

Stevens Tech edges Lady Saxons 1-0

10/11/08

ALFRED, NY Katria Misilo netted the game-winning goal for the visiting Ducks, as she scored on a pass from Erica Risch, sealing the 1-0 victory over Alfred on Saturday afternoon. The Lady Saxons (4-7-1, 0-4-0 E8) played solid defense throughout, nullifying Stevens' barrage of shots (27) allowing only one goal on the day. AU managed just three shots of their own as Stevens' offense dictated play. Senior goalie Amy Buisman (Rochester, NY/Penfield) made five saves for the Lady Saxons in a full days work while Stevens used a pair of goalies, Kaitlin McClymont and Julie Wilkerson, who combined to make one save. Alfred will be in action next on Sunday, October 12, at 2 p.m. when they host conference rival Ithaca College.
