

ST. LAWRENCE COMING FRIDAY

WEE PLAYHOUSE MEMBERS HARD AT WORK ON THE FINAL EXHIBITION

Prof. Binns, Dean Titsworth and Dr. Mix Contribute to Drama Program

Members of the Wee Playhouse are working steadily to prepare for the presentation of three one-act plays in their miniature theater on May 29. Judging from the caliber of their work heretofore, it is reasonable to predict that the little playhouse will be crowded to its full capacity with lovers of local talent as depicted by the actors and actresses named below. Although the available seating space will accommodate but a small audience, through the efforts of this theatrical organization, their stage furnishings and other working equipment are fast accumulating to such an extent that at least one hundred fifty spectators can be given an opportunity for enjoying up-to-date drama.

JOHNSON WILL BE SENIOR PRESIDENT

Class of '24 Elects Officers for Coming Year

ELECTION HOTLY CONTESTED

One of the most hotly contested class elections that has ever occurred in Alfred, took place last Friday at one o'clock, when the Juniors elected their officers for the coming year. Johnson was the choice for president without any opponent. For vice president Mr. Sheerar and Miss Stoneham were the nominees. Four ballots were required to settle who was to have the position which Mr. Sheerar finally won. The nominees for secretary were Misses Allen, Killbury and Coleman. Miss Allen easily won over her opponents. The election for treasurer was another duel and called for three ballots in which Mr. Danforth defeated Mr. Okean by a narrow margin.

ONE-ACT PLAYS

THURSDAY NIGHT IS TIME SET

Accompanying the Freshmen plays scheduled to be presented at Firemen's Hall next Thursday evening, there will also be given two plays by members of the Sophomore class.

"Passee" a one-act sketch written by McElbert Moore, is under the able direction of Dean Titsworth and is fast approaching the perfection required for a thoroughly satisfactory and interesting presentation. With the following cast of characters it should be especially entertaining to the audience:

COLLEGE STUDENTS AND TOWNSPEOPLE WILL COMBINE IN MEMORIAL DAY EXERCISES

University Organizations to Parade

With each succeeding year Memorial Day takes on an increasing significance. Out of justice to the remaining veterans of the Civil War and of the Great War, it is only fitting and proper that we as citizens and as students set aside as sacred this one day in the year in which to help these men pay homage to their dead.

The plans of the local committee are perhaps best expressed in the following extract from the Alfred Sun, May 17th.

"All organizations are requested to fall in and swell the parade. The college, high school and graded school are requested to march in a body."

The exercises will be held at the cemetery at 2 o'clock except in case of rain, in which event, they will be held in the church.

FACULTY PARTY AN ENJOYABLE AFFAIR

Entire Faculty Present

Merriment and joviality prevailed at the faculty party held last Saturday afternoon. About 21 people met at five o'clock and proceeded up West University street to the picnic grounds. Baseball and horseshoe pitching were the first amusements. The main feature of the evening, however, was an ornithological fete. Each person imitated some kind of bird and prizes were awarded to those guessing the greatest number correctly.

A delightful picnic supper was served after which the group gathered around the camp fire to sing and give selections of poetry.

Those present were: Prof. Place, Prof. Radasch, Prof. W. A. Titsworth, Prof. Adamec, Prof. Cryan, Dr. Paul E. Titsworth, Miss Fosdick, Misses Binns, Prof. and Mrs. Seidlin, Prof. and Mrs. M. E. Mix, Mr. and Mrs.

COLLEGE GLEE CLUB IS ENTERTAINED AT HAMMONDSPORT

Gives Concert Before the High School

Fourteen members of the Glee Club were called to Hammondsport Thursday night as guests of the Woman's Club of that place, the occasion being a dinner and dance given by the women. Despite the fact that there had been little practice on the part of the Glee Club men, the performance was fairly commendable. The organization entertained the gathering with several glee numbers before the dinner began, then promptly set about to despatch an excellent meal. Following the dinner the Glee Club gave an informal concert in the High School auditorium to a highly appreciative audience of music lovers. It is only fair to add that the Club was a bit heavy in the tenor parts and rather light in the second bass part due to the absence of Whipple and Spicer. Consequently the glee numbers were somewhat unbalanced in part. However the performance was a fair calibre and one which has caused Hammondsport to take steps toward making possible a return trip next year.

Volk and Conroe were well appreciated and came in for their usual share of ovations, as well as did the orchestra. All in all the trip was thoroughly enjoyed.

The "college five" provided music for a few hours of dancing, after the concert.

ETA PHI GAMMA HOLDS HOUSE WARMING

Members of the Eta Phi Gamma held a very enjoyable party last Saturday evening in their fraternity house. Inasmuch as the affair was the first since the rebuilding of the house, it was in the nature of a housewarming.

Dancing was enjoyed throughout the evening with Nissen, Crawford and Volk furnishing the inspiration. Refreshments were served during intermission.

A. A. Wesbecher, Miss Landwehr, Prof. Colgan, and Miss Bleiman.

Credit for the good time is due to Miss Fosdick and Miss Laidwehr who were the instigators of the party.

President Davis attended a Bible School meeting at Belmont last Sunday evening.

LAFAYETTE CAPTURES FIRST PLACE IN FIFTEENTH ANNUAL INTERSCHOLASTIC

Buffalo Schools Fight Hard for High Honor

BUCKNER OF TECK WINS INDIVIDUAL TROPHY

POINT SUMMARY

Lafayette	21	Coudersport	5
Hutchinson	17	Galeton	5
Technical	14½	Bradford	4
Cascadilla	13	Canisteo	3
Masten Park	10	Fillmore	1
Hornell	10	Haverling	1
Nichols	6	Cattaraugus	1
Cook Academy	5	Olean	½

By capturing first and second honors in the pole vault in the closing minutes, Lafayette of Buffalo took team honors in the 15th Annual Interscholastic Field and Track Meet held here May 16th, with a total of twenty-one points. By taking the final event, the relay race, Hutchinson High School of Buffalo leaped to the front of a swarm of contenders for second honors. Closely bunched to the leaders were Technical High (Buffalo), Cascadilla Prep (Ithaca), Hornell and Masten Park (Buffalo).

The big field of competitors, approximating 275, and composing the largest number of entries in the history of this meet, made competition keen for each position. In spite of repeated rainfall at intervals, and the consequent soaking up of the track, fast time was made in each track event. Gunyberger of Coudersport, in particular, fooled the weather man when he led the field to the tape in the 44 yards over a water-soaked track, in 54 flat, establishing a new record by a fifth of a second. Grover

of Hornell gave him a valiant chase throughout the race, finishing but two yards in the rear.

Buckner of Technical captured the trophy for the best individual performance, winning the 100 yard and 220 yard dashes, closely pressed by Cooley of Nichols, who finished second to the colored lad in both events. Outside of these two sprinters, Carvalho of Cascadilla, with a first and a third to his credit, was the only man to add more than five points to his team's total. His feat of easily leading a classy field of milers around the cinders proved one of the outstanding features of the meet.

Two firsts, three seconds and a third by Godfrey, Lehman, Gibbs, Dorman and Griffiths gave Lafayette High their twenty-one points. Technical and Cascadilla also succeeded in cutting out two firsts from the list of twenty-eight schools entered.

Masten Park's sole first pointers came in the first event of the day when the hill toppers led a large

MISINTERPRETATION

Due to a misunderstanding, an article presenting a lecture given by Prof. Seidlin on "Relativity" appeared in last week's issue of the Fiat Lux headlined as "Izzy's Theory."

In all fairness to Dr. Albert A. Bnistein and to Prof. Seidlin, we wish to correct any erroneous impression this article may have made upon the readers. The article as intended, should have been headed "Enistein's Theory of Relativity."

Mr. Pierce, principal of the Seneca Vocational School of Buffalo, was here with his assistants Wednesday and Thursday photographing various departments of the campus for advertising purposes.

A BOX OF BOOKS

Miss Norah Binns returned Monday from Columbus, Ohio, having resigned her position as assistant secretary of the American Ceramic Society. Miss Binns has purchased the small building on West "University street next to the Parish House and is having it thoroughly overhauled and renovated. Some time the latter part of June she expects to open a book shop, where she is to have a circulating library, all the latest books for children and grown-ups, and a general line of Christmas and other anniversary cards and souvenirs.

We are sure that Miss Binns will establish a business that will be a credit to herself and to a college town. Success to her.

