainstorm on waterlogged field. The win gave AU a 7-0-0 record and set the stage for Saturday's tremendous 6-0 win over the Statesmen of Hobart.

Since coming to Alfred the record of "Alex the Great" as the New York newspapermen have tabbed him is 79-23-5. When Coach Yunevich started in '37 the Warriors had a losing record. As a result of this undefeated season the all-time AU record is 161 wins, 159 losses and 31 ties.

Giving up only 21 points in eight games the Saxons scored 190 points. On the ground the Purple and Gold picked up 1818 yards, while the opposition got only 981. Purple and Gold got 460 yards in the air while holding the opposition to 242 yards.

The total Warrior offensive was 2278 yards to 1223 yards. Warriors scored (Continued on page 3)

### Saxons Stop Hobart Win Streak

#### Crowds Jam Boswell Field As Warriors Take It All 6-0

by Al Siegel

Last week a release out of Hobart stated that Hobart's Statesmen just forgot how to lose. After Saturday's game with Alfred the memories of the Statesmen are very much refreshed.

Playing one of their greatest games the hard-hitting Purple and Gold Warriors of Coach Alex Yunevich completely outplayed the

the '37 club.

The Statesmen got off to a good start and dominated play during most of the first half, but the second half saw the Warriors completely control the contest.

Kickoff

The only thing the Warriors lost was the toss of the coin. Captain Augie Gates outguessed co-game captains John Dennis and Al Bilanski and the

Orange and Purple of Hobart elected to receive.

After getting the opening kickoff on the 15 the Statesmen moved to the AU 20 on 10 plays, while getting 4 first downs. Here the Warrior defense toughened. Runs by quarterback Lambert and fullback Harrison lost 5 yards apiece when Chuck Shultz and Nick Teta made the stops. Two plays later the Alfred team had the ball for the first time on the 17.

Runs by John Zluchoski and Al Weaver got the ball to the 35 in 5 plays, and then Jim Hartnett and John Farnan combined their talents to complete a 30 yard pass play to the Hobart 35 yard line. On the next four plays the Saxons could get only as far as the 26, and Hobart took possession.

On the first play Mike Keenan picked up 2 yards and on the next one Walt Harrison fumbled on his own 26, with the ever-alert Don Carlin falling on it to give the Yunevichmen a golden chance to score. Runs by Zluchoski and Jim Ryan got the pigskin as far as the 20 but here the machine was stopped and Hobart took over.

Bilanski Hurt

Once again the home club started to move. Six plays got the ball to their own 45. On the seventh play things looked even worse for AU as Al Bilanski injured his leg and had to leave the contest. The Statesmen got another 9 yards but then they had to punt to the Saxons. Dunc Sinnock punted out of bounds for Hobart on the AU 16.

The Warriors got as far as the 31 and were forced to punt. When the Hobart attack stalled they punted and Alfred took over on the 14, but a clipping penalty against AU put it on the 1. Runs by Moresco and Weaver got the ball to the 23 and things looked even darker for the Purple and Gold as Don Carlin was injured on the third play. Fortunately it wasn't very serious.

The next play saw Al Moresco have a pass intercepted by Art Lambert on the 42 and he ran it back to the AU 24 before Weaver stopped him. A Lambert pass to Joe DeFazio went over his head and then another Lambert pass to DiFazio was good to the 17 as the first half ended with the score 0-0.

Hobart started the second half kicking. The boot went to Shultz on the 22

and he returned it to the 33. Runs by Ryan and Bill Chaffee netted a first down on the 43. On first down Jim Ryan raced thru the center for five yards, but he fumbled after being tackled hard and Ken Wells recovered for Hobart.

The first play from scrimmage saw Art Lambert fumble for Hobart and Tyron coached team by coming around from his end position and taking a handoff from the quarterback on an end around. This was the first time the Warriors used the play this year and it netted 12 yards and a first down.

Runs by Jay Abbott, Zluchoski and Hartnett got a first down for the Saxons on the 7. Jim Ryan then raced 4 yards thru the middle until he ran into Chuck Shultz fell on it for the Saxons. Ten plays saw the Saxons get to the 10 yard marker only to lose the ball on downs. Three runs thru Don Carlin, Nick Teta and John DeSantis saw the Statesmen lose 2 yards and they were forced to punt, with AU taking over on their own 48.

End Around

The first play saw John Zluchoski get to the Hobart 48 for 4, and then one of Coach Yunevich's surprise plays was unleashed. On second down Chuck Shultz completely shocked the Eddie Walt Harrison. Jim was knocked out cold as he fumbled the ball with Harrison recovering. Ryan had to be carried off the field on a stretcher, but after the game he seemed to be in fairly good condition.

Runs by Harrison and Lambert picked up 6 yards, and on third down Harrison got the first down when he reached the 11 and was tackled by Jay Abbott, Al Weaver and Charlie Shultz. Mr. Harrison, Hobart's top back was injured on the play and he had to leave the contest. It later turned out that Harrison needed four stitches in his lip. Beedon punted for the Statesmen and Alfred had the ball on their own 42. On third down Moresco tossed a completed 24 yard pass to John Dennis, but when John Royston hit him he fumbled and Hobart recovered on their own 29.

Runs by Gary Mendez and Royston netted minus 4 yards to Al Weaver and Chuck Shultz, respectively, as the third quarter ended 0-0. On the first play of the final period Art Lambert (Continued on page 3)

Front row, (l-r)—R. Jorgensen, W. Chaffee, E. Matthews, D. Kohler, J. Bush, R. Cornish, L. Wiedeman, R. Lovett and R. Cranston. Second row—Line Coach Avery, A. Bilanski, J. Dennis, C. Micicche, C. Shultz, A. Moresco, G. Austin, D. Carlin, J. Abbott, J. Zluchoski. Third row—Line Coach McWilliams, W. McAlee, A. Weaver, D. Heimbach, J. Farnan, G. Meyer, J. Murphy, E. DeChristopher, J. DeSantis, S. Hulbert, J. Ryan, Ass't. Backfield Coach Latari. Fourth row—Director of Athletics McLane, G. McAlee, R. McEnroe, W. Woless, R. Errico, H. Lederberg, S. Ren, A. Maguire, J. Hartnett, N. Teta, Head Coach Alex Yunevich and Trainer T. Curtin.

### Commanders To Play For Interfraternity

The Interfraternity Council has announced that the band for the Interfraternity Ball on December 9 will be The Commanders, featuring Eddie Grady as director, with arrangements by Tootie Camarada.

It was Camarada who conceived the idea of The Commanders, as a dance band that was commercial yet musically interesting, and the reaction to the Commander's records was tremendous all over the United States. Having had a very successful experience with Camarata and his arrangements during the Jimmy Dorsey era, Decca Records asked him to create original material, as well as arrange popular material for the group. In forming the recording orchestra, Eddie Grady was the drummer, and from the beginning, he gave the band a sound and rhythm that was new and unique. It was a natural for Camarata and Grady to team up, and thus the Commanders were born.

