## Maurice Hindus, Reporter Novelist, to Speak Monday

Maurice Hindus, Russian-born reporter, novelist, and authority on European affairs, will be presented as the final number of the current Forum series, at Alumni Hall, Monday evening, February 16 at 8:15 o'clock.

With his extensive knowledge of Russia and its people, he comes well prepared to speak about the current events which are so vitally affecting his homeland.

Hindus came to the United States with his mother after the Revolution of 1905, and spent his childhood on a farm near New York City. He was graduated from Colgate University in 1915, a member of Phi Beta Kappa and Beta Sigma Rho fraternities.

In 1923, the Century Magazine sent him to Russia to gather material for a series of articles and thus began his career as an interpreter of life under the Soviets—particularly the life of the common man.

Since 1924, he has gone to Russia almost every year, also visiting England, France and Germany.

Hindus' latest novel, "To Sing With The Angels," is his third book of fiction, out of the ten books he has written. In all his writing he combines the accuracy of a skillful journalist with the expressions of his own temperament.

## Frosh Trounce Jamestown Ext.

Led by lanky Al Cooper and Red Fenton, the Alfred Greenies smothered a hapless Jamestown Extension five Wednesday night by a score of 54-22. The smooth-working and aggressive Frosh scored at will even though Coach Humphrey used his entire squad in trying to avert a complete rout.

Cooper took scoring honors with 14 points with Fenton close behind with 10. Walt Neugreen was the only offensive threat of the Jamestown team, scoring 12 of their 22 points, playing brilliant defensive ball.

Certifying that he has complied with the law, everyone who registers with Selective Service on February 14, 15 and 16, will receive a registration certificate that must be carried by the registrant at all times.

Only nine simple questions will be asked those men who register: (1) Name; (2) Place of Residence; (3) Mailing Address (if other than Place of Residence); (4) Telephone; (5) Age in Years and Date of Birth; (6) Place of Birth; (7) Name and Address of Person who will always know your Address; (8) Employer's Name and Address; and; (9) Place of Employment or Business.

Men who have already registered under the Selective Service Act need not do so again. However, those who have signed up for Voluntary Home Defense are not exempt from this registration. All male residents who have reached their 20th birthday on December 31, 1941, and who are not 45 years of age on February 16, 1942, must register.

Registration will be here under Local Board 535 from 7:00 A. M. to 9:00 P. M., on the three days, February 14, 15 and 16th, with a registrar in attendance at all times in Firemens Hall on West University Street.

## Department To Step Up Business Course

"The business and secretarial department at Alfred University will offer a 3-year curriculum with the opening of the second semester," said Prof. J. E. Whitcraft, head of the department.

"The stepped-up program is open to freshmen now registered. The tentative program calls for an intersession between the second semester and the summer session with courses during the summer session. Students may continue the customary two semesters as the regular 4-year curriculum will be offered also, "The change is in the additional summer work," he stated.

## Film On Ballet To Be Presented In Assembly

This new experiment of bringing the ballet to an increased audience through the medium of motion pictures was extremely well received by the movie critics of the nation.

## NYA Funds Available

Shortening of the college year will make funds available to pay students on NYA \$12 each period (40 hours of work) effective the current period ending February 15.

This arrangement makes it possible for all workers to earn approximately the same total amount by the end of the college year as under the displaced calendar.

## Two Wins In Week By A.U. Matmen

"We went; we wrestled; we conquered", was the communique sent back twice last week as the AU matmen opened their season in foreign gyms. The first report was made on Feb. 4 as the University of Buffalo fell prey to a score of 33 to 5. The encore came three days later with the wrestlers of Mechanics Institute of Rochester making an unsuccessful attempt to score a repeat of last year's victory, the final count against them being 23-11.

The Saxons countered with heavy artillery registering five pins against Buffalo and four against the Mechanicmen. Veterans LeBlanc, Luce, and Greene disposed of their men in both matches via the pin method, as did newcomer "Rog" Knappont.

Reg Miner gained a pin over his Buffalo opponent but was decisioned in the Rochester meet by their outstanding man, Tarplee. Bill Hurley split decisions, winning the UB match by a score of 11 to 6 and being shut out at Mechanics Institute 6-0. Greenberg, replacing veteran Don Limberg who has left school showed his lack of experience by falling victim to pins in both matches. Sam Ciulla, a "rookie" in the 128 lb. division, gained a victory by forfeit at Buffalo and a decision at Rochester.

The Saxons will be gunning for their third victory this Saturday night at the College Gym over a Colgate team of unknown quality.

## McLane Issues Call For Track Men

With Coach McLane issuing a call for candidates this week, the long process of conditioning will once again be the assignment for approximately thirty-five upperclassmen and freshmen who will compete for positions as Alfred's track and field representatives on the indoor tracks.

Varsity competition will open on March 7 at the IC-4A meet in New York City. This will be followed by a dual meet three weeks later on March 28 at the University of Rochester, where a Frosh medley team will also run. The final event on the Indoor calendar will take place on April 1, in the College gym and will be the annual inter-class meet.

## Business Dept. Opens Special Defense Courses

"In compliance with the request of the Bureau of Business Education of the State Educational Department, as well as the Navy Bureau of Navigation, we are planning to offer specialized training in those fields of clerical work which are essential for the defense program," said Prof. J. E. Whitcraft, head of department of Business and Secretarial Studies.

One year of typing in high school or its equivalent is necessary to take the "refresher" course now being offered. The regular intermediate typing class, Business 12, will be Monday, Wednesday and Friday at 11:30. With an equivalent of one year of high school shorthand, there will be an intermediate stenography class, Business 14, Monday through Friday at nine o'clock. There will be two hours college credit for typing and three hours credit for shorthand. This credit can be applied on the Liberal Arts B.A. degree during the period of emergency defense. A shortage of clerical help has made this necessary.

If there is a demand for these courses, there will be a combination class of typing and shorthand twice a week, to take the place of personal typing. This will be on Tuesdays and Thursdays from 4:45 until 5:45. It will be open to everyone, including townspeople.

Special speed dictation classes which anyone can attend will also be held.

Young men with accounting and typing experience will qualify as storekeepers and petty officers in the Naval Reserve under the V-6 program. Those with shorthand of 80 words per minute and typing of 50 words per minute will qualify as petty officers and yeomen, second and third class.

## Four Ag-Tech Men In N.Y.C. to Accept C.S. Appointments

Four power distribution majors left Tuesday for New York City to accept a probable civil service appointment at civilian trainee-repairman in the U. S. Army Signal Corps. All of the Class of 1942, the men are: Anthony DeDuca, John Durland, Henry Janis and Ralph Marallo.

Whether the men will receive their diplomas from the Ag-Tech on the strength of the additional training they will get in the Corps will be decided at the faculty meeting this week.

In addition to the four power majors, a large majority of the radio department also received the call. They will probably refuse the appointment, officials stated.

Calvin Wilcox, ex-'42, of the radio department, is reported to have accepted a civil service appointment as trainee-repairman and is stationed at Dayton, Ohio.

It was not revealed where the new appointees will be stationed, but F. Monmouth, N. J., was suggested.

## Delta Sig, Klan Note \$131 Robbery Loss

Sneak-thieves invaded Klan Alpine and Delta Sigma Phi fraternity houses, Friday, between the hours of 4 and 5 A. M. and escaped with \$131.

The thief went through the second floor of Delta Sig while the boys were sleeping downstairs and is said to have stolen \$50. Those robbed were: George Schmidt '44, Thomas Groves '44, Stephen Berger '44, John Nowak '42.

The robber also succeeded in stealing \$81 from Klan Alpine. The boys who were robbed are: George Kellogg '42, Verle Campbell '44, Edward Gehrke '41, Alan Williams '42, and Burton Baker '42.

Sergeant Charles R. Stanton of the State Police has been investigating the theft. He declined making any statement concerning the case.

## 1942 Sorority Rushing To Start Tomorrow--Ends 23d

### Sororities To Entertain Women At Dinners; Overnight Parties

Open season for sorority rushing begins tomorrow, February 11, and ends with the signing of preferential bids on Monday, February 23.

During this time the three sororities, Pi Alpha Pi, Sigma Chi Nu and Theta Theta Chi, will entertain freshman and transfer women for dinner on Tuesday, Wednesday and Thursday evenings, Sunday noon, and for over-night parties on Friday.

## DATE CHANGED

The date for the coming of the Red Cross Blood Procurement Unit has been changed to March 2.

To date, 75 persons have handed in slips signifying their willingness to give blood for the armed forces of our country. In order to make this campaign a success at least 75 more donors are needed. Students, faculty members, and townspeople are urgently requested to give blood to this worthy cause. Slips are available at the University Library and should be turned in to Dr. H. O. Burdick as soon as possible.

## "Mike" Greene Gets Contract From Detroit

Three years of outstanding service on the gridiron brought forth an extra large yield last week to Merle "Mike" Greene in the form of a contract authorizing him to perform on the professional gridirons, as the property of the Detroit Lions.

Switching from quarterback to tackle in his junior year, Greene, co-captain of this year's Saxons, gained recognition in the football world as a member of All-Western New York, All-Upstate New York, and the Herald-Tribune's Unknown All-American team.

Mike, who hails from Carmel, New York, has also held the spotlight as being undefeated during the regular wrestling season last year, and as the possessor of the shot-put and discus titles among AU's trackmen.

## Saxons, Bonnies Meet Saturday

St. Valentine Day's love will find no place in the hearts of the Saxon cagers as they journey to Allegheny, Saturday night, in an attempt to avenge last year's overtime defeat at the hands of the St. Bonaventure Brown Indians.

The Minnickmen will enter the game as the underdogs, however, due to the fact that Mike Reilly's men hold a victory over Ithaca College and because of two games to Niagara, lost only after close fought battles. Ithaca scored a two-point win over Alfred, while Niagara registered an easy rout.

The Bonnies, who have lost only one game in two years on their home floor, boast in Frank Zabowski, one of the best guards in Western New York. They also possess two top-shooters in Bernie Rokoski and Dom Denico.

## Profs Leave for N.Y.C.

Prof. Donald Schreckengost and Prof. Charles Harder of the ceramic art department leave tomorrow evening for New York City where they will meet with officials of R. H. Macy Co. to discuss the work of regular student designers connected with the store. While there, they will interview prospective Ceramic Art students from two New York City schools.

## To Discuss South America

These slips are marked, signed and handed to the Clerk at this time.

The annual Intersorority Ball will be held in the College Gym, Saturday evening, February 28, for members of the three sororities and their pledges.

## Committee Named For French Week

## University Orchestra Sets New Practice Date

Members of the University orchestra are urged to attend the next rehearsal Sunday, February 15, at 4:30 o'clock at South Hall.

Because of the courses in first aid and home nursing which are now being held at South Hall on week nights, it has seemed advisable to set rehearsal time for Sunday afternoon.

## Sorority Rushing

Sorority rushing begins tomorrow. For ten days the three sororities will entertain freshman and transfer women in an effort to decide which ones will best fit into their houses as pledges and members.

Even greater is the problem which the rushees face. Some will be rushed by all three houses and be undecided as to which to pledge. Some will be rushed by one house when they wish to join another. Some will not be rushed.

To the first group we say, think it over. Do not judge a house only by the good times you have there this week and next. Think also of the present members, of those who will probably pledge this year. For it is the people, not the house, which constitutes the real sorority. Keep in mind what the sorority means on campus, what you know about it, what people you like say about it. The choice is yours. Don't make one that you will regret.

To those women who are not rushed by their favorite house, we say wait. Don't pledge a house in which you are not interested merely for the sake of becoming a sorority woman. Stay independent. Often sophomore and junior women are pledged by houses who did not rush them as freshmen. Think it over before you sign the preferentials. De-pledging is possible, but difficult.

To those women who are not rushed we say, don't let it get you down. Perhaps the upperclassmen now in the sororities do not consider you "sorority material," as not their type. But then, maybe you do not wish to be their type. Sororities are not as important at Alfred as at some schools. Here a girl can be just as popular socially and on campus whether she belongs to a sorority or not. Many of our campus leaders are independents, and proud of it.

