### **Be Considerate: Winter Parking on Campus**

Once again winter has found Alfred and with that the parking problems that go along with it. I would like to ask everyone parking a vehicle on campus to park in an orderly fashion. A number of vehicles have been taking more than one space causing a bad situation. Please, when you're parking your vehicle think of the others that need to park with you. Thank you for your cooperation.

### Professional Image Makeover Contest!

The Career Development Center is looking for one junior or senior from each of the colleges - Liberal Arts and Sciences, Engineering, Business, and Art and Design - to undergo a professional image makeover.

You will work with the CDC to develop a unique image or "brand" as a way to present and market yourself to potential employers.

Creating a personal, professional image will help you to:

- \*Differentiate yourself from others in similar fields
- \*Position yourself clearly in the minds of others (especially potential employers)
- \*Project credibility
- \*Develop loyalty
- \*Make emotional, visceral connections

This image makeover will include a clothing, resume, business card and portfolio makeover, aided by personalized wardrobe and graphic design consultations.

The image makeover will culminate in a presentation at the annual Etiquette Dinner and Professional Image Show, sponsored by Kohler Co. on March 26, 2009.

There is a minimal time commitment necessary, but the experience will be a valuable one - plus you will come away with a stellar resume, portfolio, and some nice clothes! Selection will be based on a review of the application and personal statement.
