President's Medallion

Alfred State honors Doug Barber for contributions

ALFRED—Associate Professor Emeritus Douglas Barber was recently honored with the Alfred State President's Medallion at the Alfred State Lake Lodge.

The President's Medallion was instituted in 2008 and is awarded to those who have made outstanding contributions to Alfred State. The college recognizes and commemorates the efforts of supporters and advocates dedicated to the mission of Alfred State.

Barber is a 1966 graduate of Alfred State's construction technology program, which he says laid the foundation for many of his personal and professional achievements. He joined the Alfred State staff in 1967, when he was hired as a technical assistant in the Civil Engineering Technology Department.

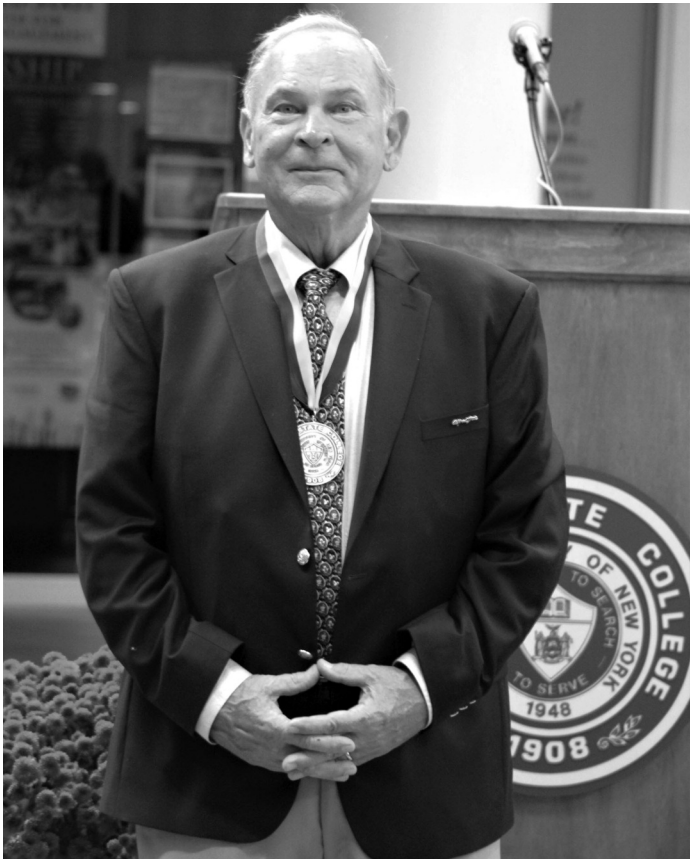

Barber became a faculty member in 1975 and held a number of positions at the college over the years, including associate professor, assistant vice president, and dean

of the School of Management and Engineering Technology.

During his time at Alfred State, Barber helped the construction programs attain TAC/ABET-accreditation. He also participated in the development of baccalaureate-level engineering-technology courses and cultivated relationships with area and regional businesses and various alumni, resulting in donations to the engineering technology programs.

Additionally, Barber served as an evaluation team member for the Accreditation Board for Engineering and Technology, and was active in the Rochester Construction Specifications Institute. He retired from Alfred State in 2005.

Outside of the classroom, Barber established a construction company that helped develop and construct housing in the Town of Alfred. He also served as a member of the Educational Foundation of Alfred, Inc., a volunteer with Alfred's A.E. Crandall Hook

and Ladder Volunteer Fire Department, and served on the Alfred 21st Century Group Board of Directors.

Under his leadership, the Educational Foundation of Alfred, Inc. purchased the former Butler-Larkin Building just off Brooklyn Ave. in Wellsville, allowing expansion of the college's Wellsville Vocational Technology campus. The purchase of the building allowed room for growth and expansion of the campus, thus averting a planned move of the vocational division to Alfred.

Barber has not slowed down since his retirement. He is a 10-year member of SCORE (Senior Corps of Retired Executives), a group that works to support and mentor small business owners. Additionally, he manages five rental properties and is developing building lots in Sittee, Belize. He also continues to enjoy his 25-year hobby of scuba diving and taking underwater pictures.

Almond gets \$35,145 grant to inventory town records

ALMOND—The Town of Almond has been awarded a state grant in the amount of \$35,145 to facilitate the preservation of Town of Almond records.

The Local Government Records Management Improvement Fund (LGRMIF) grant was awarded by the New York State Archives, a unit of the New York State Education Department.

Town Clerk Shelly Stevens, who applied for the grant, said, "The last documented time that an inventory was complete for the Town of Almond records, which includes Marriage, Death, Birth, Financials, and Assessor records along with other permanent records such as payroll, was in 1991."

Almond Town Supervisor Dawn Wildrick-Cole applauded the town clerk in securing the grant, "Since Shelly began working as Town Clerk in early 2018, she has been actively attending trainings and in constant contact with NYS Archives to get this project going. She saw the need, focused in on it, and we're proud to say, 'she got it done.'"

Stevens said she is excited for what she sees as the first step in bringing Town of Almond

records and archives into the 21st century.

"Once records are organized whether they should be retained or destroyed and inventoried, along with ensuring proper climate conditions, it will be much easier in the future to work toward becoming electronically accessible."

Stevens' background in technology has been a major impetus in her successful pursuit of the grant with the ultimate goal of digitizing the town's records.

"But first things first. We have to get a handle on what records we have before we can even contemplate converting them electronically," she said.

The town clerk said she envisions the project as a multi-year process.

"I'm thrilled that the Town has been approved to begin this process with this first grant," she said.

Noting that the grant does not require any contribution or match from Town of Almond funds, Stevens said she plans to apply again for additional funding after each step of the electronic record process.

Almond Town Clerk Shelly Stevens hopes to inventory and digitize the town's records for preservation.

OBITUARIES

Elsie A. Swartz, 74, Greenwood grad, could play any instrument

ELSIE A. SWARTZ
Long-time music teacher
ANDOVER—Elsie A. Swartz, 74, of Andover, passed away on Tuesday, Oct. 8, 2019 at home surrounded by her family.

