2018-19 FAFSA Filing Deadline 3/15/2018

IMPORTANT: MARCH 15, 2018 IS THE DEADLINE FOR FILING THE 2018-19 FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA).

If you will be a student at AU for the 2018-19 academic year...

It's FAFSA (Free Application for Federal Student Aid) filing time!

For 2018-19, you don't have to wait until January 1, 2018! The 2018-19 FAFSA became available on October 1, 2017.

You'll need your Federal Student Aid ID (FSA ID) to sign the 2018-19 FAFSA. Go to <https://fsaid.ed.gov> to create an FSA ID (if you do not already have one).

Proceed to <https://fafsa.gov> to get started with the FAFSA filing.

For 2018-19, you will be using 2016 income information. No need to wait until 2017 tax return is filed!

Use the Data Retrieval Tool on the FAFSA to upload the 2016 income directly from the IRS to more quickly complete the form.

The Alfred University FAFSA school code is 002668.

Upon completion of the FAFSA, you will be directed to "Start your state application" if your home state requires it. For NY State residents, this form is called a TAP Application and is required for TAP and other NY State aid.

For New York State Residents only: Be sure the proper Alfred University TAP school code is listed for both the fall and spring semesters.

Alfred's Code is 0020 for programs in the College of Liberal Arts and Sciences, School of Business, College of Professional Studies, and Mechanical, Renewable Energy, and Undecided Engineering.

Use code 0960 for all other Engineering Programs and the School of Art and Design.

Cohen Artistic Promise Prize Exhibitions: Ladia Guerra & Victoria Kue

Ladia Guerra and Victoria Kue

Cohen Artistic Promise Prize Exhibitions

Friday, February 2 - Friday, March 16, 2018

Ladia Guerra: The Sweat Life

Ladia is fascinated by the artificial world created by contemporary society and is interested in the actions we take to make our lives happier through consumption and social pressure. She observes this by researching American pop culture through social media, television, and personal experience and manipulates her observations through the self. The self acts as a blank canvas to express feelings about her upbringing and her culture.

"The Sweat Life" explores domestic spaces and the way in which we interact in and view them. The artist has created video works conveying the feeling of loneliness, belonging, and the somewhat grotesque nature of private domestic spaces. The videos insight laughter, feelings of unease, and offer a psychological twist on what a domestic space can be through the lens of commercial objects and characters.

www.ladiaguerra.com

Victoria Kue: what's her face.

Victoria's studio practice stems from her query of autobiography and the investigation of the female narrative within her Hmong-American perspective. Victoria's observations from cultural, bodily and emotional experiences direct her approach to material and representation. Her sculpture, installation, drawings and abstractions evoke conversations about self-identity through patterns, color and language.

"what's her face." pushes back at the familial interrogation of a sexually active Hmong-American woman who negotiates and claims ownership with her identity, body and sexuality. Using the house as the setting to confront self-identity, "what's her face." explores placement, function and language within domestic objects as a way to recognize the discomfort, struggles and paradoxes within sexual relationships.

The 2016 Cohen Artistic Promise Prize recognized two graduating seniors whose work, hunger, sustained growth and ambition marked them out as those who would continue on as artists beyond their academic training. The Prize, which granted the recipients concurrent solo shows at the Cohen 18 months following graduation, was designed to foster the growth begun in school, encourage the continuation of artistic practice and support the drive needed to reach full artistic potential.

Cristina Cordova: La Jungla & Mysteries of Place

Opening Reception: February 2, 6:00 pm - 9:00 pm

Alfred Ceramic Art Museum

CRISTINA CORDOVA: JUNGLA

An exhibition of sculpture and drawings by Cristina Cordova. Cristina's figurative work has established her as one of the preeminent ceramic artists of her generation. Her work renders the figure as a mysterious, sensual force of compelling urgency. Her masterful use of the ceramic medium empowers her work with a mesmerizing, at times uncanny presence.

Mysteries of Place

In collaboration with the Institute of Electronic Media, School of Art and Design, Alfred University, has resulted in the magnificent exhibition Mysteries of Place: The Cahaba River Project, prints by Elisabeth Pellathy, Lee Somers and Scott Stephens. This collaboration lies at the core of the Museum's exhibition policy, which acknowledges works in all media. We are pleased to exhibit the work of these particular artists who have strong connections to Alfred University.