TO BE INSTALLED PASTOR

The following concerning "Bill" Leach, taken from last Sunday's Buffalo News, will be read with interest by many of our readers:

The Rev. William H. Leach, supply pastor at the Walden Presbyterian church for the past three years, will be installed as its permanent pastor next Sunday evening. Since he has been with the church it has completed a \$100,000 building and plant at Bailey and Moeller avenues and has generally grown and prospered.

The Rev. W. B. Gates of Olean, moderator of Buffalo Presbytery, will preside at the service. The sermon will be preached by Dr. S. V. V. Holmes. Dr. Charles H. Stewart will give the charge to the pastor and the Rev. Andrew J. Purdy the charge to the congregation.

HORNELL HIGH VICTORIOUS FIRST ANNUAL CHAMPIONSHIP MEET FRIDAY

Hornell high school emerged victorious from the First Annual Championship Field and Track Meet held on the Alfred athletic field last Friday afternoon under the auspices of section 14 of the New York State Public High School Athletic Association. Hornell took 30 points while Wayland taking second place had 24 chalked to her credit and Olean with a total of 16, stood third in order of point winners.

Much in contrast to the drenching rains of last Wednesday's fifteenth annual Interscholastic day, was the warm, sunny weather of Friday afternoon. In spite of favorable weather conditions, only a small crowd was gathered at the field to witness the contest.

Wayland high captured first place in the first three events of the afternoon, the 100, 220 and 440 yard dashes, and it looked for a time as though she would easily run away with the meet. However, Hornell soon began to pile up points gaining a lead which she held throughout the remainder of the day.

Aside from the medley relay race which was hotly contested between Almond and Alfred high schools the high jump was the most sensational event of the afternoon. In this event Straight of Cattaraugus and Howard

battled for first place, Howard winning first by a fraction of an inch. In this event the interscholastic record on the Alfred field was broken by a quarter of an inch. The height reached was 5 feet 8 3/4 inches.

Summary:

The events were scored as follows: 100 yard dash—

- 1st, J. McCoy, Wayland, 10 1-5
- 2d, H. Hartley, Cuba
- 3d, I. Veit, Hornell
- 4th, A. Fenner, Almond

220 yard dash—

- 1st, M. Haynes, Wayland, 21
- 2d, A. Lawrence, Cuba

SOPHOMORES OVER FRESHMEN IN TRACK Scudder Takes Three Firsts

FORD BREAKS JAVELIN RECORD

The Sophomores, undaunted by the Freshmen's predictions of an easy victory, defeated the first-year men by a score of 75 to 52 last Thursday. For a time it looked as though the meet would be closely contested, especially when the Frosh gathered nine points in the pole vault but their hopes gradually died as the Sophs passed them in the last four events.

Scudder was the hero of the day taking three firsts in the hundred, two-hundred and four-hundred dashes. Two college records were broken, when Ford threw the javelin 135 feet and Gardner the baseball, 345 feet.

The results were:

100 yard dash—Scudder '25, 1st, Qualey '25, 2d, Lobaugh '26, 3d.

220 yard dash—Scudder '25, 1st, Lobaugh '26, 2d, Navin '25, 3d.

440 yard dash—Scudder '25, 1st, Miller '25, 2d, Lobaugh '26, 3d.

Half mile run—Navin '25, Herrick '26, Hoehn '25.

Mile run—Navin '25, 1st, Herrick '26, 2d, Lyons '25.

Two mile run—Lyons '25, 1st, Borden '26, 2d, Arnold '25, 3d.

High jump—Rogers '25, 1st, Ford '26, 2d, Babcock '26, 3d.

Shot put—Stannard '25, Clark '26, Spicer '25.

Discus throw—Gardner '25, 1st, Peterson '26, 2d.

Javelin throw—Ford '26, 1st, 135 feet (record), McConnel '25, 2d, Kelley '26, 3d.

Baseball throw—Gardner '25, 345 feet (record), Paley '25, Moses '25.

Whatever your "Choice of a Career," college training has increased your economic value, and whatever business or profession you enter, adequate life insurance is a proper self appraisal of your powers in that direction.

The traditions, practices, and financial strength of the JOHN HANCOCK Mutual Life Insurance Company are such that the college man can take peculiar pride in having a John Hancock policy on his life. It is a distinct asset from the start. It will pay you to buy it; and later on, should you think of joining this company, it will also pay you to sell it. Our representatives will tell you just how, and can assist you in selecting both your career and your insurance.

