New York Foundation for the Arts (NYFA) will conduct an information seminar on NYFA Artists' Fellowships at the Arts & Cultural Council for Greater Rochester (277 North Goodman Street, Rochester, NY) from 3-6 p.m. Wednesday, September 16. The information seminar will address questions about NYFA's on-line application process and inform artists about funding opportunities and other areas of career development. The seminar is free, and no reservations are required.

Each year, NYFA offers \$7,000 cash grants to up to 100 artists in all disciplines selected via a peer panel process. Since the Fellowships were first established in 1985, NYFA has awarded more than \$22 million to over 3,500 New York artists.

Artistic disciplines eligible in 2009 - 2010 include Architecture/Environmental Structures, Choreography, Fiction, Music/Sound, Painting, Photography, Playwriting/Screenwriting, and Video. Applications must be submitted on or before the following dates:
