8/26/14

Eileen P. Goldenberg, AU class of 1974, will present new plates, vases, saltcellars, and cups at the Sausalito (CA) Art Festival, Aug. 30-Sept. 1, in I Booth 205 (at the tennis courts).

Fine art, music, food, and wine come together every year along the Sausalito waterfront for one of the premier art festivals in the United States. Eileen will join some 260 artists from across the country who will be exhibiting paintings, sculpture, jewelry, ceramic, glass, fiber arts, woodwork, photography, mixed media, and more. The juried show features local, San Francisco Bay Area artists as well as artists from across the continent - Los Angeles, New York, Chicago, the Southwest, and Canada.

The festival will be open:

Saturday, Aug. 30 - 10 a.m. to 7 p.m.

Sunday, Aug. 31 - 10 a.m. to 7 p.m.

Monday, Sept. 1 - 10 a.m. to 5 p.m.

Eileen has also received word that her new work will be featured in the winter issue of Studio Visit Magazine, a venue for artists to introduce their work to a serious national audience of art world professionals. Each volume features approximately 150 artists, who have been selected by professional curators. Selected artists are given one full color page that includes an image, contact information, and a brief artist statement.