Both Eddie Grady and Tootie Camarada have wide backgrounds in music. Camarada is an interpreter of the classics who happens to have a "popular" background, and he is also a highly popular musician who has had classical training—a fortunate combination, especially in this instance. In his past experience as performer and arranger, he played trumpet in Jimmy Dorsey's band, wrote, played and arranged on the Kraft Music Hall program with Bing Crosby, did a picture for J. Arthur Rank, and organized the Kingsway Symphony Orchestra, a full-sized organization consisting of seventy trained musicians, some from the famed National Symphony, some from the Royal Philharmonic and others from the New Symphony.

Eddie Grady, the young musical director of The Commanders, is probably the most versatile of modern day percussionists. His taste and concept of tempos for dancing have been unparalleled. The proof of this lies in the popularity of the dance records made by the Commanders. Grady started at the age of 5 playing the drums on the Children's Hour, and since has appeared with Paul Whitman, Tommy Dorsey, and Benny Goodman. The turning point of his career was his meeting with Camarata, at a Decca recording session, at which a new and

different sound began. It was after this session that Eddie Grady became leader of the Commanders. Ever since this time, they have been recording Camarata's arrangements for Decca Records.

### Alfred University Lends Its Voices

Those of you who happen to dial your radio to the 790 mark may be surprised by the sound of familiar voices. In that case, your senses will not have deceived you. The voices you will have heard come from Jim Chase and Bob Seager, both of Alfred, who are currently occupying positions as announcers for Wellsville's new radio station. The new voice of the air waves is WLSV, which sports a power output of 500 watts, and features Alfred sports news, as well as music and public service announcements. Current operating time for the station is 5:58 a.m. to 4:45 p.m. Tune in some time. You'll be pleasantly rewarded.

### Warren, Kuman, Soc. Students At Conference

Dr. Roland L. Warren and Professor Alexander Kuman of the Sociology Department of Alfred University, and fourteen students who are majoring in sociology are attending the 56th annual meeting of the New York State Welfare Conference at the Hotel Statler in Buffalo, Nov. 13-17.

Principal speaker at the conference, which is alternately conducted in New York and Buffalo, is Averell Harriman, Governor of New York State. Thomas McHugh, Commissioner of the New York State Department of Correction, is Presiding Officer for the conference.

The conference consists of general sessions, special group discussions, associated group meetings and the annual business meeting. In the consideration of such varied phases of social work as child care, protective and correctional care, family care, health, mental health and rehabilitation, and the care of the aging, outstanding individuals will be heard.

Among the associated group meetings are those of the American Red Cross, Fordham University School of Social Service, New York State Public Welfare Association, Salvation Army, Veterans Administration Social Workers, New York School of Social Work, New York State Association of Councils and Chests, and the National Association of Social Workers.

The New York State Conference of Pre-Professional Social Work Education has also scheduled an associated group meeting for the purpose of discussing "The Implications of the New York Undergraduate Social Work Study." Professor Kuman is secretary-treasurer of the group.

Student from Alfred University bi-annually attend the conference. Those present this year are: Elizabeth Noe, of Cornwall-on-Hudson; Nancy Rhodes of Cold Spring Harbor; Dean Elliott of Bradford, Pa.; Rev. Robert Holley, Jr., of Pultney; Janice Nohle of Medina; Zelma Tousey of Oneida; Carol Fisher of Long Island City and Niel Finch of Gainesville.

Also, Barbara Levy of Brooklyn; Margaret Dock of Victor; Judy Koch of Buffalo; Dale Smith of Brian, Pa.; Mary Redd of Syracuse and Brian Randle of Rome.

Print lending 3 p.m. today in the Student Union.

### Religion In Life

Avonne Montanye and Sam Hulbert have been appointed to the committee in charge of planning the program for this year's Religion in Life Week, which will be held from February 19 to February 25.

This is a combined effort of Alfred University and Ag-Tech. Chaplain Murdock, from Ag-Tech will assist Chaplain Bredenberg. This program is sponsored by the Campus Intercollegiate Christian Board of Alfred, and will involve two out of town speakers, who will speak Sunday morning and evening. There will also be bull-sessions in dormitories and houses, and an assembly program.

### First Army ROTC Confab Held at Governor's Island

Major Phillip S. Avery, professor of military science and tactics at the University, recently attended a conference at Governor's Island for ROTC professors in the First Army area.

The group was addressed by Lt. Gen. Thomas W. Herren, First Army commanding general, who told the assemblage that 88 per cent of the officers in the First Army are reservists and since the beginning of the Korean War, the ROTC program has supplied the bulk of second lieutenants required by the army.

Forty-six PMST's from 37 colleges and nine military and high schools in the First Army area of New England, New York and New Jersey met in a one and one-half day conference which ended with a discussion of mutual problems with the eight military district chiefs and representatives of First Army staff sections.

### All-Campus Band Performance Set

The Alfred All Campus Band will highlight the Thursday, November 17, assembly at Alumni Hall with a concert. The band, at this traditional assembly, will be directed by Anthony Cappadonia of Ag Tech.

The program for the assembly will include: "We the People March" by Bradley, "Spiritude" by Don Gillis, "Allerseelen" by Richard Strauss, "Clarinet Cake" by Ralph Herman, "Sunset Soliloquy" by Harold Walters, "Father of Victory March" by Louis Ganne, "Guardes Du Corps" by R. B. Hall, and "Londonderry Air" by

### Ceramic Contests On Speaking, Porcelain Enameling Technology

Deadlines are approaching for entrance into two very worthwhile contests open to ceramic students, contests which at various times in the past have been copped by Alfredians.

A student speaking contest is again being sponsored this school year by the American Ceramic Society under the direction of the Ceramic Educational Council. The local contest will take place December 15, while the finals of the contest are to be held at the annual meeting of the Society in New York.

The winner of each local student speaking contest will receive a cash prize from the American Ceramic Society equivalent to a round-trip railroad coach fare from his school to New York where he will participate in the national competition. Awards will be as follows: first prize, \$15.00 and a one year Society membership; second prize, \$10.00 and a one year Society membership; third, \$5.00 and a one year membership; fourth, a one year Society membership.

All contests will be held according to the following rules: 1—each contestant will speak on a subject related to ceramics; 2—each contestant will be allowed seven minutes; 3—there will be no discussion on the papers; 4—slides, charts or exhibits may be used in conjunction with the talk; 5—the representative must be majoring in ceramics or in ceramic engineering as an undergraduate student; 6—speakers will be scored on method of presentation, effectiveness of presentation, technical quality of the paper and timing.

A suitable topic can be based on a thesis or individual research work, a summary of an article appearing in

Art Dedrick, with a trumpet solo featuring Carlo Biderio.