Mrs. Swartz was born in Nyack on June 13, 1945 to Herman A. and Marie E. (Mills) Koehler. She was a 1963 graduate of Greenwood Central School. On June 10,

1967, Elsie married Donald F. Swartz, who survives.
Elsie received her bachelor's degree at Alfred State and obtained her Master's Degree in Music Education at SUNY Fredonia. Her first teaching position was in Troupsburg, where she taught music for three years. After that, she transferred to Wellsville Central Schools where she remained as a music teacher for 40 years, retiring in 2009.
Along with her husband of 52 years, Elsie is survived by her children, Stacey A. Swartz (Rick Clark) of New Market, Maryland, Kelli (Butch) Niedermaier of Hartsville, and Steven (Alisa) Swartz of Andover; her sisters, June Jennings of Watkins Glen and Kathy Walker (Richard Chamness) of Bradenton, Florida; her brother, Ken (Karen) Koehler of Greenwood; grandchildren, Alexis Niedermaier, Heather Nieder-

maier, Logan Clark, Gunner Swartz, Kelsie Niedermaier, Dylan Clark and Kohler Niedermaier; and several nieces, nephews and cousins.
Elsie was a talented musician who could play any instrument. Her favorites were the violin, which she began at age four, the trumpet and the French horn. Elsie was a member of the original Greenwood Central Trumpet Trio, where she played first chair. In the late 1980's Elsie was inducted into the Mighty St. Joe's Drum and Bugle Corps and holds the honor of the first woman inductee into their midst. She was honored to serve as a line director which required her to direct a section of the corps. The Mighty St. Joe's traveled extensively to various venues such as Plymouth Rock and Baltimore, often with the honor of opening shows and events.
During her teaching career,

Elsie was known for finding and keeping instruments on hand so that any child who wanted to play would have an instrument without the financial obstacle.
Elsie loved animals, especially horses, miniature donkeys, dogs and cats. She spent many fun hours snowmobiling and four wheeling with her husband. They also enjoyed watching football together. Her children credit her with giving them a solid upbringing, loving them unconditionally while running a tight ship.
Elsie spent most of her life as a Bills fan. Her son Steven is credited with converting her to becoming a Steelers fan

following an amazing experience at a Steeler game in Pittsburgh and experiencing Steeler Nation first hand.
Visitation was held from 12 noon to 2 p.m. Saturday, Oct. 12 at Baker-Swan Funeral Home in Andover with a short service at 2 p.m. followed by a celebration of life gathering at Elsie's home. Online condolences may be offered at www.baker-swan.com.
In lieu of flowers, memorial contributions in Elsie's name may be made to the Wellsville Music Boosters, C/O Jeff Joslyn, 126 W. State St. Wellsville, NY 14895, or to SPCA Serving Allegany County, PO Box 381, Wellsville, NY 14895.

Ruth Anna Meacham, 87, Yahtzee Champ

RUTH ANNA MEACHAM
Taught, worked at Rich Plan
WELLSVILLE—Ruth Anna Meacham, 87, of Wellsville went to be with her Lord and Savior on Saturday, Oct. 12, 2019 at the Hart Comfort House of Allegany County, surrounded by her loving family.

Ruth was born on Sept. 6, 1932 in Hartsville, the last child of Clarence L. and Lida (Woodworth) Payne. She was a 1951 graduate of Canisteo Central School. Ruth also graduated from Houghton College in 1970, having gone to college after she had six children.

Ruth taught school at Scio Central School and substituted in other districts in New York and Pennsylvania. After teaching, she worked at Rich Plan of Perry, followed by twenty years at Olean Advanced Products where she retired in 1998.

Over the years, Ruth was married to Thurlow Edwards, Ellsworth "Buster" Lingenfelter, Benny Baker, Samuel Prickett and Donald Meacham, all of whom predeceased her. On Oct. 10, 2012 she married Duane E. McGraw, who survives.

In addition to her husband,

Ruth is survived by her children, Judy (James) Emerson of Marion Center, Pennsylvania, David Edwards of Watervliet, Linda Hinkle of Ladson, South Carolina, Mark (Helen) Baker of Bristow, Virginia, and Robert (Tina) Lingenfelter of Wellsville; a "daughter" Kathy Winans of Wellsville, who was always willing to take her places or help her in many ways; a nephew Arlyn Smith of Wellsville, who spent a great deal of time growing up at her home and also helped her in later years, often checking to make sure she was "okay"; many grandchildren, great grandchildren, three great, great granddaughters, one great, great grandson, as well as many step-children, nieces and nephews all of whom were greatly loved.

In addition to her husbands, Ruth was predeceased in 1974 by a son, Zane Edwards; a grandson in 1975, Bradley James "BJ" Emerson; a granddaughter in 2000, Kayla Lingenfelter; four sisters, Carrie Payne and Elizabeth Payne, both infants, Bessie (Thurston) Granger and Mildred (Wilfred) Smith; three brothers, Charles Payne, Clarence Alson Payne, and Grover (Dorothy) Payne; and her son-in-law, Michael Hinkle, Sr., who was like a son to her.

Ruth was a Volunteer Chaplain at Wellsville Manor Care Center and Highland Park Rehabilitation and Nursing Home for many years, where she also played the piano once or twice a week for the residents; she also conducted "hymn sings" at both facilities.

Ruth served the children of the community as a Foster Grandparent at Wellsville Elementary School, where she was affectionately known as

"Grandma Ruth." Ruth played the organ for Faith Baptist Church in Yorks Corners for more than six years.

She attended Trinity Evangelical Lutheran Church in Wellsville, where she was very active, especially in their Bible studies and evangelism ministry.

Ruth enjoyed almost any music, reading, especially her Bible, doing word and jigsaw puzzles and embroidering. She was an excellent baker, known especially for her award-winning caramel apple pie and her sugar cookies. Ruth was most fulfilled when she was telling others about her Lord and Savior Jesus Christ.

Ruth's children have fond memories of family game nights, which has been a tradition for them since 2005. Many wonderful hours were enjoyed while completing puzzles or playing strategy games such as Catan. Ruth is credited as the Yahtzee Champion, having uncanny success in throwing multiple "yahtzees" during a game.

Visitation was held from 2 to 4 and 6 to 8 Wednesday, Oct. 16 at Trinity Lutheran Church in Wellsville. The funeral service will be held at 11 a.m. today (Thursday, Oct. 16) with Pastor Willson officiating. Burial will be in Angelica at the Until the Day Dawn Cemetery. Arrangements are under the direction of Baker-Swan Funeral Home, Wellsville and online condolences may be offered at www.baker-swan.com.