After a number of false motions
and discouraging attempts spring
seems to be with us. Spring any-
where, and particularly here in the
hills is not conducive to study. With
tennis courts, track fields and green
hills all looming so invitingly we are
too apt to forget our purpose in
school. Term examinations are fast
approaching and but one week of regu-
lar work remains. Now is the time
to prepare ourselves. Whatever may
be said for or against final exams,
they are an institution and we can't
disregard them. So to close the
year's work with a better index than
ever should be each student's aim and
although the many diversions beckon
we should make a determined effort
to realize it.

College life is incomplete without
social activity, without body-building
sport but the prime objective is edu-
cation and the grading mark is in-
directly its attainment for by it our
success or failure in that course, at
least, is measured.

In various issues of the Fiat this
year have appeared articles suggest-
ing that, rather than merely serving
as a rest room for the feathered varie-
ties and a wind-break for Burdick
Hall, the bare flagstaff be put to the
purpose for which it was intended.
To strangers in town, this (empty
iron spire must be a subject of no
little conjecture and possibly more
or less severe criticism.

One week from tomorrow is the
time for the annual Decoration day
program and, no doubt, the same spirit
of ultra-patriotism which has promp-
ted the flying of the American flag
at two or three instances during the
year, will be responsible for its ap-
pearance once more, after which it
will be lowered and stored away until
next year. Is it contrary to custom
for colleges and universities to fly
the Stars and Stripes throughout the
year? If it is, let us erect a collaps-
ible staff which can be raised and
lowered at will and which will be
out of sight when not in use. Why
not call for a volunteer from the
Freshman class to be responsible for
displaying the flag at the proper time
each day? There is not the slightest
doubt that there is someone here in
college who has a large enough sense
of loyalty and a great enough regard
for his country's colors to assume the
responsibility of unfurling them once
a day.

In spite of the many unfavorable
conditions tending to hinder the
smooth progress of the Fifteenth An-
nual Interscholastic Track Meet held
last Wednesday the situation was
admirably handled by the manager
and his assistants. Intermittent rains
failed to interrupt the well planned
schedule, and every event took place,
practically on scheduled time and
with the slightest possible confusion.
The host of contestants which arrived
late the night before the meet were
well taken care of, and little friction
resulted.

To Manager Robert Witter and his
assistants should go the highest pos-
sible praise for their efficiency, and
also to Coach Wesbecher who worked
untiringly to make the meet a suc-
cess. While giving those in charge
the praise which they well deserve,
the Block "A" Club should also re-
ceive honorable mention as well as
the Freshmen, all of whom worked
hard and well to make a success out
of very unfavorable conditions.

Y. W. C. A. CONDUCTED BY
FRESHMEN

The Y. W. C. A. was conducted by
the Freshmen on Sunday evening,
May 20. Hazel LeFever led the
meeting and had for her topic "Find-
ing Fun." There are two types of
people who find fun—those who go
against the grain of the current of the
crowd and rely on their own con-
victions, and those who are follow-
ers of the crowd. If one has morals
which make him dreary, then they
are bad. We should take Jesus as
our example for he gave his life to
save his fellowmen. Does adhering
to convictions spoil your popularity?
Yes, perhaps it does with your crowd
but remember that popularity isn't
everything, for it is better to find
true, wholesome fun.

The special music was furnished by
Elizabeth Paul who sang a solo.

MANY VISITORS ATTEND IN-
TERSCHOLASTIC DANCE

The annual track meet dance was
held Wednesday night, May 16th, in
Academy Hall. Excellent music was
furnished by the Alfred Collegians,
an orchestra of seven pieces, the ad-
ditional instrument being a trumpet.
The music was occasionally supple-
mented by the xylophone, played by
"Steve."

Over one hundred couples were

present at the dance, with college stu-
dents in the minority. The unusual
number in attendance made dancing
somewhat difficult, but did not seem
to dampen any one's enthusiasm. The
chaperones were Prof. and Mrs. W.
A. Titsworth and Coach and Mrs.
Wesbecher.

