IEA Visiting Artist: Traci Molloy

Date: May 18-22, 2015

Location: The Institute for Electronic Arts at the School of Art and Design, College of Ceramics

Cost to Attend Event: Free

Sponsored by Committee or Division: The Institute for Electronic Arts and the Division of Expanded Media

Traci Molloy of Brooklyn will be participating in the artist-in-residence program of the Institute for Electronic Arts over the week of May 18. Receiving her MFA from the University of Ohio, Molloy sees herself as an artist and social activist, exploring adolescent culture, loss, and violence through photography, digital arts, installation, painting, and printmaking.

Throughout her residency, Molloy will be working on a series of digital prints in partnership with adolescents from the surrounding community, superimposing their responses to the prompts "I Am, I Will, I'm Afraid" in their handwriting over photographs of themselves, obscuring their image and, with the body of work as a whole, representing the collective feelings of the adolescents of the Southern Tier region. These images will be printed larger than life-scale as well as life-scale for exhibitions.

More information and Molloy's work can be found on her website: <http://www.tracimolloy.co...>

The Institute for Electronic Art's Visiting Artist Program is sponsored in part by the NYS Council on the Arts with the support of Gov. Andrew Cuomo and the NYS Legislature.

New Education Course in Fall 2015

The Education Division is excited to offer a new 1-credit elective course in the Fall.

EDUC 100, "Topics: Montessori and the Common Core"

There are no specific meetings dates or times, as this course will be built around your schedule. You will investigate the Common Core Standards for English Language Arts and Mathematics with the assistance of Education faculty members, and then tutor school-aged children at the Alfred Montessori School in the after-school program.

This is a great way to learn more about the Montessori philosophy, get experience working with children, and learn more about the evolving academic requirements in New York State and the nation.

Please consider adding this course to your schedule, and feel free to contact any of the Education faculty if you have any questions.

No Weight Watchers Meeting This Week

There will be no Weight Watchers meeting this week as both Alfred University and Alfred State employees are celebrating their respective retiree recognition and service award luncheons.

Please join us next Thursday, May 28, for our next Weight Watchers At Work meeting.

Thank you!

Green Tips

Drivers: Once a month, check the pressure of each of the tires against the guidelines listed in your car's manual; add air if needed. Doing this can improve mileage by about 3 percent.
