Please join us in saying farewell to Cheryl Monroe

Please join us Thursday, June 28, between 1 and 3:30 p.m. in Carnegie Hall to say farewell to Cheryl Monroe, executive assistant to the Provost, who will retire as of June 30.

Cheryl is a linchpin of Alfred University, beloved by faculty, staff and students alike for her quiet efficiency in getting things done, and making major events, including Opening Convocation, Honors Convocation and Commencement, run smoothly. In one way or another, everyone at Alfred University is touched by what she does on our behalf.

Cheryl has been at Alfred University since 1986 in a variety of roles, including secretary to the dean of the College of Liberal Arts & Sciences and, since 2004, executive assistant to the Provost and Vice President for Academic Affairs.

She has worked with Provosts Bill Hall (twice, once when he was acting Provost and then again when he took the job full-time); Suzanne Buckley, and for the past four years has been a source of information, guidance and unwavering support to me.

I hope you will stop by our office to wish Cheryl a well-deserved retirement and to enjoy light refreshments.

Rick Stephens, Provost and VP, Academic Affairs

NaturalizeNY: Lottery will provide vouchers for free citizenship

Governor Cuomo's Office for New Americans has launched its second round of NaturalizeNY assisting New Yorkers with the path to citizenship. As a result, New York State will lottery off 1,500 vouchers that cover the cost of applying for U.S. citizenship (worth \$725) as well as all associated legal services. The initiative is called NaturalizeNY <<http://www.NaturalizeNY.org>> <<http://www.NaturalizeNY.org>>.

The lottery is free to enter and open to all citizenship-eligible legal permanent residents (green card holders) residing in New York State who meet certain income requirements. This means that you do not have to be a SUNY affiliate to apply for the lottery. Anyone who meets the eligibility requirements can also register and win. To learn more about the lottery and to register, go to www.NaturalizeNY.org <<http://www.NaturalizeNY.org>>. You can also call (800) 566-7636.

When you register for the lottery, you will be asked a short series of questions to determine your eligibility for the program. All information provided will be stored securely and is strictly confidential.

THE DEADLINE FOR REGISTERING IS JULY 28, 2017.