Memorial contributions in Ruth's name may be made to Trinity Lutheran Church, Evangelism Fund, 470 North Main Street, Wellsville, NY 14895 or to Hart Comfort House of Allegany County, 141 East State Street, Wellsville, NY 14895.

Ninos, Higgins Scholarships awarded

ALFRED—The Alfred Lions recently presented its annual scholarships to two local 2019 Alfred-Almond High School graduates attending area colleges.

Donata Koegel received the John E. Ninos Academic Scholarship and is attending Alfred State College. Sarah Johnson was recipient of the Wallace C. Higgins Academic Scholarship and is attending

Alfred University. The Lions were able to increase the scholarships to \$1000 due to the generous contributions on behalf of the late Lions Higgins and Ninos.

Each young woman gave a brief presentation about what the scholarship means to them and their plans for the careers they are pursuing. Donata is majoring in Elementary Education as part of a lifelong dream of being a teacher. Sarah is pursuing Athletic Training as it is a great mix of her love for sports and science.

In attendance were Donata's parents, Tim and Kathy Koegel, and Sarah's mother, Amy Allen. The Lions are so proud of these young women and are happy to support their academic endeavors.

Other Lions news included the results of the September Chicken BBQ and the fudge sale currently underway. The club is selling Honey Pot fudge during the month of October as one of their regular fundraisers. The fudge comes in eight flavors designed only for the club's sales. Those interested in purchasing some delicious fudge can do so at the Box of Books, Rogue Carrot and Stearns Poultry Farm. Members will also be selling the fudge at the Alfred branch of Community Bank from 12 noon to 2 p.m. each Monday or Friday through October.

Area residents are asked to please support the club's fundraisers as all monies collected are put back into the local community.

SUNNY SIDE UP

By **ELLEN SHULTZ**
Alfred Sun Columnist

Most unusual recipe ever seen

[Editor's Note: Like most of the recipes she shared with our readers over the past couple of decades, Ellen Shultz's Sunny Side Up columns are worth repeating.]

Under the category of Most Unusual Recipe I Have Ever Seen, here is a recipe I found while on vacation. It appeared in the Washington Post newspaper under the title "A Family Favorite." I can't imagine who would have thought to combine these ingredients, but if you have an adventurous nature, give it a try.

Watermelon Salad with Mint Leaves

1 (5 lb.) watermelon 1/4 c. extra virgin olive oil
1 Vidalia or other sweet onion 2 T. chopped fresh mint leaves
1/4 c. red wine vinegar 4 oz. feta cheese, crumbled
salt and pepper whole mint sprigs for garnish

Cut the flesh from the melon and cut into bite size pieces, removing the seeds. Set aside. Peel and slice the onion into rings. In a small bowl combine the vinegar, salt and pepper, and whisk until salt is dissolved. Slowly whisk in the olive oil, a few drops at a time. Add in the chopped mint; taste and adjust seasonings. In a large bowl, combine the melon, onion and feta. Pour the dressing over the melon mixture and toss gently until everything is coated and evenly mixed. Garnish with mint sprigs. 6 servings.

BIGGEST FLOP IN BASKETBALL HISTORY...

Thanks to Fresh Air host families

To the Editor:

I would like to take this opportunity to thank our Fresh Air host families and volunteer leaders the Southwest Seneca Lake Area. Because of their dedication and commitment, thousands of children from New York City's low-income communities participated in our Friendly Towns volunteer host family program this summer.

I am inspired by the heart-felt stories shared by hosts who welcome our children into their homes and community, and the joy and growth it

brings to everyone. For over 140 years, The Fresh Air Fund has brought people together. Children make new friends and forge relationships that can last a lifetime. We've learned that after staying with a host family children are more confident and more comfortable meeting new and different people. Children tell me about their excitement to return to visit with a host family and all the activities ahead.

Our programs would not be possible without the generosity of our Fresh Air host families, supporters, and

volunteers in the Southwest Seneca Lake Area. Our local volunteers, many of whom are also hosts, interview prospective host families, help recruit new families and plan special activities. I would also like to thank the individuals and local businesses who give their time and resources to ensure The Fresh Air Fund's Friendly Towns Program in the Southwest Seneca Lake Area is such a success each year.

The Fresh Air Fund, an independent, not-for-profit agency, has provided free summer experiences to more than 1.8 million New York City children from low-income communities since 1877. Each summer, thousands of children visit volunteer host families along the East Coast and Southern Canada.

Please contact Rachel Beiler at 607-215-6603 or visit www.FreshAir.org to learn more about hosting a child through The Fresh Air Fund.

Sincerely,
Fatima Shama

I've *just* washed the dishes, and then...
They're back on the counter again.
My job is, from breakfast to sup,
To keep them from piling up,
As the cook strives to keep bread and meat on—
And us pigs need clean dishes to eat on.

But times are, I feel I might crack
As I witness how quick grows the stack.
And many's the time I despair
At bowls balanced high in the air,
And shudder and freak out and blanch
At an imminent dish-avalanche.

Yes, many's the time that I freak
At the sight of the height of the peak;
Then, to get them all down in the suds
With minimal crashes and thuds....
None can fault me, I think, if I panic
At a sink that would sink the Titanic.

But surveying the towering eyeful,
Yens to get lost in Paris I stifle.
Instead I just shoulder my lot
And scour each plate, pan, and pot.
I'd strike, but I know if I try it
I'm condemned to a starvation diet.

ALFRED TOWN TALK

By DAN ACTON

Alfred Town Supervisor

Highlights of the Oct. 10, 2019 Town Board Meeting A Topical Potpourri

A variety of topics came before the board at the October meeting. One of the more interesting was the report by APD Chief Paul Griffith who noted that the general nature of incidents investigated by his department was typical except for one thing. It seems there has been an increase in DUI tickets recently and these have been related to marijuana. The Chief surmised that students seem to think it is now legal and more vehicle stops have been related to its use. He also expressed reservations about bail reform which starts in January 2020.

Highway superintendent Bob Halsey reported that we are now able to again use salt brine to control dust on town roads. Readers of this column will remember that last year the state suddenly prohibited the use of salt brine under the suspicion that harmful chemicals would be released. This threw our town and other towns into spending considerable time trying to find a suitable alternative that would not break our budget. Suddenly the state changed its mind, salt brine can again be used, and a lot of time was wasted trying to find an alternative.

