Summer Hours for Alfred University Effective May 16

Starting Monday, May 16 and continuing through Friday, Aug. 12 the University will again follow a summer work schedule.

Most departments are authorized to set their summer hours between 8 a.m. - 4:30 p.m. with a half-hour for lunch, contingent upon supervisor approval. It should be noted that the same number of hours normally worked each day should be worked during the summer as well.

Chemical Waste Removal May/June 2011

The Spring/Summer chemical waste removal will occur during June 2011. Both hazardous and non-regulated waste will be accepted.

ALL chemical waste must be received in your respective Central Accumulation Area (CAA) no later than Wednesday, May 25, 2011. Advanced Waste Solutions will be packaging for transport beginning Wednesday, June 1, 2011. NYSCC contact Shanti x2497 or Dean x3020 (Harder Hall and McMahon CAA's); non-statutory AU contact Dean x3020 to arrange for receipt of your waste in Myers Hall CAA.

All Satellite Accumulation Area (SAA) labels MUST be filled-out completely with EPA# for respective college, building name, Room # or area name, start date, initials, chemical name(s) of constituents in the accumulation container with volume or weight, and waste characteristics PRIOR TO receipt in the Central Accumulation Area. Note: Per EPA regulations you have only 72 hours from an SAA full date to transfer the container to the proper CAA. SAA containers must be compatible with the waste (no food or beverage containers are allowed), capped or sealed with container lid, have clean exterior, and SAA label easily legible. If you have any questions contact Dean Perry.

All Satellite Accumulation Areas MUST BE EMPTY by Wednesday, May 25, 2011 with a notation to that effect made on the SAA Weekly Inspection sheet for the week of May 23rd, 2011. All Hazardous Waste and Non-Regulated Waste Log forms must be completed at the time the SAA waste is brought to the CAA or received by Dean Perry no later than Tuesday, May 17, 2011, and may be hand-delivered (Myers Hall 117), faxed (x 2086), or e-mailed (perrydr@alfred.edu).

Advanced Waste MUST have this information prior to packing in order to obtain required approvals from the TSDF. Required forms are available at <http://our.alfred.edu/ind...> under the heading "AU EHS Forms". You may still accumulate waste and add to your list notifying Dean of the additional waste by hand delivering, faxing or e-mailing a NEW waste log sheet adding the word "Amended" to the title no later than Wednesday, May 25h, 2011.

If you have not yet submitted your 2011 chemical inventory (due June 15, 2011) or updated your MSDS's and MSDS Online database, please do so by the June 15th deadline.

Dump-N-Run

AU students who live in residence halls are being encouraged to 'dump' their usable items in designated areas before they 'run' off to family and summer jobs. They can find large boxes in the lounge area of each residence hall.

Students from Ford Street Apartments can drop their donation off in Oppenheim or any other residence hall that is convenient.

Dump and Run has been very successful in past years and we anticipate this year's will be also. The sale will be held on Friday, May 20 from noon-6 p.m. and Saturday, May 21, 9 a.m.-4 p.m., at the Davis Gym on the AU campus.

Items not sold will be given to charitable organizations. Non-perishable food items will be given to the local food pantries. All money from the sale will be shared first with campus organizations which helped with the collection and sale, and then to other local charitable organizations.

For additional information contact Cherise Haase at 607.871.2190 or e-mail at haasec@alfred.edu.

ITS Faculty Summer Institute 5/17 - 5/19

ITS is pleased to offer three days of workshops for faculty following the end of the spring semester. Many of the included topics have an instructional focus. There is no minimum attendance requirement; participating faculty may attend as many or as few sessions as they like.

Please see the attached flyer for information on each session. All classes will be held in 306 Perlman Hall.

To sign up for a session, please contact Meghanne Freivald at 607.871.2363 or via e-mail.

Should We Add a Summer Blood Drive?

The blood supply is very low right now, and the Red Cross has asked that we consider running a summer blood drive. If you will be around this summer and think you'd participate, could you e-mail me? That will help me figure out if we're close to the 20-25 donors they'd need to run a decent summer drive.

Thanks - Kathy Woughter, woughter@alfred.edu

Used Electronics and Scrap Metal Removal

Please search out all unwanted electronic equipment that would qualify for recycling based on the AU Electronic Disposal Policy. Office equipment, non-alkaline rechargeable batteries and scrap metal will also be collected for recycling.

Submit Electronics and Scrap Metal Disposal Survey Form(s) to Dean Perry no later than Thursday, May 19, 2011 - perrydr@alfred.edu or Myers Hall, Rm. 117. Chairperson, Supervisor or designee should coordinate department survey efforts to eliminate duplicate submissions.

Collection of material will take place Tuesday, May 24, 2011. Place a sign or label material "For Electronic Recycling" and store in an easily accessible area. On the survey, provide the specific material storage location, name and phone number of contact person.

NYSCC personnel should submit survey as outlined above but place material for recycling in the hallway outside of your door.

Contact Dean Perry for questions, X3020.