The All Campus Band appeared at the Hobart game last Saturday. During the halftime ceremonies at Hobart, the band saluted the men and women who died for our country. This was in observance of Armistice Day, November 11. Due to the time element the band's formations were limited. The feature formation was one of a shield whereupon the band played the "National Emblem March" and other patriotic selections. The trip to Hobart, for the band, was sponsored by the Student Senate.

Mr. Cappadonia's band consists of sixty male and female students of the University and Ag Tech.

the technical literature, or the adaptation of a new idea to ceramic applications. It is emphasized that the speech need not be on original research.

The Ceramic Educational Council believes that this contest is of exceptional value in that it emphasizes the importance of speaking ability, stimulates undergraduate students in the preparation and presentation of technical material, and aids in training for future participation in Society activities. All students are urged to participate as part of their general education.

Both graduate and undergraduate students are eligible to enter the 1955-1956 student contest in porcelain enameling for the best papers on porcelain enameling technology. Ferro Corporation, Cleveland, Ohio will award five cash prizes for the best papers of 3,000 words or less, written by students on any phase of technology related to the field of porcelain enameling on metal. Papers may be based on theses or dissertations, but must not be verbatim copies. The paper must be entirely the student's own work.

The following awards are offered: first prize, \$500.00; second prize, \$300.00; third, \$100.00; fourth, \$50.00; and fifth, \$50.00.

The deadline for mailing papers will be on Thursday midnight, March 29, 1956. However, entry blanks must first be mailed not later than Friday midnight, November 18, 1955. The prizes will be awarded at Cincinnati, Ohio, on April 24, 1956, in connection with the fifty-seventh annual meeting of the American Ceramic Society, which convenes in Cincinnati April 22 to 25, 1956.

The purpose of the contest is to stimulate original thinking in the realm of porcelain enameling technology on the part of the student and to encourage a general interest in the subjects of ceramics and ceramic technology.

For further information on this contest go to Dean McMahon's office; for information on the speaking contest see Dr. Sutton.

## Thanks

It was a tough season that saw some easy ones, but mostly with teams like Cortland, Buffalo and Albright it was hard playing going down to the wire in some cases.

The Saxons had beaten them all but last Saturday they came up against the toughest that the schedule had to offer. Hobart had fielded a team that was undefeated. They were out to get us as the signs around campus Friday morning led us to believe. If they beat us it would mean that Eddie Tryon's boys would have two consecutive undefeated seasons.

The game was built up around the east as one to watch. It was a natural setting, two undefeated teams playing their last game of the year. CBS was willing, and wanted the scores reported after every quarter. The same for the wire services.

The stage was set.

Both teams took the field and for the entire first half neither could get anywhere. We had some good men hurt and things started to look pretty bad. The half ended with Hobart on the move.

The Warriors came out of their dressing room at the start of the half and started to look like their reputation, maybe more so. After pounding away for a while the team pushed one over and the big 6 went up on the scoreboard. That was it.

Alfred, the "Yunovichmen," "Warriors," "Saxons," call them what you will, had done it — undefeated and untied in eight games. The first time ever in our history.

The crowd at Hobart didn't have a real chance to say anything to the people that brought about this day. We would like to say it for them "Thanks Coach, coaches, guys, manager and trainer, thanks from everybody."

### Letters

#### 20 Dollar Answer

Dear Editor:

In an effort to present the TRUE picture to the students of Alfred University pertaining to the Student Senate vote against allotting the ROTC Drum and Bugle Corps \$20 for meals when traveling to Hobart in an effort to help the "Saxons" go undefeated by attempting to boost student spirit, I would like to elaborate on Miss Lerner's statement in her "Senatorially Speaking" column of the November 8 issue of the FIAT LUX.

Miss Lerner did not report the happenings of that situation to its full extent. Yes, the Senate voted against allotting the Drum and Bugle Corps money for meals, but it was because the officers of both the Sophomore and Junior classes volunteered to donate \$10 each for this expense, before the actual voting took place. Thus, the Senators voted "NO" because the Corps was already going to receive money from these two classes. With this thought in mind, the Senators did the right thing because, as Miss Lerner did point out, they are concerned with the Student Senate expenditures.

In regard to Miss Lerner's statement "the band worked 'real hard' for the university so why shouldn't the Senate pay for the food!", again, she did not report this exactly as it was said. The essence of the statement was that the members of the Drum and Bugle Corps do work hard and it wouldn't be right for them to pay for their own lunch, in addition to putting in many hours of practice for which they get nothing but self-satisfaction in return, when traveling to an away game representing the University.

To sum up this letter, the students of Alfred University should have undistorted facts presented to them in the "Senatorially Speaking" column of the FIAT LUX about all issues which have been.

Chuck Maass  
Comdr., ROTC Drum & Bugle Corps

#### Hunters Beware

Dear Editor:

The Alfred Outing Club requests the cooperation of all hunters in the use of firearms in the region of the ski hill.

Although the wood area is not posted and it is not in the village its nearness to the village and the fact that many people will be in these woods working on the ski tow does make it a poor place to hunt. Therefore, we request that everyone refrain from hunting in that area.

The Alfred Outing Club

### Student

#### Outlook

by Marv Bell

Crucible Steel Company of America has positions available for graduating seniors in ceramic engineering or chemistry. For further information, see Dean Gertz, Professor Campbell or Dr. Scholes, Jr.

College seniors and young people who already have degrees will be given an excellent chance to begin careers in one of many fields of public employment, when the New York State Department of Civil Service holds its annual college series of examinations January 14. Applications will be accepted until December 16. Additional information may be obtained from the New York State Department of Civil Service in Albany, New York, and Buffalo.

Outstanding college seniors have been invited to participate in New York University's 1955-56 Root-Tilden Scholarship competition by Dean Russell D. Niles of the NYU School of Law. Twenty scholarships are available. An applicant must have a college degree or be scheduled to receive one by September 1, 1956. Competition is restricted to unmarried male students between the ages of 20 and 28. Application may be made by writing to Dean Russell D. Niles, New York University Law Center, New York 3, New York.

A reminder: "Career Opportunities in the Federal Civil Service" will be the subject of a talk by Mr. Robert Bulchis, U. S. Civil Service Commission representative, at 5 p.m., on November 28, in Room 2, Greene Hall. Copies of the announcement of the Federal Service Entrance Examination and information on filing procedure may be obtained from Dean Gertz.

About it for a while. Until you're forced to read this feature again, keep a bright OUTLOOK. Oh yes, one more announcement. Dean Gertz has asked us to remind all of you who plan to go home for the coming vacation, to either stay or return.

#### A.S.C.F. Sponsors Prayers

The A.S.C.F. has announced that they are sponsoring a prayer meeting to be held every Monday, Wednesday, and Friday evening from 6:45 to 7:00 p.m., at the Gothic. The first meeting will be Wednesday, November 16, 1955. Everyone is cordially invited to attend.

