Pour for Haiti, Benefit for the Earthquake Victims of Haiti

@ the Foundry: Saturday Feb 6th 2-8pm

You and members of the community are invited to participate in making their own 'relief sculpture'. With the help of foundry students you will be able to carve your own unique design which will then be cast in metal. This is open to adults and children with adult supervision; Anyone can do it for a small donation to Haiti relief!

Or you can just come watch the action too! All of the sculptures made will be cast that day and participants will be able to take their 'relief sculpture' home with them.

All money raised will be donated to a legitimate charity working with the earthquake victims.

Alongside the casting of the relief sculptures will be several other exciting fundraising events including music, 'Guild Cheese' sandwiches, toasted marshmallows, 'Art Auction' and a 'Raffle' of goods and services donated by local businesses.

Find out how you can help by:
