Updated Instructions for Support Staff Web Time Entry

After reviewing the initial practices set up during implementation of Web Time Entry, it has been decided that it would be best to make a slight change in the use of the EXCUSED code. If you are out of the office to attend an approved conference or seminar, this should now be recorded as time WORKED, not EXCUSED time. The EXCUSED code should be used only for time out of the office that is not related to your job; medical/legal appointments, jury duty, bereavement, 1/2 day religious observance, or emergency closing.

Also, over the last year, with new updates to our BannerWeb, additional functionality has also become available that you may not have been aware of. The current instructions include references to these and may make this process more user friendly to you.

Please find the updated Instructions at the following HR link.

Mastercard Monthly Help/Training Sessions

Mandatory training is required for all new cardholders as well as new card reviewers (anyone that logs in to reconcile transactions) before a credit card will be given or access to the new MasterCard website.

With the migration to JPMorgan Chase MasterCard in January 2013, including a new website program, we want to offer additional help until everyone feels comfortable with the new program.

We will begin having the help/training/refresher sessions on the second Wednesday of each month from 1-2 p.m. in the Banner Training room located in Howell Hall beginning Feb. 13, 2013.

To apply for a credit card, an application needs to be completed, including the required signatures. The completed applications should be sent to Office & Procurement Services attention Sue Peck. Once the application is processed the program administrator will receive the card within 10-15 business days. You may have the card training within thirty (30) days of receipt of the card.

We are hoping these extra sessions will be helpful and would appreciate any of your suggestions.

If you have any questions please give us a call at x2698.

'New Morphologies': Studio Ceramics and Digital Processes

Schein-Joseph International Museum of Ceramic Art presents "New Morphologies: Studio Ceramics and Digital Processes," a guest curated exhibition by Del Harrow and Stacy Jo Scott. The exhibition will be on view Feb. 7 to April 5, 2013.

"New Morphologies" is an exhibition highlighting work that emerges from the encounter between the physical materiality of ceramic objects and the ephemerality of digital information. The exhibition features both national and international artists who are currently using 3-D Ceramic printing methods in their making process.

The Ceramics Museum is located on the top floor of Binns-Merrill Hall, open Wednesday - Friday, 10 a.m. to 4 p.m.

There will be an opening reception in the Museum Thursday, Feb. 7, 4:30 to 6 p.m., and a Curator's Gallery Talk Friday, Feb 8, 4:30 to 5:30 p.m. All are welcome!

3-D Ceramic Printing Workshop with Dries Verbruggen, of Unfold Design, Belgium will be Friday and Saturday, Feb. 8 and 9, 9 a.m. to 4 p.m. in the FlexSpace, Senior Ceramics, McGee Art Pavillion.

AU Faculty Research Mentor Award

Provost Bill Hall is pleased to announce the establishment of the Alfred University Faculty Research Mentor Award.

The University intends to acknowledge and reward faculty who are outstanding undergraduate

research and scholarly activity mentors across the campus, i.e., those individuals who are outstanding mentors to students engaged in research or scholarly activity and are actively engaged in being research/visual-performing artists themselves.

One award each year in the following categories: physical and life sciences, undergraduate engineering, social sciences, humanities, visual and performing arts, and professional studies.

The award in the amount of \$500 of faculty development money will be presented at the Honors Convocation on April 26, 2013. The nomination period for this award is Feb. 1 through Feb. 22, 2013; nominations are to be sent to the Awards Committee at argus@alfred.edu. The attached document explains in detail the process and selection of the award.

Norovirus

There have been cases of the Norovirus at local ERs. The Norovirus is a virus that causes irritation of the stomach and intestines and generally presents as vomiting and diarrhea. Symptoms of the virus will continue for several days but you should notice gradual improvements.

If you feel like you have the Norovirus:

For the first 8-12 hours drink only clear liquids (water, Gatorade, apple juice, 7-up, etc.

After that, begin bland foods (bananas, plain rice, applesauce, toast, mashed potatoes, etc)

Wait until you feel well for 24 hours before trying spicy/greasy foods or any dairy products

Do Not:

Use over-the-counter medication to stop the diarrhea, unless told by your doctor or Health Services or

Drink beverages with caffeine or ingest dairy during this illness

Call your doctor if you experience any of the following:

Increase of constant pain

Inability to retain fluids

Continuously high fever

Decreased urination

Red or black bowel movements

Confusion, unusual sleepiness or drowsiness

Abdominal pain that remains in just one area

Flu Season

Flu season is in full swing and, unfortunately, most of us know someone who has had the Flu already this year. Here are some prevention tips from the CDC to help you stay healthy:

Get the Flu vaccine.

Cover your nose and mouth with a tissue when you cough or sneeze. Throw the tissue in the trash after you use it, don't recycle and re-use it.

Wash your hands often with soap and water. If soap and water are not available, use an alcohol-based hand rub.

Avoid touching your eyes, nose and mouth. Germs spread this way.

Try to avoid close contact with sick people.

If you are sick with flu-like illness, CDC recommends that you stay home for at least 24 hours after your fever is gone except to get medical care or for other necessities. (Your fever should be gone without the use of a fever-reducing medicine.)

While sick, limit contact with others as much as possible to keep from infecting them.

Flu-like symptoms include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills and fatigue. Some people also may have vomiting and diarrhea. People may be infected with the flu,

and have respiratory symptoms without a fever.

For more information go to www.cdc.gov/flu or www.flu.gov

Classic Movie - Suspense Series: 'Vertigo' (1958)

Monday, Feb. 11 at 6:45 p.m.
Nancy Howe Auditorium
David A. Howe Public Library
155 N. Main St., Wellsville
585-593-3410

A retired police detective, who has a fear of heights, is hired by a friend to keep an eye on his wife. This Hitchcock film is considered by many one of the best films ever made. Stars include James Stewart and Kim Novak.

This is the second in a series of three suspense films presented at the Howe Auditorium in February. The third film, "The Sixth Sense," will be shown on Monday, Feb. 25 at 6:45 p.m.

The library-sponsored movie is free and open to the general public.