Hopkinsville, Ky. — While taking four youthful prisoners to the Kentucky Village correctional institution at Greendale, police had to return to the Christian County Jail so that one of the prisoners could return a pair of shoes he had swiped from another prisoner inmate.

## Herman Godes At Forum

Herman Godes

by Bert Katz

When Franz Liszt visited Beethoven and played and transposed on the spot a Bach fugue, Beethoven who was unusually impressed by child prodigies said "you will be a great artist some day, and give joy to all the world."

In pre-war Europe Herman Godes met Robert Casadesu, the famed French pianist. M. Casadesu said of Mr. Godes "one of the most gifted young pianists I have had the opportunity to hear. This artist possesses a very fine technique and musicality of high standing. He is also a poet at the piano. I am convinced that Mr. Godes will make a great career."

Herman Godes began a brilliant career on the European concert stage. Before World War II in Hamburg, Munich and Cologne critics hailed him as a "pianist of first rank." Mr. Godes was, during the second world war, a member of the Latvian Army. He was captured by the Germans and interned in Buchenwald until his liberation by United States troops in 1945.

He immediately returned to the piano, continuing his concerting and studying. Choosing to remain a displaced person rather than return to his Communist occupied homeland, Herman Godes settled in Western Germany.

During this time he became a pupil of one of the finest German pianists, Walter Gieseking. Post war audiences were amazed at this fine "masterful" artist. German audiences were astounded by the "true musicianship and immense power of interpretation." Schmidt-Isserstadt, conductor of the Northwest German Radio Orchestra, paid him the following tribute, "Having conducted for Herman Godes several times, I am convinced that he is one of the very first young, truly modern pianists."

### Senatorially Speaking

by Judy Lerner

Of the several things discussed at the last Student Senate meeting, two items seem to stand out in my mind. Discussion on the first may be somewhat premature, but, somehow, I don't think it is too early to start stimulating interest in this particular project.

Student Union building. Although it is true that the "proposed" library will probably be a reality before the new Union is constructed, most probably the latter's completion will be sometime in the not-too-distant future.

At present the Senate has formed a committee to work in coordination with the administration in planning and coordinating the elements to be involved. Since any structure considered would include a variety of accommodations, it has been generally accepted that the student body of Alfred University be consulted and that their needs and desires with regard to this building be taken into account and then used for determining the character of the building we are to have. Accordingly, the committee is in the process of compiling a list of ideas and possible features for the new Union. This list, containing such things as a game room and a cafeteria, would be distributed among the students for their approval or disapproval. Then, too, there will be additional space for any other suggestions which may come to mind. Therefore, although the proposed Student Union building may be long in becoming a reality, it still seems reasonable, at this point, for one to start formulating ideas on those things which belong in a Student Union.

The second item concerns the fact that several Senate representatives feel that the nature of this column for the past two weeks has caused the title "Senatorially Speaking" to be misleading. The reason given is that the voice of the article is not that of the Senate, but that of the writer. However, it seems that when one gets the all-over picture of Senate opinion one realizes that not only are there those who would like to change the nature of the column, but also those who would like to change the author. Perhaps there is merit in both solutions, but the fact remains that a column without ideas and personal comments would give nothing more than the minutes which are posted in all houses on campus anyhow. Also, an author, bound by unfeeling allegiance to the Senate at all times, who only told of the good things, would not only be giving a false impression, but would also be just a puppet on strings.

During the single season of 1948-49 Herman Godes played no less than twelve different piano concertos in solo performances with orchestras, including the Beethoven and Brahms concertos for piano. He has played Gershwin and Bartok with equal success, and has gained tremendous admiration for his ability in understanding their music. The International Refugee Organization helped Godes come to America in 1950. His talents were recognized almost immediately. He played a recital in Boston, Massachusetts and was immediately re-engaged for a concert the following year. The hopes and predictions of Casadesu and Gieseking and the critics both European and American have been more than amply fulfilled.

For the Alfred University Forum Herman Godes has chosen an encompassing program of classical and modern music. The program to be presented to Alfred University will be the same program Godes will play in Town Hall, New York City.

Mr. Godes program follows:  
Prelude and Fugue in D Major, Bach-Busoni arrangement; Sonata in B Flat Major (Opus posthumous) Schubert; Sonata (1926) of Bartok; Fantaisie in F Minor of Chopin; the two-part invention (No. 1) Arthur Berger; Nocturne of Norman Dello Joio; Toccata Ostinato, Robert Palmer; Noctuelles of Maurice Ravel; the Hungarian Rhapsody No. 12 of Franz Liszt.  
The Forum will take place in Alumni Hall on Tuesday, November 29 at 8:15 p.m.

### Sociology Films Open To General Public

"A visual aid to learning" is the best way to describe the film offerings of the department of sociology at the University this year, according to Dr. Roland L. Warren, department chairman.

The department of sociology annually offers this film program for the benefit of sociology students on campus. But it is also open to the public, which is again the case this year.

More than 35 films are on the current schedule and they cover a wide range of topics, all closely related with the study of sociology. "Although the films coincide with sociology classes on campus," said Dr. Warren, "there are many practical aspects to the showings."

"They deal with every day problems of the average individual," he asserted. The films are shown every Monday in South Hall, Room 6. Starting times are 12:45 p.m., and 4:30 p.m.

The schedule for November and December is as follows: Nov. 7—"Quarter back" and "A Good Place to Work"; Nov. 14—"Human Reproduction"; Nov. 21—"Boundary Lines," & "Role Playing in Guidance"; Nov. 28—"New Prisons—New Men," and "Walkabout"; Dec. 5—"Social Development," and "African Tribes"; Dec. 12—"Marriage Today," and "Christ Did Not Stop at Eboli."

#### Bowl Feeler

Director of Athletics James A. McLane has announced that the University has received a feeler to play in the Refrigerator Bowl in Indiana.

The Faculty Committee on Athletics has rejected it. Full details will appear in the next issue of the FIAT.

#### A. S. C. F.

Last Sunday the A.S.C.F. met in Howell Hall. The program featured slides taken by Jo Ann Totten, of mid-eastern cities and land marks. The slides were narrated by Raja Ajluni. The A.S.C.F. will hold a joint meeting with the Ag-Tech Fellowship on

by Judy Dryer

"The day we tore the goal posts down" — that was last Saturday at the Hobart game, really a "moment to remember" for all those who saw the game. Our enthusiastic Alfredians wasted no time carrying off the goal posts. As a matter of fact, they didn't even wait until the game was over. But who can blame us for being excited? It's not every team that can go all season without one defeat — but our Alfred Saxons can, and they really deserve a lot of praise. Of course, this called for a celebration, and there were parties at some of the fraternities on campus.