He also reported that Green Road has become a favorite place for some people to dump garbage along the road. This includes bags of toys, household garbage, mattresses, and even a sofa. He reported that one day our small truck bed was full of such garbage. This illegal dumping along town roads is an abuse of town resources and if anyone knows who is doing this please let us know.

Finally, board member Bill Cleveland reported on estimated costs to extend the metal storage building in order to get all our equipment out of the weather. Part of this discussion centered around how to pay for the project and one suggestion was to sell the 30-acre parcel of land on Hamilton Hill Road owned by the town. It seems this property was purchased many years ago for storage of scrap metal of all sorts. Whereas we now take that material to be recycled it appears we no longer have a need for the property. If sold, we could put the proceeds into the storage building project. The board agreed to investigate this possibility by first getting the property assessed.

THE ALFRED SUN

DEADLINE for NEXT ISSUE:

We've got a deadline and we're stickin' to it.

E-mail news, ads, to: alfred-sun.news@gmail.com

NEXT ISSUE:

Thursday, Oct. 24

Deadline: 12 noon Monday, Oct. 21

Quite frankly, we'd like you to subscribe to the Sun!

Back in 1884, a simple item appeared in the Alfred Sun that said, "Wanted, one thousand subscribers to the Sun."

That goal suggested by Sun co-founder and legendary Editor and Publisher Frank A. Crumb, was met before the new millennium. But now we'd like to keep the dream alive. So we've set a goal of 135 new subscribers to mark the SUN's 135th anniversary.

During Frank Crumb's Dream Campaign, we offer new subscribers 13 months for the year's subscription price of \$35. That's \$65 off the news stand price. And you'll read hometown news and interesting stories found nowhere else!

If you would like to help keep Frank Crumb's Dream alive, send your name and address or that of a loved

one with check payable to "Alfred Sun" to: Frank Crumb's Dream, c/o Alfred Sun, P.O. Box 811, Alfred, NY 14802. We thank you and Frank thanks you!

Yes! I want to help fulfill Frank Crumb's Dream! Please enter my subscription to the Alfred Sun!

ALLEGANY COUNTY NEWS

Maier's Market, a BigM supermarket and anchor store on Main Street in Andover, will close its doors effective Friday, Nov. 1 after nearly 20 years serving the community.

Maier's Market will close

ANDOVER—Maier's Market owner Dawn Niedermaier left a voicemail at The Alfred Sun last week. Upon returning the call, she was quick and to the point, answering, "I have some bad news. I'm closing the store."

Niedermaier had sought a buyer of the local BigM supermarket for several months but without success.

"We'll insert one more sales flyer and then that will be it," she added.

Maier's Market, which has served the Andover area community well over the past two decades under Dawn's management, will close its doors effective Friday, Nov. 1.

The closing sale will begin Sunday, Oct. 20 with prices on items throughout the store marked down to clear inventory.

The store's 20 employees,

five of whom are full-time and had been with the store for its 19 years with Niedermaier, were told of its closing last week.

Niedermaier had nothing but praise for her employees who "have been here since the beginning and made this operation work."

The changing economic landscape has led to the store's closing, she said, however, citing the economic uncertainty surrounding major manufacturing employers in nearby Wellsville along with other contributing factors.

"We just don't have enough shoppers to support three stores in Andover," she said, noting that the opening of a new Dollar General store on Rt. 417 in Andover has had an immediate impact.

She said a few families, just in the past month, have

moved out of Andover. Then there's the significant increase in minimum wage, excessive state regulations, and local property taxes.

She expressed her appreciation for the store's loyal customers over the past two decades.

"We wouldn't have kept the doors open this long if it wasn't for our loyal customers."

Many Alfred area residents, who were among those loyal customers, will no doubt miss the convenience of going just "over the hill" for quality meats, great deals on grocery items, baked goods and the fixings from one of the best delis around.

ALFRED UNIVERSITY

AUenergy Symposium draws more than 275 participants

ALFRED—Alfred University’s Inamori School of Engineering hosted the Second Annual AUenergy Symposium on Friday, Oct. 11, on the Alfred University campus and attendance was nearly double that of last year’s event.

Alfred University’s Renewable Energy Engineering Department was joined at the symposium by representatives of regional utility companies, businesses, area high schools and other stakeholders in learning about the latest sustainable energy solutions. This year’s symposium featured technology demonstrations, panel discussions and student poster sessions.

Friday’s event drew more than 275 participants,

well over the 165 who attended the inaugural AUenergy Symposium in 2018. Among the attendees were 150 students from area high schools, more than double the 70 who came last year.

The symposium featured four panel discussions: “Use of Next Generation Technologies for Energy Systems – Augmented and Virtual Reality, UAVs, Blockchain”; “Energy Storage”; “Resiliency and Cybersecurity for the Grid”; and “Workforce Needs.”

The symposium was sponsored by Alfred University, the Center for Advanced Ceramic Technology, Corning Inc., and FuzeHub.

College of Business program shines spotlight on AU alumni

ALFRED—A new program in Alfred University’s College of Business seeks to shine a spotlight on alumni who have enjoyed success in business, allowing students to interact with them and learn about their career experiences.

The first Executive in Residence for a Day was held on campus Monday, with Lance Shaner ’75, presenting the evening keynote address to students. Shaner, who earned a bachelor’s degree in history from Alfred University, is

chairman and chief executive officer of Shaner Companies, a diversified, privately held company that owns and operates investments in the lodging, finance, energy and professional service sectors.

Diana Maguire, assistant professor of management in Alfred University’s College of Business, who helped coordinate development of the Executive in Residence for a Day program, said exposing students to alumni who have achieved professional success

can help them find their career paths.

“The benefits to students are enormous – getting face time with high level executives, developing students’ professional networking skills, and broadening their career outlooks,” Maguire commented. “The College of Business as a whole benefits from having the executives bring their experiences to our students and share with the faculty their perceived needs in the business world today.”

Maguire said the program evolved from the College’s executive speaker program, in which business executives talk to students about their professions in a large group evening session. The Executive in Residence for a Day expands on that concept to allow classroom visits and small group meetings with students.

