Free tickets to Saturday's Rochester Rhinos game!

Come to the Rochester Rhinos game Saturday and see AU's beloved L'il Alf entertain the crowd with about 30 mother mascots from area college and professional teams. The Parade of Mascots begins at 5 p.m. and the game starts at 6 p.m. The mascots will take to the field at half-time to play their version of soccer.

University Relations purchased a block of tickets, and we have several left that we are offering FREE on a first-come basis. Call 2144 or email alumni@alfred.edu to get YOUR tickets to Saturday's game.

Provost announces recipients of International Fellowships

Provost Rick Stephens is pleased to announce that three Alfred University faculty members have been awarded International Fellowships for Faculty Development. The funds allow the faculty member to participate in an international short course, take an international seminar, or conduct research abroad that meets the program goal of helping faculty internationalize existing courses or create new courses using an acquired or enhanced international perspective. The recipients for 2016 International Fellowships are; Dr. Mary McInnes Professor of Art History; Dr. Kerry Kautzman, Associate Professor of Spanish; Katarina Riesing, Assistant Professor Foundations. There are few other professional experiences as transformative as those with an international focus. I'm appreciative to these faculty for continuing to stretch and challenge themselves in this way. I am also grateful for the serious and collegial work of the International Advisory Committee comprised of Hope Childers (Chair), Alastair Cormack, Bob Myers, Sangjoon Lee, Jeanne Marion, Vicky Westacott and Heather Zimbler-DeLorenzo. Their efforts insure quality in both project and product, and ultimately a benefit to AU students.

Allow more time for AU Interlibrary Loans

Scholes Library's Interlibrary Loan (ILL) assistant will be retiring July 28th. There are plans to cover Scholes Library ILL with staff from Herrick Library until a replacement is hired. However, our quick response time, of which we are justly proud, will necessarily be somewhat slower. So if you are planning to submit ILL requests, for either library, please send them in a little sooner. As always, we want to get you what you need, but we will be operating shorthanded for a while. In addition, during this time, Document Delivery will be suspended. Articles available from the Scholes Library print collection will need to be retrieved by the library user.

Dean of Alfred University Libraries and Director, Herrick Library

AU Photo Library Online - Gallery Server Pro

AU has a new searchable photo library, Gallery Server Pro (<http://gsp.alfred.edu>), accessible to AU faculty/staff. This library contains a wide variety of downloadable AU images ranging from seasonal campus scenics, to classrooms/labs, to selected campus events. To access, please go to our.alfred.edu and scroll down the left-hand side to Faculty/Staff. Click on Faculty/Staff and scroll down to Gallery Server Pro.

Gallery Server images are cataloged by semester, by month and by topic, and as new photo assignments are completed, additional images will be cataloged and posted on a regular basis. The photos are extensively tagged to assist in searches for specific subjects.

NOTE: The images have been carefully selected from more extensive photo sessions that include alternative views and formats (landscape vs portrait). Those images are archived separately and you

will need to contact Rick McLay, director of Creative Services at 2736 (mclay@alfred.edu) to inquire about those additional images. There is also a separate folder dedicated to faculty/staff portraits, many of which were completed the week of Aug. 17, 2015.

BEFORE YOU DOWNLOAD

The primary use of many of these images is for Admissions and University Relations marketing efforts in both printed and web formats. In order to keep track of downloads (except for faculty/staff portraits), please contact Rick McLay (mclay@alfred.edu) or Judy Linza (linza@alfred.edu) with information on which images you are downloading, and where they are going to be used.

TO DOWNLOAD

Access to Gallery Server requires AU username/password to review images and to download in three formats: 1. Thumbnail (small image), 2. Web optimized (low resolution but full size), and 3. Original (high resolution). To download the image of your choice, use the download/share icon, which is the one on the left in the icon grouping above each image, and follow the directions.

ADDING PHOTOS TO THE AU PHOTO LIBRARY

We welcome the opportunity to obtain images from faculty and staff. Though much effort goes into documenting as many things as possible on campus, it is impossible to cover it all. When there are events such as art shows, or special lab/classroom activities that faculty/staff are photographing, we would very much like to review those images so that the library is as comprehensive as possible. Please contact Rick McLay if you have images that you think should be considered for this.

ATHLETICS PHOTOS

Current images of athletics events are available at (<http://gosaxons.com>). By contractual arrangement with the professional photographer, there will be a charge for athletics images. Mark Whitehouse, AU's Sports Information director (whitehouse.alfred.edu), is the contact regarding usage.

If you have any questions or suggestions for photos you want cataloged and included, please contact Rick McLay at mclay@alfred.edu or Ext. 2736. If a student requests access, please contact Rick McLay.
