International Conference: Knowledge, Culture, Change in Organizations

ELEVENTH INTERNATIONAL CONFERENCE ON KNOWLEDGE, CULTURE, AND CHANGE IN ORGANIZATIONS

Universidad San Pablo CEU
Madrid, Spain
15-17 June 2011
<http://www.ManagementConf...>

The Management Conference and its companion journal are devoted to those intangible drivers which determine not only the livability of organizations for insiders, and their credibility and attraction to outsiders; but also their tangible results in the form of efficiency, effectiveness and productivity. The intangibles of knowledge, culture and change management do not appear on balance sheets, but ultimately do have an enormous impact on 'bottom lines'.