Klan was one house that celebrated with a party after the game. George Meyer, Ed DeChristopher and Sam Hulbert were back from Geneva, and everyone really had a ball. Returning alumni were Hank Kast, Chuck Rickey and Dave Mahoney. Bob Kast (Hank and Ed's brother) was a guest. Sgt. and Mrs. Clark chaperoned at the party and Mr. and Mrs. Bower and Professor Langer were guests. The Caribou met Friday night. Professor Sass was a guest at Sunday dinner.

Kappa Nu had a party Friday night, chaperoned by Mr. and Mrs. Small and Sergeant Poliferno.

Phil Bailey, of Lambda Chi, is going steady with Marge Feifer, of Pi Nu.

Tau Delta held a meeting of the Sponges Saturday night. Larry Hardy, an honorary, was back for the weekend. Pel Charland, another honorary, was back from Oklahoma for a few days. Jerry Kreischman and Shelley Fuchs are going steady. Phil Feld is going steady with Joan Braun. Tau Delta almost had to hold a house meeting at the Infirmary, since that's where half the house was.

Delta Sig had a party Friday night, an informal party chaperoned by Chuck Weisenseal and Bob Ruggles. Jerry Pliton is engaged to Kathy McKiernan of Pi Nu.

Pi Alpha pledged Barbara Titus Monday night, the seventh. Karen Lowens is very happy because Roger called. Joel Myers and Marv Lipper were guests at Sunday dinner on the sixth.

Joyce Emmick, Sue Olsen and Judy Meer (Bob's sister) were at Sigma for the weekend. Carol David was in from Larchmont visiting Dorbie Hughes. Carol is looking over Alfred, to decide if she'd like to attend school here. Ed Bloss was in from Pennsylvania to see Jess. Ferd Ryder was visiting Barb Frerichs. Bill Robbins was in to see Nancy Rhodes. Sunday dinner guests were Dr. and Mrs. Sibley, Lt. and Mrs. Quinn and Mr. and Mrs. MacDonald.

Omicron had a "Mystic Madness" party at the house Friday night. Some of the costumes were so mystic that you couldn't tell who was who. All the rooms were decorated, each one with a theme. A voodoo temple, a spider's web and a medicine man's hut were among the themes chosen. Mrs. Boyce dressed as a fortune-teller and told fortunes with cards. A skit was presented, depicting some of the humorous occurrences around the house, and the girls involved in them. Pizza from the Union and punch were served. Mr. and Mrs. Zulia and Sgt. and Mrs. Thomas chaperoned and guests were Mrs. Houghton, Poofie and Bob and Jeanne Fields and Jim Rogers. Barb Payne and Pat Kirk were back. Joan Gracyk (Bob Haver's fiancée) stayed at the house last weekend. A bay boy, Daniel Carl, was born to Susie Radley McCollister on November 1.

Anita Ziegler went to Union for the weekend. Immie Braman went home.

The Castle had a freshman "cocoa" last Sunday afternoon. Margaret Deck's brother was in Alfred last weekend. Pat Clark ('54) became engaged to Gabe Russo (Klan Alpine '54).

So long until December. Have a nice Thanksgiving.

## Assembly Hears Speaker; Argentina Is Main Theme

On Thursday, November 10, Alfred University was visited by Dr. George I. Blanksten. At 11:00 A.M. he was introduced to the assembly by Dr. Engelmann.

The topic of Dr. Blanksten's speech was "Argentina After Peron."

Dr. Blanksten stated that prior to the time of Peron's ascent to

power (1943), Argentina had been one of the most democratic of the Latin American countries, and had an extremely high standard of living. He further stated that after the military revolution to 1943, a dictatorship was set up which strongly entrenched the power of Peron. Dr. Blanksten pointed out that Eva Peron was as much in power as her husband through her influence in the General Confederation of Labor, and that her death in 1952 was one of the major causes of the overthrow of Peron on September 19, 1955. The other causes of Peron's overthrow revolved around the military problems that arose and his excommunication from the Roman Catholic Church in 1954.

Dr. Blanksten ended his speech by stating that although the government of Argentina is now in the hands of a new president, in reality a dictator, there are still many difficulties to be ironed out, among these finding a positive, unifying force to replace the negative one which was only valid when the overthrow of Peron was the common incentive.

For that reason we should view the new provincial presidency of Argentina with cautious optimism.

The speaker studied at the University of Chicago, received his PhD at the University of California, Los Angeles (UCLA), and is now an Associate Professor of Political Science at Northwestern University. Before his present position, Dr. Blanksten worked for the State Department, traveling in Latin America under the auspices of the Ford Foundation and the Social Science Research Council, to mention a few. He has also written two books, one concerning Ecuador and one concerning the Argentina of Peron.

### Economic Movies Shown Tomorrow

Tomorrow afternoon the Economics and Business Department will present three films released by Buchan. The showing will be at 12:00 and at 4:00 p.m.

Starting the program will be a twenty-five minute film entitled "Once Upon the Wabash," which tells the nature and scope of the Wabash Railroad Company. "Every Seventh Family," a twenty-six minute film which is all

### Money, Money

The Book Easy will be open, starting today, on Tuesdays, from 11:00 A. M. to 12:30 P. M., on Wednesdays and Fridays from 1:30 to 4:30 P. M., on Thursdays from 11:00 A. M. to 12:15 P. M., on Mondays from 1:30 to 4:30 P. M., and daily from noon to 12:15 P. M. to pay out money for the following books sold: \$24, 953, 1149, 1282, 1344, 1368, 1389, 1487, 1668, 1716, 1826, 1902, 1928, 1933, 1951, 1953, 1955, 1959, 1995, 2005, 2011A, 2018, 2023, 2025, 2051, 2052, 2053, 2055, 2060, 2061, 2074, 2075, 2078, 3009, 3022, 3025, 3048, 3061, 3066, 3071, 3073, 3075, to 3077, 3082, 3086, 3087, 3089, 3092, 3099, 3101, 3113, 3115, 3116, 3135, and 3144 to 3149.

Students are requested to check their Book Easy receipts for the above listed numbers, bring them to the Book Easy, and collect their money.

Your help is urgently requested to complete these payments as soon as possible.

### Sociology Students Visit Industry State School

Seventeen sociology students from the University journeyed to Industry, Wednesday for a tour of the New York State Agricultural and Technical School located there.

The students, all members of a class studying social disorganization, were led by their instructor, Alexander Kuman, assistant professor of sociology here. It is one of several such trips made by sociology students at Alfred during the school year.

"The trip to Industry," explained Prof. Kuman, "enables our students to get a first hand look at the operation of a reform school and goes far towards a better understanding of the social problems we talk about in the classroom."

The reform school at Industry houses boys up to 16 years of age. It is an annual trip for students of social disorganization.

about the positive help of consumer credit, follows.

