Budget reduction suggestions, comments sought

We have created web pages designed to keep the University community informed about the strategic review process that we are now undertaking. You must sign in with your Alfred University user name and password to gain access to the pages. Once there, you may submit your comments or suggestions, which will be sent directly to Provost William Hall and, in turn, the Strategic Planning Council. While you must use your name in order to sign in and submit a suggestion or comment, your name will not be made public unless you choose to do so.

The deadline for all paper timesheets for hourly employees and approval of Web timesheets by supervisors is noon today. Payroll has very little time to process this check run so your cooperation is essential.

This information will be also be conveyed to you in the automated e-mail reminders.