Shaner’s keynote address was preceded on Monday by classroom talks on “Managerial Finance” by Jason Morrison, assistant professor of Finance; “Management and Organizational Behavior” by Maguire; and Student Managed Investment Fund” by John Aulerich, assistant professor of finance.

Maguire said the College of Business hopes to hold the Executive in Residence for a Day program each semester.

Lance Shaner (AU ‘75) speaks to students Monday, Oct. 7 as part of the Executive in Residence for a Day program.

Alfred University students Mohammed Alaqueel (left) and Monawar Obaidallah participated in poster session during Friday’s second Annual AUenergy Symposium. They are shown in the photo above with their poster, titled “Cybersecurity Big Data in Renewable Energy.”

AU engineering students earn awards for co-op work

ALFRED—Two Alfred University engineering students were presented with awards Thursday, Oct. 10, recognizing them for work in their respective co-op experiences.

Amanda Godsil, a senior glass engineering science major from Bergen, NJ, was presented with the McMahon Scholar Award, while Karl Huber, a senior mechanical engineering major from Horseheads, was recognized with the Robert R. McComsey Career Development Center Outstanding Mechanical Engineering/Renewable Energy Engineering Co-op Award.

William Carty, McMahon professor of ceramic engineering and materials science, presented Godsil and Huber with their awards prior to the John F. McMahon Memorial Lecture Thursday.

Godsil, the daughter of Andrew and Viola Godsil, was recognized for her co-op with Owens-Illinois, Research and Development, in Perrysburg, OH, during the fall of 2018. Owens-Illinois is a global leader in the manufacture of glass containers.

Huber, the son of Paul and Anne Huber, was honored for his co-op at BorgWarner Morse System in Ithaca, this past spring. BorgWarner is a worldwide leader in the design and manufacturing of automotive chain systems and components for engine timing, automatic transmission, and four-wheel drive applications.

Following the awards presentations, the McMahon Lecture was presented by Susan Trolier-McKinstry, Steward S. Flaschen Professor of Ceramic Science and Engineering and Electrical Engineering at Penn State University.

In her lecture, titled “Piezoelectric Films for Microelectromechanical Systems,” Trolier-McKinstry discussed piezoelectric thin films and their use in low voltage microelectromechanical systems (MEMS) for sensing, actuation, and energy harvesting.

Meet your future with confidence.

Almond native will speak of recently published book

WELLSVILLE—Almond native and author Andrew Phelan will present an illustrated talk about his most recent book, *Barbara and the Cord*, at 6 p.m. Thursday, Oct. 24 in the Monday Club Room of the David A. Howe Public Library, 155 N. Main Street, Wellsville.

The talk is free and open to the public.

The subject of Phelan's book, Barbara Mather Chapin Williams (1920-2014) was a long time resident of Wellsville. For many years she lived in the Mather Family Homestead at 343 North Main Street (originally her mother's home) and during much of that time the Mather Family Homestead was open to the public as a museum.

Barbara was a writer, cultural activist and arts advocate

and her two major initiatives; The Carnival Caravan and the Artmobile, were both organized to take art to rural communities and schools. Her marriage to musician Glenn Williams took her away from cultural activism and into worldly travels for two decades, but upon his death she returned to Wellsville for the last three decades of her life and actively participated in local cultural affairs and institutions.

Phelan will talk about her rich life and the cultural initiatives she worked on. Following the talk, he will be available to answer questions and sign books.

Andrew L. Phelan has written or edited twelve books including two that feature his photography. In addition to writing, creating or editing

books, he has organized 13 exhibitions and published more than a dozen articles on art, crafts, history and studio art education that have appeared in several languages.

Beginning his career as a high school art teacher (following in the footsteps of his father, Linn Phelan, who taught many years at Alfred-Almond Central School), Phelan then served with the 101st Airborne Division in Vietnam as a medic where he was awarded a Bronze Star and Purple Heart.

Following his army service, Phelan was a professor for more than 30 years and served in various administrative positions as an assistant to the president, dean, director or chair of programs in higher education. His public service included work on a number of accreditation teams, panels, juries and committees and as consultant to departments of education for several states and to the United Nations. He has also worked as a consultant to an international company in Japan.

Phelan has traveled professionally to many places in the United States as well as to China, England, France, Italy, Korea, Spain, Mexico, Japan, Israel and the Caribbean where he has given numerous invited presentations.

As an artist, he exhibited in New York and elsewhere and has participated in a number of innovative multimedia projects. His biography has been included in various Who's Who lists for many years, including a listing in Who's Who in American Art for more than twenty-five years.

Artwork by late AU alum will be exhibited at Cohen

ALFRED—An exhibition of artwork by late Alfred University alumnus Matthew Underwood '06 will be on display at Alfred University's Cohen Gallery, 55 N. Main Street, Alfred, beginning Saturday, Oct. 19.

The exhibition, titled "Matthew Underwood: Tender Buttons" is a presentation of Underwood's work, assembled and curated by his friend, Nadine Sobel '06 (B.F.A.).

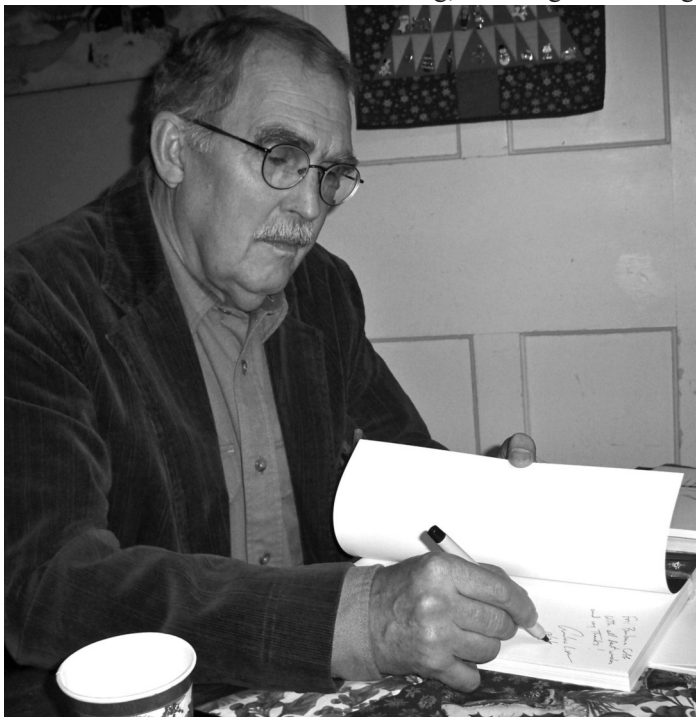

Underwood, who earned a B.F.A. from in 2006 and an M.F.A. degree, also from Alfred University in 2018, passed away on March 23 at age 34.