"Going Places," a ten minute color film, will close the program. Using a cartoon form it stresses the need for continued industrial profits.

All are welcome to see these films which are shown in room 6 of South Hall.

## Bi-County Council Meeting Held Here

The Steuben-Allegany Bi-County Student Council conference met last Tuesday for the second consecutive year at Alfred University. The conference coincided with the university's observance of American Education Week, November 6-12.

Corning Free Academy and Andover Central School were the two host schools this year and students from the two school served as hosts during the one-day meeting. The conference was held in Howell Social Hall on the university campus.

The planning committee for this year's affair was comprised of Wilbur Miller, principal of Corning Free Academy; Donald Gibbs, guidance director for Andover Central School; and Professor Joseph Norton of the Alfred University Graduate School.

Professor Norton, in commenting on some of the basic functions of the group said that the student council conference "fosters the growth of student leadership and stresses the importance of the work being done by high school student councils in the two-county area."

Guest speaker for the gathering was Malcolm J. Freeborn, principal of the George Junior Republic School in Freeville, N. Y. His topic was, "The Role of the Student Council."

Following the general meeting, the delegates broke up into small groups for discussions on various phases of student council activities.

## Semantic Engineers

On Friday, November 18, the English Club will hold a meeting in room 12, Alumni Hall. The agenda for the meeting has not been decided upon as yet.

At the last meeting, which was held Friday, October 28, officers were elected by the club. They are Pat Miller, president; Merle Chait, Vice President; Mel Millman, Secretary; and Jim Kenyon, Treasurer.

It was also decided at that time that the club be open to all who are interested and not just to English majors.

## Football

(Continued from page one.)

fumbled on his own 17 yard stripe and Charlie Shultz was there to fall on it for Alfred. A five yard penalty against Hobart for delay of the game gave AU first and 5 on the 12. Bill Chaffee got the first down by racing to the 6.

## Undeclared

A run by Al Moresco thru tackle put the ball on the 3, and a 2 yard run by Weaver put the Warriors on the 1. On the next play Al Moresco drove over the center of the line for the TD that gave Alfred a perfect season. The TD came with 2:25 gone in the final quarter. Al Weaver's kick for the extra point was wide, but AU had a 6-0 lead.

The Hobart team attempted to move on the next series of plays, but the payoff came when Stan Ren blocked a Lambert pass on third down to force the Orange and Purple to punt. The Saxons could get no where and Moresco had to kick to Hobart's Lambert on the 30. He got as far as the 34 when Jim Murphy hit him.

On two plays Hobart got to the 42, and on third down Gary Mendez got the first down on the 46 only to fumble and John Farnan got the ball for the Warriors. On four plays the Saxons could get nowhere and Moresco punted out on the Hobart 8. A run by Bill Sammis got to the 12, but on the next play he attempted a pass. On the 20 yard line John Zluchoski grabbed it, and Mr. Z ran it back to the 6. A penalty for delay of the game put the ball on the Hobart 3. Runs by Moresco, Abbott, Weaver and Moresco got the ball to the Hobart one-half yard line but a great goal line stand stopped the Warriors from scoring.

## Crazy Crowd

With just 35 seconds remaining Hobart got possession. On the first play Keenan picked up 1 yard thru the middle. On the next one Warren Kimber tossed a long pass which Al Weaver intercepted on the 37 and ran all the way back into the endzone for an apparent TD as the gun went off. With everyone jamming the field and the goal posts being torn down the officials tried to restore order. After much commotion an offside penalty was called against Alfred and the play was called back.

Once the field was cleared Hobart's Kimber raced up the middle for 3 yards as the gun went off again giving the Purple and Gold a perfect 8-0 record and a hard fought 6-0 victory.

**EXTRA POINTS** — Game statistics yards rushing AU 194, Hobart 93. . . Passes attempted AU 9 Hobart 12, completed Hobart 5 Alfred 4. AU got 74 yards passing to Hobart's 45. Both teams intercepted a pass. . . Alfred lost 30 yards in penalties to the Statesmen's 11. In fumbles AU was behind 5-4, Hobart lost 4 AU 3. . . Alfred made 14 first downs to 10. . . Hobart record was 6-1-1, Alfred finishes at 8-0. . . Teams will not meet next year as the contract expired and is not being renewed. Al Bilanski got the game ball.

Jim Ryan led AU on the rushing parade with 44 yards on 9 carries. . . Weaver had 33 in 10, Abbott 14 in 4, Moresco 22 in 9, Hartnett 26 in 5, Chaffee 22 in 8, Zluchoski 28 in 9 and Shultz 12 in 1. . . Harrison led Hobart on the ground with 42 in 15. Keenan had 19 in 9 and Mendez 14 in 6. . . For Hobart the big man was Art Lambert who kept the squad going. . . A few more like him and things might have been different. . . AU team now gets a much needed rest. . . There probably will be a victory dinner later in the year.

Every so often we hear from someone who thinks he can write better quips than these, which is possible.

## Frosh Feast, Sing At Brick Banquet

The Freshmen Banquet was held in the newly completed Brick dining room, Wednesday evening, November 9, to conclude this year's orientation activities.

Included among the 371 people present at the banquet were members of the freshman class, new students, student advisors and guests.

Preceding the dinner Chaplain Breidenberg gave the invocation. After the dinner the Chapel Choir, under the direction of Mrs. Samuel Scholes, sang "Creation," "Alfred Evening Song," "Prayer to Saint Catherine," "Pray for Me," and "Skip to My Lou."

President Drake then gave an address entitled, "What Is College For?" In this speech he reminded the freshmen that Alfred offers many opportunities which every member of the class could benefit from.

## Nursing Dept. News

I. Vernetta Grau, Dean of the School of Nursing at Alfred University, and Minnie C. Wolcott, Assistant Professor of Nursing, attended a meeting of the Genesee League for Nursing at Strong Memorial Hospital in Rochester, last Wednesday.

A professional organization concerned with nursing education, the Genesee League for Nursing meets four times during the school year. Last week's meeting was the first this year.

Dean Grau is a member of the Board of Directors of the league. Theme for the meeting, which will also be the subject of the subsequent meetings, was "Accreditation—Its Implication in Nursing and the Community." Miss Dorothy Smith, resident consultant at Hartford Hospital, Hartford, Conn., was guest speaker for the occasion.

## International

The International Club held a square dance on November 11 in Howell Hall. Non-members as well as members turned out to dance to folk records. Laurie Gregor and Mike Selsie taught the group some Hebrew dances.

This was the first time that many of the students had ever done American folk dances. After the dancing, refreshments of cider and doughnuts were served. Jenny Floch was in charge of the affair.

## Couples Club

The couples club, sponsored by the Union Church, will meet next Saturday, November 19, at 7:30 p. m. at the Alfred Rod and Gun Club. All married couples are welcome.

