Have You Seen the AU Desk Calendars Around Campus?

Stop by Carnegie Hall, the Business Office, Powell Campus Center and you will see the amazing new yearbooks sitting on countertops, desks, and elsewhere. They are certainly different - an upright 365 page desk calendar that can be used EVERY year because the dates do not have the 'day of the week' written. Seeing these calendars in every office is a great way to build spirit, get people talking, and recognize birthdays of some of our faculty, staff, and Class of 2007 alumni. If you have a little money left in your budget and would like to purchase one for \$25 - just contact Dan Napolitano (Yearbook Advisor) at napolitano@alfred.edu and he'll arrange a budget transfer to the Kanakadea Yearbook and personally deliver it too.