Rushing and pledging are part of college life, a very serious part. Don't make snap judgments. Choose wisely and both you and the group of which you become a part will profit from it.

## Act, Don't Whisper

Resentment seems to have sprung up in the Brick over the recently announced rule which requires all women to remain in their own rooms on week nights.

This resentment is typical of that which has risen over various other incidences such as the food, W. S. G. rulings, and the like. It is a dark and sinister resentment that works under cover. Rumors are spread; perhaps feeble petitions are suggested; there is much complaining among the students, sob-stories are written home and to friends about injustices but no real action is taken.

Understand, we are not taking sides in any of these bickerings among the women of the campus but we are suggesting that their methods have been wrong in the past. Our remarks are concerned with suggesting a possibly more sportsman-like way to settle the problems.

The way to settle any problem is to bring it out in the light and air all sides of the question. This applies not only to the problems of the women, but also to those of all campus organizations. If you have a grievance against administrative rulings, student actions, or anything, take it up with the proper authorities. There is always more than one side to every question. Attack all angles. If you have officers let them present your case before proper authorities, if not form a committee. If you think that your side is right you don't have to sneak around with petitions.

Above all, don't whisper. Act.

## Changing Attitudes

Changing attitudes is difficult. But necessary.

For several months we have gone our own ways as we please, learning a little here and there, taking part in too many extra-curricular activities, joining in many useless but entertaining bull sessions.

But that was last year, last semester even.

With the coming of the new semester, we must realize that our life, even our peaceful existence here at Alfred, is rapidly changing. We notice it in little things, as well as in its larger aspects.

Our semester has been telescoped, our spring vacation cut; a great many of us are going to classes on Saturday. Men are gradually disappearing from the campus as they leave for the army. Many of us are taking courses in first aid, in home nursing.

We have been asked to give—money, blood, time—to a cause which has become our cause.

We can expect more changes, too—fewer cars, fewer luxuries of all kinds. Even now our sugar is being rationed.

But why tell us this, you say—we knew it anyhow. Why? Because we must make ourselves realize that we are not living in the security of a few years ago, even a few months ago. We are part of a nation at war, and must adjust our attitudes to fit our situation.

As yet, we have had to sacrifice little. That will come later.

Certainly here at college, we must recognize that we have a job to do and we must do our part, by completing our education, just as thoroughly as if we were on a ship bound for Iceland or helping build more bombers.

## 44 Students Register For Home Defense

Interests and abilities of Alfred students which can be turned to practical use in case of emergency were reported by forty-four students who registered for voluntary defense work on Wednesday.

Of the 23 men who signed up, 19 expressed willingness to give blood to the blood bank. In case of emergency they offered to help in various fields: entertaining, firearms, first aid, gardening, photography, public speaking, recreation work.

Other branches of work in which some expressed knowledge were auto mechanics, dairy work, farm work, filing, fire fighting, telephone service, signalling. Eight of the group have a reading knowledge of German, three of French.

Twenty-one women registered for various types of service: home nursing, chauffeuring, knitting, sewing, mending, general housework, cooking, serving and cleaning up at canteens, family contacts, many for care of children.

Two of the registrants could do full office work, several signed up as having a knowledge of typing. Hobbies of sports, music, and dramatics were reported by several who would be willing to take part in entertainments in these fields.

Of the twenty-one women who registered, 13 read French, several speak and write it as well. Others have a knowledge of Spanish and German, one a knowledge of Italian and another Dutch.

Cards which the student registrants filled out will be sent to the county committee at Wellsville. Mrs. DeForest W. Truman was in charge of registration for the town of Alfred. The committee, of which Mrs. Truman is chairman, were very grateful to members of the Blue Key for offering their services.

## Esther Miller Is 1st Woman Member Of Keramos Group

Esther Miller '42, became the first woman member of Keramos, national honorary Ceramic Engineering fraternity at the initiation ceremony which was held Sunday night at Klan Alpine.

Others inducted into the fraternity by President David Arment '42, Robert Dows '42, Seward Wooley '42 and Burton Baker '42, were Edward Mooney '43 and Dr. Willard J. Sutton.

