Campus Parking Alert

Winter has found Alfred and with that the parking problems that go along with it. I would like to ask everyone parking a vehicle on campus to park in an orderly fashion. A number of vehicles have been taking more than one space causing a bad situation.

Please, when you're parking your vehicle think of the others who need to park with you. Thank you for your cooperation.

Yoshiko Chuma Art Talk

Internationally renowned artist YOSHIKO CHUMA will be speaking about her work and her latest performance project in Palestine this Friday at 1 in Miller 301 (3rd floor). Chuma, who is artistic director and choreographer of The School of Hard Knocks, USA and of Daghdha Dance Company, Ireland, was born in Osaka, Japan and has lived in the United States since 1978. Chuma has created more than 45 full-length company works, commissions and site-specific events for venues across the world, constantly challenging the notion of performing for both audience and participant. Her work has been presented in New York in venues ranging from the Joyce Theater to the legendary annual Halloween Parade; and abroad in such locations as the former National Theater of Sarajevo, the perimeter of the Hong Kong harbor and at an ancient ruin in Macedonia. Yoshiko Chuma is the recipient of several fellowships and awards, including those from the Guggenheim Foundation, National Endowment for the Arts, New York Foundation for the Arts, Japan Foundation, Meet the Composer Choreographer/Composer Commission and Philip Morris New Works. She received a New York Dance & Performance Award ("Bessie") in 1984 and has led workshops and master classes throughout Eastern and Western Europe, Asia, The Middle East, Russia and the U.S. Chuma is a guest artist at AU funded by the Marlin and Ginger Miller Dance Residency Program.

Blood Drive - Thank You & Results

Thank you to everyone who volunteered or donated during last week's Red Cross Blood Drive.

Congrats to our 24 first-time donors!

Throughout the day we had 123 presenting donors and collected 111 productive units, twenty more than last year's January drive. The Red Cross estimates 333 lives saved from your efforts.

The next drive is Thursday, March 24. Thank you!
