### **'Nature Rules': Outdoor Sculpture Exhibition**

The work of Alfred Sculpture Professor Coral Lambert is featured in "Nature Rules," an exhibition of outdoor sculpture curated by the Brooklyn Waterfront Artists Coalition on Governors Island, located between Manhattan and Brooklyn.

Governors Island is a great place if you are visiting the city to escape for a stroll and have some ice cream. So if you are down in New York City stop on over and check out the art.

The show will be ongoing through October.