The second play, "Greater Love,"
is translated from the German by
Dean Titsworth. The scene is laid
in a woodcarver's cottage. It is based
upon one of those typical German
stories in which one man's regard for
another leads to a great sacrifice.
The cast of characters includes sev-
eral well-known local actors and act-
resses among whom are: Mrs. Lynn
Vars, Prof. Place, Prof. Eaton, Nora
Binns and Clinton MacAhon.

Prof. Morton Mix's one-act comedy,
"Fiat Lux," is a collection of laugh-
ter-provoking events skillfully arrang-
ed in the proper sequence to fascinate
and hold the suspense of the
patrons from start to finish. The
plot is founded upon the difficulties
which John Brown and his wife, only
recently united in the bonds of holy
matrimony encounter in living with
Aunt Sophie. An extravagant wife,
a petulant husband, mistaken address
and conflicting circumstances are
factors leading gradually up to the
climax. Under the supervision of
Mrs. Arlotta Mix, the training which
the players receive should enable
them to make the comedy a success.

PURPLE TEAM IN FINE CONDITION

The final track meet on this year's schedule will be held at Alfred, Friday afternoon when the "Purple and Gold" team stacks up against the strong fighting machine of St. Lawrence. This will be the first appearance of the Northern College in this section.

Coach Ferguson has had the squad working, strenuously for the past two weeks and will continue the training until this week is over. The triumph over Bona greatly exhilarated Doc's spirits and he feels that the team should, by arduous efforts, come through in this meet.

St. Lawrence, it is rumored, is particularly strong in the sprints and hurdles. She will bring with her a man whom it is said will put the shot better than forty feet, and a pole vaulter who has done twelve feet. The distance men coming with the Northerners will put up a stiff

battle and no doubt both Navin and Witter will be hard pushed to win their events.

"Fritz" McConnell will meet strong opposition in each of his events. He, however, has been fast developing in both the javelin and broad jump, having broken the Alfred javelin record in the inter-class meet last Thursday. Both D. McConnell and Lyons are expected to break the new pole vault record which they established in the St. Bona meet. Scudder in both 44 and 220 is making better time each day, and will doubtless give the crack sprinters from the north a stiff fight.

This meet gives promise of being the most closely congested of the season and doubtless many new records will be set.

The afternoon events will begin promptly at 2:30.

Successful schedule thus far this year, it is evident that the Alfred team will need all possible practice this week. Therefore it behoves all players not on the Varsity team to surrender the courts to any members of the team at any time.

Despite the rather uncertain outlook, however the team feels optimistic and confident that the matches will be close. A large audience will assist in putting heart and pep into the fellows.

The end of the year is nearly here and there have only been two matches of the tournament played off. It is absolutely necessary that all the first matches be played before the end of this week. Those who have not played their first matches by the end of this week will be cancelled from the tournament. This applies to both doubles and singles.

FROSH PLAYS

Next Thursday night the annual Freshman plays are to be given in Firemens Hall. The casts of these plays have been carefully chosen and under the very competent coaching of the Misses Constance Spaulding and Ann MarUn and Miss Landwehr, they are rapidly developing into fine form. The first play, "Sauce For The Gosling," is a very clever one-act comedy well worth seeing. The cast of unusual ability consists of the following:

Mr. Taylor	Burton Brewster
Mrs. Taylor	Betty Babcock
Elizabeth Taylor	Edith Winchelmeyer
Robert Taylor	Chester Lyons
Grandmother	Hope Young
James Ward	Thomas Moore
The Maid	Irene Mackey

The second play "Heirs at Law," is a one-act farce-comedy of very worthy merits and one which will demand instant appreciation from the audience. The cast of notable reputation under the coaching of Miss Landwehr are thoroughly trained for the occasion. Many of these characters have been on the stage at various intervals and their ability cannot be doubted.

ENGINEERS MAKE TRIP OF INSPECTION

Will Visit Corning and Syracuse TO LEARN MORE OF PRACTICAL SIDE OF CERAMICS

Early this morning the senior engineers with Prof. Shaw, left Alfred for a trip of inspection to the Corning Glass Works. After a thorough examination of the plant, they will return tonight. Next Thursday morning the trip will be extended to Syracuse and vicinity. This time the class will be gone for two days.

Prof. Shaw has planned these excursions to be a valuable source of information since they afford the seniors an opportunity to see in operation some of the work which is conducted in the laboratory on a small scale. It will also bring them in touch with some very competent engineers of the industry.
