Mr. Blakeslee Barron,  
Alfred, New York.

Dear Mr. Barron:-

I have received report from the  
Class Counsellors that you are not  
doing good work in German, Calculus,  
Physics or Spanish.

I would like to have you come and  
see me as soon as you can arrange it,  
so that we may talk the matter over  
and find out where the difficulty lies.

Yours very truly,

Director.