## Lost

LOST — Pair horn-rimmed eyeglasses, green case. Lost in Men's Gym. Steve Sperber, room 405, Bartlett Dorm.

LOST — Navy blue jacket, checked inside. Lost sometime in October. If found, return to K. Lehman, Cannon Hall.

FOUND — Charcoal topcoat. Found on the team bus last Saturday. Contact the FIAT office, 5402.

**FALSE HUMOR COSTLY**  
Columbia, S. C. — In some way the rumor got around that H. H. Brazzell was planning to plow his seven-acre watermelon patch and anyone wanting the melons could take them. Before Brazzell could scotch the rumor, more than 1,000 melons were taken.

## Winter Carillon Schedule Announced by Wingate

The winter carillon concerts at the University will be presented every Friday from 4:30 to 5 p. m., and Sundays from 3 to 4 p. m., according to an announcement made today by Dr. Ray W. Wingate, carillonneur. The schedule begins this week and will continue until May 1.

Special concerts are scheduled for Thanksgiving from 3 to 4 p. m., Christmas Eve from 11:45 to 12:15 a. m., Christmas Day from 3 to 4 p. m., New Year's Eve from 12 midnight to 12:20 a. m., and New Year's Day from 3 to 4 p. m.

## Review

(Continued from page one.)  
30 TD's and 10 extra points. Leading the Saxons in scoring was Jim Ryan with 9 touchdowns and 1 extra point for 55 points. Charlie Shultz's 5 TD's and a PAT was second with 31 markers.

Top man in rushing was Jim Ryan with 553 yards gained in 92 carries. This gives Jim a total of 1179 yards gained in his two years at Alfred. Number two Saxon was Bill Chaffee with 344 yards on 58 attempts. Aver-

agewise it's 6.1 for Ryan and 5.9 for Chaffee.

In the passing department Al Moresco netted 254 yards on 12 completions in 32 attempts, 4 going for TD's. Jim Hartnett completed 13 of 34 for 157 yards and 2 went the distance.

Charlie Shultz caught 10 passes for 147 yards with 5 going all the way. In the punting department Al Moresco booted the ball 25 times and had an average of 37.5, with none being blocked. In two years Jim Ryan has scored 93 points for AU.

The AU record of 8-0 places the Alex Yunevich coached team as the only undefeated team in the State of New York. Saturday's victory also stopped the winning streak of Hobart at 19 in a row. The Alfred team has now scored in its last 40 games. Last team to shut AU out was UB in '50 when it won 13-0.

Besides the outstanding backs the Saxons were blessed with a great line of regulars. John Dennis and Chuck Shultz, aided by John Farnan and Jim Murphy held down the end spots while the line of John DeSantis, Al Bilanski, Chet Micicche, Nick Teta, Don Carlin and George Meyer was unstoppable.

Although this was the greatest year in the history of the sport at Alfred, next year promises to be a great one as the entire backfield will be intact.

## Disa And Data

by Al Siegel

This is the time of the year when most sports editors get what is known as the "All-American" fever. Just about everyone starts out by picking his choices, and once this is finished the editors are happy until the basketball season ends.

Here at Alfred we have some All-Americans. Last year, along with Patsy Lattari, Al Bilanski and Don Carlin were named to All-American squads. Before this season started Carlin was picked on the Saturday Evening Post All-East team. These boys, and maybe one or two others on the line or Jim Ryan in the backfield could make it again this year, but in any event the Purple and Gold should get one All-American. His name—Charles Shultz.

Chuck is now in his junior year at Alfred and has completed his third year on the varsity football squad. The 19 year old 6-1 end out of Turtle Creek, Pennsylvania has been a mainstay of the Yunevich machine for the past three years.

In his first year Chuck broke into the starting lineup and had an average year. Last year Shultz was good. Just a few of the highlights of the Amazing Mr. Shultz season come to mind. . . . Against Cortland last year he ran for 53 yards and a TD with a Patsy Lattari pass. . . . An 11 yard pass to Shultz set up the lone TD to be scored in last year's 7-6 win over St. Lawrence.

He recovered a fumble on the UB 38 which led to a Saxon TD. . . . A completed 30 yard pass play against Hobart got the ball in scoring position. This almost led to a TD. . . . This was Shultz last year. If he was good then he's even better this year.

The Olean Times-Herald has listed Shultz as the only pro prospect in the area at the end position. This information was given to the Los Angeles Rams. Shultz has the capabilities. The 184 pounder has good speed, a great pair of hands and is one of the best defensive men around. He also out-thinks the opposition.

This season Chuck was a big factor in every Purple and Gold contest. Fans at the Brockport game will remember Shultz's TD catch. The FIAT story read ". . . Shultz racing and faking down the sideline, then cutting towards the goal post completely confused the Eagle's pass defense and was all alone waiting for the pass on the 10 yard line and easily scampered over for the TD." The play went 55 yards.

Game number three saw Shultz just about repeat his great catch of the first contest. Racing downfield he seemed to pull the ball out of the air when it was beyond his grasp on the 10 yard line. He caught it and went the rest of the way pulling a would-be tackler along with him. This play covered 53 yards. In this game he also broke through to block a St. Lawrence punt which led to a touchdown.

Against Albright Chuck also came through when the going was rough. The Lions were driving for what could have been the winning TD with just a few minutes left in the game when they had a fumble in the backfield. Shultz recovered and the Purple and Gold were home 13-7 victors. . . . Alfred's first TD was set up when Charlie blocked a pass, and another Saxon All-American, Al Bilanski intercepted it on the Lion 32. Soon after Jim Ryan went over for the TD. The Kappa Psi flash then caught the extra point. This was quite a night for Charlie.

Against Ithaca Chuck almost single handedly stopped a touchdown drive. Two runs to his end gained three yards and on a third try he broke through and threw his man for a 10 yard loss to get the ball for AU on the Saxon 15 yard line. This was as close as Ithaca's Bombers got all night.

Buffalo saw more than enough, of

### Table Tennis

The fall tournament of table tennis at Alfred is now in its third week of competition, with the finals occurring just before the Christmas vacations.

The tournament director has seeded eight contestants. They are Gopal Agrawal, Moshe Carmi, Joe Finlayson, Tom Robinson, Jay Friedenson, Dick Lim, Earl Gelman and Howie Jarolman.

Others in the competition include Lloyd Berrin, Dick Story, Ed Lasky, Charlie Greenhouse, Max Sluctlak, Bill Bassett, Dick Ormsby, Ted Olsen, Bob Littell, Mg Lu Gwyne, and Frank Finnerty.

Although it is too late to enter the contest now, all those who would like to play table tennis are invited to come to South Hall and work out on Sunday afternoon.

Chuck Shultz

Mr. Shultz as he scored on a 28 yard TD pass and followed it up with a 30 yard touchdown. In all Charlie caught 4 passes against the Bulls and was all over the place on defense. Against Kings Point he was on the receiving end of all 3 Saxon passes and he gained 78 yards. One of the passes went for 34 yards and a TD and another set up a TD.