He was a prolific maker, working in layers, manipulating the surface whether it was

print, painting, video, or ceramic working with many different materials. The exhibition title, "tender buttons" comes from Gertrude Stein's book published in 1914, which Underwood references in his thesis book "making strange", on view in the exhibition.

Alfred was a very important place to Underwood; sometimes a second home, sometimes home base. He was a resident artist in the Institute for Electronic Arts in March and December 2008.

An opening reception for the exhibition will be from 5-8 p.m. Saturday, Oct. 19, which would have been Underwood's 36th birthday.

ALFRED UNIVERSITY LIBRARIES

Keurig coffee makers brew Plant Giveaway

ALFRED—Mechele Romanchock, director of libraries at Alfred University, loves her coffee. What she isn't particularly fond of, however, are the Keurig coffee makers at Herrick and Scholes libraries. The cause of her ire: the amount of garbage – in the form of spent plastic pods – created by each cup of joe brewed using the libraries' Keurig machines.

One day, in the spring of 2018, while emptying coffee grounds into the trash so she could place a used pod into the recycling bin, Romanchock realized the size of the container was perfect for starting a plant. And that gave her an idea for dealing with the disposal of the spent Keurig cups: she would clean them out, and use them to pot plant cuttings and root divisions.

The plants would ultimately be given to students as a way to welcome them to campus that fall. Dubbed the First Annual Library Plant Giveaway, the event also served as a way to bring students into the libraries, where they could meet with staff and learn about library services. More than 100 plants that had been started in the used Keurig pods and grown over the sum-

mer were handed out at Scholes and Herrick libraries.

The South Central Regional Library Council (SCRLC) recently recognized the Library Plant Giveaway Program when it awarded Romanchock and Alfred University's Public Services Team with the 2019 SCLRC Sustainability Award.

Because the program was such a success last year, Alfred University Libraries decided to do it again this fall. Keurig pods were collected throughout the 2018-19 academic year and used to start plants. On Wednesday, Oct. 2, the libraries held the Second Annual Library Plant Giveaway. Students visiting Herrick and Scholes walked away with 256 plants, which shows the program, like the plants, has grown over the last year.

The idea for the Plant Giveaway program came naturally to Romanchock, who when she began her duties as director of libraries in 2016, noticed there were only a few plants at Scholes Library. She gradually introduced plants and, eventually, each sill on the south-facing windows of all three floors was adorned with plants.

Soon, fellow library staff began bringing in plants as well.

The Plant Giveaway program was the first major collaborative event between the newly unified Herrick and

Scholes Library Public Services teams. The 2018 event helped that partnership begin with an early, and fun, success.

Students at Scholes Library with plants they received at the University Libraries' Plant Give away earlier this month.

NOTES from the BOX OF BOOKS

Library collecting non-perishables to give to Alfred Area Food Pantry

By MELANIE MILLER

Box of Books Library Director

Through the month of October, the Alfred Box of Books Library is collecting non-perishable food items for the Alfred Area Food Pantry as part of the Great Give Back. This is a statewide initiative for libraries and their patrons to give back to their communities. You can drop off any non-perishable item to the library during our regular hours.

Coming Events:

October 23 at 5 p.m. we will be hosting a Dragons Love Tacos party. This event is open to anyone and everyone. We will read the story, *Dragons Love Tacos* by Adam Rubin, create some dragon-themed crafts, and there will be tacos! We will have beef and vegetarian options available. We do ask that you register by calling the Box of Books at 607-587-9290 or emailing at alfred@stls.org.

October 28 from 4:30-6 p.m. join us for Hallo-STEAM. We will be using science, technology, engineering, art, and math for various activities including making a candy catapult and more!

Be sure to like us on Facebook to see all our events and activities. Our full calendar is also available on our website at www.alfredboxofbookslibrary.org.

Thriving Recipe: Cassava Flour Muffins/Bread

Cassava flour is one of my favorite nutrient-dense flours! Made from the yucca root, this flour is easy to digest, packed with nutrients and free of common allergens (gluten and nuts). And, best of all, it can be substituted as a one to one ratio with all purpose flour. This makes baking your favorite recipes a breeze!

Here is a "behind the scenes" look at how I crafted this recipe:

I converted a "regular" zucchini bread recipe into a Thriving Health approved treat! First, I swapped out the processed ingredients as follows: cassava flour for white flour, coconut oil for vegetable oil, and maple syrup for white sugar.

The flour and oil quantity stayed the same. Sugar changed from 2 ¼ cup of white sugar to ¼ cup of maple syrup. Maple syrup is sweeter than regular sugar. Then I increased the amount of blueberries, which also compensated for added sweetness. (I didn't want to skimp on the best part!)

Last of all, I found that this recipe did have to bake longer because the cassava flour is a little more dense than most flours. A good hour does it, and then, voilà, delicious bread!

Also, when I put these same ingredients into my muffin pans, they turned out great! In fact, I enjoyed the recipe even more as muffins!

Cassava Muffins or Bread

Yields 2 small loaves bread or 18-24 muffins

Ingredients:

3 eggs, lightly beaten

- 1 cup coconut oil (melted)
- 1 Tablespoon vanilla extract
- 1/4 cup maple syrup
- 2 cups shredded zucchini
- 3 cups cassava flour
- 1 teaspoon salt
- 1 teaspoon baking powder
- 1/4 teaspoon baking soda
- 1 tablespoon ground cinnamon
- 1 1/2 cups blueberries (fresh or frozen)

Directions:

Preheat oven to 350 degrees F (175 degrees C). Lightly grease loaf pans or muffin pan with coconut oil.

In a large bowl, beat together the wet ingredients: eggs, oil, vanilla, and maple syrup. Fold in the zucchini.

In a small bowl, combine the flour, salt, baking powder, baking soda, and cinnamon. Add to wet ingredients. Gently fold in the blueberries. Transfer to the prepared baking pans.

