Peer Bode, Andrew Deutsch and Rebekkah Palov will present a video event, Carrier Band Live, from 9-11 p.m today at the Experimental Intermedia Center, 224 Centre St. #3, New York, NY.

Carrier Band: Bode, Deutsch and Palov, with historical recordings by Harald Bode, 1949-1986, and Pauline Oliveros, 1970-2002; the video "Uber Organ" was made at the Experimental Television Center in Owego, NY and at Peer Bode's home studio on his hand-built, custom Dave Jones Design, digital frame buffer - experimental video instrument; much as life moves forward and back, so do the frames of the video frame buffer with its 48 frame digital-memory-chamber used for looking and considering nearly fifty years of Harald Bode's notebooks; spanning the years 1937 to 1986, the notebooks of pioneering electronic instrument designer Harald Bode are spaces where a new thinking about sound and future electronic instruments evolved and percolated.; a number of new videos as well as "Uber Organ" will be accompanied by the live electroacoustic music of Carrier Band with Peer Bode performing vocoder/language, Rebekkah Palov DJ and real-time processed samples from the Harald Bode Archive and Andrew Deutsch with live mix featuring the unpublished recordings of Pauline Oliveros.
