TIAA Consultant on Campus

A TIAA consultant will be conducting one-on-one, 45-minute, individual retirement counseling sessions on Tuesday, October 8, Tuesday, November 5, and Thursday, December 5 in the Human Resources

Conference Room in Greene Hall. No matter where you are in life - just getting started or planning for retirement - a session can help you create a plan for your goals. To schedule an appointment, employees should call TIAA at 1.800.732.8353 and remain on the line for assistance; or register at www.TIAA.org/schedulenow.

The Hiring Process Training

This is the second training in a 9 month series targeted at any AU employee who has supervisory roles in their department. This training can also be especially helpful for any staff who support the supervisors in their department.

This training will encompass: preparing the job description, filling out the recruitment requisition form, interview tips for success, filling out the personnel action form, filling out student/summer payroll authorization forms, and documentation from students that is necessary before they visit Human Resources.

Supervisors who may be new in their rolls or need a refresher are encouraged to come. This is also open to anyone in the department who helps fill out new hire paperwork.

This training will be held on October 7, 2019 from 11:15am-12:00pm and on October 31, 2019 from 11:15am-12:00pm both located in the Kenyon/Allen Room in the PCC. This is the same training both days.

Print/Clay Collective Auction

Silent Auction Dates: October 17-25
Opening Reception: October 24, 6:00 pm - 9:00 pm
Location: Robert C. Turner Gallery, first floor Harder
Cost: Free to attend, artwork available for purchase.
Sponsored by: Print Club and Clay Collective

The AU Print Club and Clay Collective are combining our annual auctions together as one in the Turner Gallery this fall. We will be holding a silent auction, as well as a flat price sale of both print works and ceramics, and Print Club will likely hold a live auction during the opening as well. The opening will be held on Thursday, October 24 between 6:00 pm - 9:00 pm.

TSI / Harland Snodgrass Media Gallery - Chen Wang

Date: October 1-7, 2019
Time: All day
Location: TSI / Harland Snodgrass Media Gallery

Harder Hall, John Wood Studios Lobby

Sponsored by: The Institute for Electronic Arts

TSI / Harland Snodgrass Media Gallery for the week of October 1-7 will feature WIP The Sin Park by recent institute for Electronic Arts, NYSCA - Electronic Media & Film, Artist in Residence, Chen Wang. Wang uses a number of technologies in her media-art work including painting, 3D modeling, costume/sculpture fabrication, video and performance. The video is marked by costumed performance with gestures of dominance. Chen then coyly couples a visually appealing, dense and highly saturated mise-en-scène with these gestures/behaviors, in an allegory on power dynamics within intimate and sexual relationships.

Chen Wang (b.1991, China) is a multimedia artist who currently lives and works in NYC. She received her MFA in Photography from RIT in 2018 and BFA in Painting from VCU in 2014. Her work has been exhibited/screened internationally including China, UK, US, Sweden, Venezuela and Greece. Chen has been a participant of Shell House Arts, Catskills, NY; The Studios at MASS MoCA, North Adams, MA; chaNorth residency, Pine Plains, NY; Vermont Studio Center Fellowship, Johnson, VT; NYFA Immigrant Mentoring Program, Brooklyn, NY.

Bergren Forum - Roger Loucks

The Bergren Forum is sponsored by the Division of Human Studies, The College of Liberal Arts and Sciences and the Provost's Office will be meeting on Thursday October 3rd at 12:10 Pm in Nevins Theatre, Powell Campus Center.

Bring a brown bag lunch, coffee and tea will be provided.

Speaker: Roger Loucks

Topic: "The Multiverse: Science or Science Fiction?"

The ability to test a scientific proposition may be the most tenet of science. But, it is true that all scientific explanations are experimentally verifiable? Is it possible that there exists some subset of scientific theories that by their very nature are untestable? If such a theory exists, is it science? The multiverse may be just such a theory.

Junior Strings Program begins next week

Is your child interested in music? Discover the magic of playing the violin in the the AU Junior Strings Program. There are a few more openings in the Beginning Violin Class for children ages 5-10.

The Beginning Strings Class will meet on Wednesdays at 4:00 pm beginning October 9 in the Miller Performing Arts Center- room 302.

Tuition is \$80 /semester Per Family [regardless of number of children]. Violins, music and weekly instruction are provided.

There are six classes with nearly 40 children in the AU Jr. Strings Program, now in its 22nd year. All classes perform each semester in a group recital in early Dec. and May.

An informational meeting will take place this Saturday at 9:45 in Miller 302. For more information, contact Dr. Lisa Lantz, Director at Lantz@alfred.edu