Bake 60 minutes in the preheated oven, or until a knife inserted in the center of a loaf/muffins comes out clean. Cool 20 minutes in pans, then turn out onto wire racks to cool completely.

*Note: Cassava flour can be purchased at Wegmans, Amazon, and local health food stores.

The DIY Farmer's Wife Approach

By KRISTINA SNYDER
Alfred Sun Columnist

DIY Fall Leaf Preserving

The leaves this year are gorgeous! Maybe I say the same thing every year but I truly mean it. I remain in awe of how the hues of green so quickly fade to brilliant reds, yellows and browns. It happens so fast and the color is so fleeting I am always looking for ways to preserve the colors longer. This year we tried using wax paper and so far the colors haven't faded.

What You Need:

*Fall Leaves

*wax paper

*iron

You can do this two ways.

1. Make a mural of leaves to hang on a window. To start this process cut a piece of wax paper to size and arrange leaves in a decorative pattern. Place a second sheet on top of the first and iron it lightly until pieces are stuck together. Trim edges and create a gram using sticks and twine. Glue the wax paper creation onto the back of the stick frame and hang.

2. For individual leaves cut a smaller piece of wax paper just larger than the leaf. Place leaf on top and then put a second piece of wax paper over. Iron and trim to desired shape.

DAVID A. HOWE LIBRARY

‘Write Me a Murder’ to be staged in Wellsville

WELLSVILLE—“Write Me a Murder” will be performed by The Valley Theatre at 7 p.m. Saturday, October 26 and at 2 p.m. Sunday, October 27 at the Nancy Howe Auditorium at the David A. Howe Public Library, 155 North Main Street, Wellsville.

The Valley Theatre returns with a staging of Frederick Knott’s twisty mystery *Write Me a Murder* directed by Nic Gunning.

Frederick Knott, the author of the Hitchcock classic *Dial M for Murder* and the thrilling *Wait Until Dark*, was adept at taking the audience for an unexpected ride. In *Write Me a Murder*, the death of the Rodingham patriarch stirs conflict between two estranged brothers, one a playboy (Jeff Babbitt) and the other a successful author (Stephen Van Valkenburg) called home by the family doctor (Alison Reusser).

Sensing discord, an opportunistic businessman (Christopher Tetta) with designs on the family estate makes the Rodinghams an offer they can’t refuse. However, things become complicated when a murder story written by the younger Rodingham and the businessman’s wife (Joanna Bates) plants the seed for the perfect murder.

If the would-be murderer puts the story to practical use they put everything at risk and will need to make sure they stay one step ahead of the cops (Christopher Winkens and Hannah Mills Woolsey). So the question becomes is there such a thing as the perfect crime?

Find out on Saturday, October 26 and Sunday, October 27, in the Nancy Howe Auditorium of the David A. Howe Public Library (155 N. Main Street, Wellsville, NY).

The performances are sponsored by the Friends of the Library and will be presented free of charge.

Stephen Van Valkenburg and Joanna Bates star in “Write Me A Murder” to be staged by the Valley Theatre at the Nancy Howe Auditorium at David A. Howe Library in Wellsville on Oct. 26-27.

Some late amendments to tonight’s Alfred Art Walk

ALFRED—There have been some additions to the activities associated with the Thursday, Oct. 17 Alfred Art Walk, set for 5 to 8 p.m. tonight (Thursday, Oct. 17.)

We have a late edition to special events:

First, there’s the initial “Dog Park” at the Terra Cotta Celadon Company building.

“Dog Park” is a monthly pop-up gallery designed to provide curatorial and exhibition experience for Alfred University students. Each show will be open only for the night of the Alfred Art Walk.

The Oct. 17 inaugural show will act as a marker for the beginning of Dog Park, and the launch of many ideas that have been gestating over the past few months. The exhibition is entitled “Rabbit Rabbit” after the old ritual of saying “rabbit rabbit” first thing in the morning on the first of every month to ensure good luck for the coming days.

Also opening on Thursday,

Oct. 17:

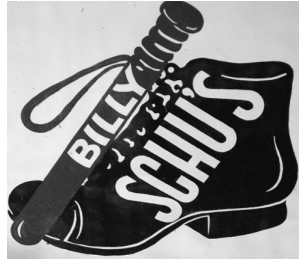

•Print Club and Clay Collective annual auctions in the Robert C Turner Gallery

•Allegany Artisans Studio Tour Preview exhibition at the Cohen Gallery

•Tender Buttons: Matthew Underwood in the Cohen Gallery

And finally, there will be a screening of Rosemary’s Baby at 7 p.m. Thursday, Oct. 17 in Holmes Auditorium, Harder Hall on the Alfred University campus.

Now serving sarcasm all day!

Compiled By **DAVID L. SNYDER**
Alfred Sun Editor and Publisher
50 Years Ago, October 17, 1969

Ground was broken Saturday for Alfred University's new \$3.6 million physical education complex, to be named in honor of Athletic Director James A. McLane. McLane has been a patient at Strong Memorial Hospital in Rochester since late August and was unable to attend the brief ceremony. His wife, Elva, turned the first shovelful of earth for the athletic center, accompanied by her son, Richard J. McLane of Fairport, also University President Leland Miles and Robert Baker, acting athletic director in McLane's absence. . . . He (Miles) cited McLane's 42 years of service to the University and described the naming as a "small token of appreciation" for the athletic director's "selfless contributions to athletics and to education in Alfred." Construction of the new center is expected to begin later this month. Completion is scheduled for summer of 1971. The center will house an intercollegiate basketball court with seating for 3,000 spectators, and a six-lane swimming pool with seats for 300. The center will also be used for symphonic and other cultural events requiring extensive space. The structure will include offices, classrooms, a wrestling room, courts for squash and handball, a trainer's room and locker rooms. . . . McLane, one of the more colorful figures in eastern collegiate athletics, began his long career at Alfred University in 1928 as a freshman coach in football, basketball and track. He was appointed director of athletics in 1933, and in that capacity has overseen a rapid expansion of the University's physical education program. . . .

Thursday, October 9, Governor Rockefeller announced that the State University Construction Fund will accept separate bids for the construction of an Agricultural Laboratory at the State University Agricultural and Technical College at Alfred, estimated at \$2.6 million, and for furnishing and installing Group II Laboratory Equipment estimated at \$201,000. . . .