Following the initiation ceremony a short business meeting was held and plans for the National Convention in April were discussed. A report was given concerning the project which the Alfred chapter is sponsoring for St. Pat's Festival.

## IN THE SOCIAL SWIM

By Mary Walker

Mid-winter dances help this week to banish mid-year blues as the new semester opens.

Lambda Chi leads off the social calendar this week with a combined Valentine's party and pledge dance at the house, Saturday evening. The party will start with a dinner at 6 o'clock and will end with dancing and festivities until 12 o'clock. Chairman will be Bob Moebus '43.

An all-college sport dance sponsored by the Varsity A Club was the highlight of the past week-end. Dancing was from 8 to 12 o'clock at South Hall. Music was supplied by the Gehrke sound system.

Faculty guests included Dr. and Mrs. Ronald L. Warren, Prof. and Mrs. A. B. Crofoot, Dean Dora K. Degen, and Dr. and Mrs. Scholes.

Joe Chait '42 and Ed Gehrke '41, were in charge of the dance.

Mrs. VanDerck Frechette and Mrs. Roland Warren recently became honorary members of Theta Theta Chi sorority.

Morris Musgrave '41, was the weekend guest of Lambda Chi.

A farewell party was held at Klan last Tuesday evening for Felipe Gonzales '45 who left the following day to join his family in Porto Rico. He was to stop in New York City for a visit with his sister who is a student of Manhattanville College and who will also return home to Porto Rico in order that the family may be together in the present crisis.

Pi Alpha entertained at dinner one evening recently for Mr. and Mrs. T. S. Haile and Miss Marjorie Hunsinger, and another evening for Mrs. Ellsworth Barnard and Mrs. Alice McDermott.

Bill Laughton ex-'41, and Jack Rainear ex-'42, have returned to school to resume studies.

Social Hall will be the setting for the combination pledge dance and Valentine party to be held by Kappa Psi, Saturday night from 8-12. Chaperones will be Prof. and Mrs. W. M. Burditt and Prof. and Mrs. Don Schreckengost. James Lippke '44 and Walter "Lucky" Lawrence '44, are in charge of the dance.

A Valentine party will be held this Friday evening for Episcopal students and all other students interested in the Brent Fellowship at the home of Professor and Mrs. H. G. Schurecht on South Main Street.

Dancing will provide entertainment from 8:00 to 12:00 o'clock. Refreshments will be served.

Miss Phyllis Czajkowski, instructor in the Ag-Tech School, was a guest at Sigma Chi for dinner, Tuesday evening.

Week-end guests at Kappa Nu included Ben Racusin '37, and Mr. Weinstein of New York City, who came to take his daughter Leda, who has been ill, home.

## Girls Asked To Get More Hours of Sleep

Women living in the Brick have been asked to remain in their rooms after 10 o'clock during the week. "This is a war measure to provide for physical fitness in the present emergency," said Mrs. Dora K. Degen, dean of women.

"The new ruling is not to discourage sociability but to encourage more hours of sleep. This would provide for more physical fitness which is so necessary in this present emergency," stated Dean Degen.

"It is meant to keep the corridors quiet for those girls who do wish to go to sleep and to discourage congregations in the early hours of the morning which cause women to report to their 8 o'clocks without enough sleep and finally results in their going to the Infirmary," added Dean Degen.

## Village Church To Present Film, Wed.

The film of Maxwell Anderson's stage play, "Journey To Jerusalem," will be shown in the Village Church, Ash Wednesday evening, February 18, at 8:00 o'clock.

This movie will be sponsored by Pastor Everett Harris, Pastor Elmo Randolph and Chaplain William H. Genné, to usher in the Lenten Season. There will be no admission charge, but an offering will be received to defray the expenses and to assist with the special projects in each church.

This play was written by Anderson and staged by Elmer Rice, both Pulitzer prize winners. The film records the play exactly as it was presented on Broadway, using the same staging and the same cast. This new technique has been developed by the "Theater-on-Film" Corporation. "The story of the play deals with one of the most highly dramatic incidents in the whole life story of Jesus, and is powerfully portrayed by the excellent cast," says Chaplain William H. Genné.