The Hobart contest was one of the biggest factors. His decisive lineplay was superb. Besides being in on almost every tackle, he was all over the place. Chuck recovered two fumbles for the Warriors, and his recovery on the Hobart 17 led to the only touchdown of the contest.

Coach Yunevich used the end around for the first time in the Hobart clash, and it was Chuck who ran it. Shultz picked up 12 yards and a first down in his only attempt at rushing for the year.

Before coming to Alfred he was a top flight end for Turtle Creek High. Right now Charlie could be playing for almost any team in the nation, and if Alfred has any one man deserving of an All-American berth it's number 38, Charles H. Shultz.

by Jay Liebowitz

With the opening game against Brockport State just nine school days off Coach Jay McWilliams has his varsity basketball team working at top speed to be ready for the contest.

This year's varsity has the promise of being a top flight club as it boasts a little of everything. It has speed, good shooting, good ball handling and it is probably the tallest team in the school's history.

Small man on the club is Lennie Rapkin, who at 5'4" is America's smallest varsity college basketball player. Only one man of the 15 who are working out with the varsity is under six feet tall. This is Buzz Von Nida who stands 5'11".

Four players stand an even six feet. They are Harry Buback, Howie Jarolman, Paul Boehme and Dave Brison. Bob Green, Ted Olsen and Marty Schiff are 6'1". John McNamara is 6'3" and Harry Miller, Bill Balle and Millard Evak all stand 6'4". Starting center Bob Corbin is 6'7" and his replacement, Phil Baker is 6'8".

This height should aid immensely in the team's attempt to control the backboards. This height may be necessary, as the opposition will have some big boys to oppose the Warriors. In the opening game it is expected that the Brockport starting center will be 6'8" Bill Reynolds, and that the other teams will also have boys to match his height.

On the freshman squad there is only one big boy. He is 6'6" Gene Drew. Next in line is 6'3" Paul Feeley. In the 6'2" class is Roger Shields and Charles Stirling, while Steve Cohen stands 6'1". At the 6' level are Gary Tucker, Bob Reitsema, Charles Bradt and George Graves. Standing 5'11" are Cyrus Berlowitz, George Kokis, Don Wilkowiak and Joe Byrnes. Charlie Greenhouse is 5'9" and Bob Good is 5'8".

This lack of height will hamper the rebounding power of Patsy Lattari's squad but with hustle and speed to make up for their lack of height the team could come through with a good season. With the football season out of the way Patsy joined his squad for the first time yesterday.

## Finnerty Takes Middle Atlantic Freshman Meet

Frank Finnerty, Alfred's freshman cross country sensation ran away from the field as he won the Middle Atlantic freshman championship at Allentown, Pennsylvania on Friday.

The Saxon star was timed in 16 minutes and 59 seconds for a record on the 3.2 mile course. He won by 150 yards and broke the old standard by 14 seconds.

As a team the AU frosh finished second to the powerful St. Joseph of Philadelphia squad. There were more than 75 entrants from 10 schools.

Other Saxon frosh who placed included Larry Eaton, 14; Bryan Foster, 16; Jim Fisher, 20; and Joe Connor, 21. The frosh also competed as a team yesterday at the IC4A meet in New York City.

The varsity finished fifth, with the St. Joe team also taking the varsity competition, in a field of 12. Leading the way was Frank Gilbert, who was 11th. Doug Smith took 14th. Dave Wilcox came in 24th and Bruce Boulton and Barney DiBenedetto finished 50th and 53rd.

Dr. Milton Tuttle, the Saxon coach was highly pleased over the showing of his Alfred runners.

### Intramural Statistics

	Won	Lost	Tie
Klan Alpine	6	0	0
Delta Sig	5	0	1
Lambda Chi	5	1	0
Kappa Psi	4	2	0
Kappa Nu	3	3	0
Rodies	3	3	1
Bartlett	2	3	1
Ards	1	4	1
Cannon	0	6	0
Mosts	0	7	0

Both teams open up on the road against Brockport State Teachers College on Saturday, December 3 and on December 6 they open the home season. The frosh will be playing the Rochester Institute of Technology JV's and the varsity will have the McMaster University quad as the opposition.

## FIAT's Answer To The HERALD

The following article was printed on page one of "The HERALD," the Hobart and William Smith newspaper on the day preceding the Alfred game. It quotes a paragraph from last week's Disa and Data column in the FIAT.

"If anyone at Hobart reads this you had better warn your team because the Saxons are coming, spectators, bands, and team,

and when we leave the final score will show the Purple and Gold of Coach Alex Yunevich as the top team in New York State."

"Hobart predicts the final score will show Yunevich's Purple and Gold to be Black and Blue and in a much sadder state than New York."

The preceding paragraph was the Hobart answer to the FIAT story. Alfred's answer was in the outcome of the contest.

Cafeteria supper, Almond Library, Wednesday, November 16. Starts at 5:30 p.m. 44-1tx

"Should I have phoned first, Gladys? ... uh ... er ... Gladys?"

It's a known fact that absence makes the heart grow fonder—for someone present! So if distance is destroying your dolly's devotion, keep her moaning for you by phoning. Feed her your line with a steady Long Distance diet. It won't wound your wallet either—because you get Bargain Rates every night after 6 and all day Sunday. So before you get up in arms because she's in the arms of some home-town hayseed, give her a ring—on the telephone, that is. New York Telephone Company.

What young people are doing at General Electric

## Young engineer decides what colors are best for G-E reflector lamps

Which color of light makes people look natural? Should a blue light be used more often than a red? What kind of effect does a violet light have on merchandise?

In recent years, color lighting has become so important in stores, restaurants, theaters, and displays that General Electric developed a line of new easy-to-use color-reflector lamps for this market.

The man responsible for deciding which colors are most effective for users of these lamps is 29-year-old Charles N. Clark, Application Engineering Color Specialist for General Electric's large lamp department.

### Clark's Work Is Interesting, Important

In a recent series of tests, Clark made a critical appraisal of literally hundreds of color-filter materials to find the ones that produced maximum results but were still suitable to high-production techniques, practical stocking and simplified selling. This experimental work also had to take into account all the information on human perception of color.

### 25,000 College Graduates at General Electric

When Clark came to General Electric in 1949, he already knew the work he wanted to do. Like each of the 25,000 college-graduate employees, he was given his chance to grow and realize his full potential. For General Electric has long believed this: When fresh, young minds are given freedom to make progress, everybody benefits—the individual, the company, and the country.

CHARLES N. CLARK joined G.E. in 1949 after receiving his B.S. and M.S. (in E.E.) from the University of Wisconsin. He served two years with the Navy during World War II.

Progress Is Our Most Important Product
