Do You Know Your Numbers?

The Human Resources Department along with Blue Cross Blue Shield of Western New York is presenting a campuswide program called "Know Your Numbers." This one-hour presentation will take place in the Nevins Theater on Thursday, May 23 at 10 a.m. and is open to all AU faculty, staff, and the community.

The program tells you how your waistline, blood pressure, and total cholesterol count can affect your long-term and short-term health and how knowing your numbers can help you and your doctor take action to make sure you lead a healthy and long life.

This program is a precursor to a health fair we plan for early fall so come and learn how a little bit of knowledge can make a big difference.
