Still Looking for the Ideal Work-Study Job? Consider Community Service

There are several rewarding Community Service/Off-Campus College Work-Study positions still available for the Fall and Spring semesters. These positions include tutoring at the local elementary schools (Alfred-Almond, Hornell, and Wellsville), and several other clerical positions.

You must have a Federal College Work Study award and your own transportation (a transportation allowance is available for positions outside of Alfred). This would be an ideal situation for Education majors who commute from Hornell or Wellsville. If you are interested, please contact Mrs. Crandall in the Financial Aid Office. Crandall@Alfred.edu ou may also check the Work Study job bulletin board at www.Alfred.ed.

Wash Your Hands!

Scientists at the University of California at Berkley counted how many times students using keyboards touched their faces (eyes, nose, lips). The average number of face-touches was 47 times, once every four minutes, over a three-hour time period. Remember germs can enter the body through the membranes of the eyes, mouth, and nose. Wow, better go wash or sanitize your hands (and keyboard)!

Electronic Forms Service Now Available from ITS

In an effort to streamline AU's data collection process, ITS is now offering an Electronic Forms service to the campus. AU offices may now convert existing paper forms to online forms using Adobe Acrobat 9 Pro.

Specially formatted PDF forms can be submitted to an E-Forms administration page on the staff portal. The forms are reviewed by ITS and published to the E-forms pages on the staff and student portals.

Once the forms have been filled out, they can be retrieved from a restricted folder on AU's U drive. For the safety of the AU community, ITS cannot publish any forms asking for Social Security numbers or any other sensitive personal information.

Any staff member interested in submitting E-forms for publication must obtain permission from a supervisor and complete required E-Forms training. Training will be provided on an as-needed basis.

To request training, please contact Meghanne Freivald at 871.2363 or via e-mail.
