### **Day of evil -- now with 50% more zombies**

The AU Sci-Fi Club's annual anti-Valentine's Day party is on Wednesday (Valentine's Day itself) at 9 p.m. in the Knight club. Come for free candy, good music, and good company, and celebrate your relationship, the single life, or anything else you choose without the trappings of the Hallmark holiday.

### **Network Printing and Anti-Virus upgrade - Wed 4:30**

Starting Wednesday, Feb. 14, 4:30 p.m., ITS will be reinstalling the server known as COMMUNITY. The following services will be unavailable during this time:

1. Network Printing from the public computer labs
  - You will still be able to print from the Residence Halls and Scholes Library.
2. Sophos Anti-Virus automatic updates.
  - The application on your computer will still work but will not receive hourly updates
3. Access to shared files and/or applications hosted on COMMUNITY
  - The files will be preserved and available after the upgrade

The upgrade will take most of the evening to complete. We apologize in advance for any inconvenience this may cause. Please contact the Help Desk if you have any additional questions or concerns.

### **ISSO logo design competition!**

ISSO (international student & scholar organization) is holding a logo design competition for fundraising.

We need some inspiring ideas on how the ISSO logo should be designed. This competition is open to all students and faculty. There is no restriction on the design, except for the fact that it should be representing the international nature of ISSO. The design should not show any disrespect nor insult to any group of people.  
The best designs will be PRIZED!

Please send your design to [isso4u@alfred.edu](mailto:isso4u@alfred.edu) or bring it to the ISSO meeting (which is every Friday 6 p.m., at Alumni Lounge), by the end of February.

### **Web editor/proofer needed**

The student Web team has a job opening for a web editor/proofer.

Duties: Perform technical reviews of all Web projects and test new Web applications to ensure they are error-free before being published to the World Wide Web.

Qualifications: Attention to detail, ability to multitask. Will be working with Bobby (ADA American disability act validator) and Dreamweaver. Knowledge of these would be great, but not required. We will train.

Either Work Study or Non- Work Study