Even when the Saxons lose, quarterback Jim Moretti continues his challenge for Alfred passing records. The Saxons were shaed by a St. Lawrence touchdown just 60 seconds before the end of the game last Saturday. Moretti completed 13 passes for 198 yards and two touchdowns. He has now completed 50 for 788 yards in four games. In addition, he has connected for eight touchdown passes. This is only two away from the all-time Alfred record for a season—and Moretti has four games to go. The St. Lawrence victory practically clinches the championship of the Independent College Athletic Conference for the Larries—now 4-0. Alfred is 2-2 and faces Hobart next Saturday at Geneva. For the winning touchdown witnessed by a Homecoming crowd of 5,200, the Larrie moved 48 yards on six plays with the help of two penalties. The Saxons thrilled the crowd when Moretti hit Young with a 47-yard pass play that carried to the St. Lawrence 17 yard line with 45 seconds remaining in the game. St. Lawrence held for four incomplete pass plays to win the thriller.

Alfredians—Mr. and Mrs. William Crandall of Fairport were guests of relatives in Alfred for the homecoming weekend. . . . Miss Susan Thomas of Rochester was a weekend guests of her parents, Mr. and Mrs. Roger Thomas. . . . Dr. Daniel Rase is in Rochester for three days to attend a meeting of the American Society for Ceramic Education, as a representative of the College of Ceramics. . . .

SUN SPOTS: The Great Discoverer Columbus was a mariner who knew the world was round And, on the other side of it, the Indies would be found. Of distance, or longitudes, or navigators' math, He knew not much, nor of the land that lay across his path. No maps or charts had Christofer to aid him in his quest; All he could do was bravely sail far out into the west. What if he was mistaken, in his naming of the land? The natives that he found there could not make him understand. Quite fittingly, we celebrate his anniversary, Although about the date thereof, uncertainty may be. Correction of the calendar for him had not begun;

October twelve, instead, was near October twenty-one! He changed the course of history, this navigator bold, And all that followed after could not have been foretold.

A building that is believed to have "more history than any other building in Alfred Station"—yet in imminent danger of being demolished—has been sold and will be restored as a bed and breakfast. The old Daniel Babcock Hotel, believed to have been constructed in 1826, has been sold by Mr. and Mrs. Edward McNey of Alfred Station to Robert Ludwig of Schrewsbury, PA. It all started more than seven months ago when Alfred 21st Century Group (A21CG) Executive Director Anne Acton and grant writer Margaret Rasmussen were discussing Alfred Station and Tinkertown and possible grant proposals to enhance these areas. "The old hotel and the possibility of restoring it came up," said Acton. The idea was discussed with the A21CG rehabilitation task force and then later with the board of directors and finally with the entire Advisory Council. . . .

After nearly five years of fund-raising, the new dam structure on the Andover Wetlands Project will be dedicated at 1 p.m. Saturday, Oct. 22. The Wetlands Project is located in the Village of Andover off Rt. 21. The project received all the needed \$100,000 funding after U.S. Fish and Wildlife donated an additional \$5,000 to insure the project's successful completion. . . .

Notes from Palmiter Hill (By Rev. Albert N. Rogers) The brilliant maple leaves on our hills are changing to bronze. We enjoyed them from a new angle by returning from Hornell over Hartsville Hill. . . . Our Concord grapes have been delicious and abundant this year. I am nurturing a new vine just to be on the safe side if something should happen to our old vines, but they seem amazingly hardy surviving our cold winters. . . . We are enjoying a basket of apples sent by friends near Whitesville. Thanks, folks! . . . Appeals from a variety of charitable organizations are coming these days as the end of the year rears its head in a little more than two months. One has to be thoughtful as well as charitable in responding to these causes, most of which are worthy. Our interest has been drawn especially to "Habitat for Humanity" which names former President Jimmy Carter as one of its trustees. . . . The second centennial—that's two hundred years—of the Federal Government's annual peace offering to the Iroquois Confederacy is to be observed shortly. George Washington and the Iroquois leaders observed the treaty with a bolt of calico according to G. Peter Jemison, member of the Seneca Nation. The commemoration will be held at Canandaigua Nov. 11.

For the Birds (By Betsy Brooks)—The local October bird census, which was held on Sunday, Oct. 9, proved to be a challenge, weather-wise. Mid-day rain made field work almost impossible but the early morning and later afternoon hours saw quite a bit of activity, especially with late-season migrants such as kinglets. The Alfred-Almond-Andover census turned up 52 species and Walt Franklin's census in Greenwood, West Union and Independence added another 8 species. Altogether there were more than 3718 birds seen and another 715 unidentifiable ducks and blackbirds recorded. The ten most common species were European Starling (1242), Red-winged Blackbird (350), Canada Goose (263), American Crow (239), Blue Jay (211), Black-capped Chickadee (193), House Finch (146), Mallard (104), American Robin (95), and Cedar Waxwing (88). . . . Hey Dugout. . . you're falling way behind me in the Lucky 13 Contest. My offer to write the sports column is still good. It would give you more time to study up for the contest.

Sunbeams—A three-person show—including work by Glenn Zweggardt of the NYS College of Ceramics at Alfred Universitiy-presented in various media opens with a reception from 7:30 to 10 p.m. Friday, Oct. 21 at Adam & Art Gallery in Bellefonte, PA. . . . All five of the Frances and David Clarke clan visited the Alfred homestead and Douglas and Jeanette Clarke's hilltop home last week. Carol and

LeRoy Clarke-Albers from Seattle, WA., Catherine Baumgarten from Phoenix, AZ., Sherman Clarke from Ft. Worth, TX. and Roberta and Howard Ellis of Queensbury with their children Michael of Plymouth, VT. And Kim and Brian McKay of Marathon enjoyed many hours with friends of the Alfred community. Frances' 75th birthday was celebrated in the process. . . . Kim Costello and Ben Palmer Jr. have together donated \$5,000 toward the construction of dugouts for the girls' softball field, at Alfred-Almond Central School, in memory of Robert Costetllo and Ben Palmer Sr. . . .

An Alfred woman-a French National-was a guest of French President Nicolas Sarkozy at a reception in Manhattan recently. Christel Rodd explained, "I first received an invitation to register by email and I really thought it was spam, but when I saw at the bottom of the email to go to the French Consulate link to register, I went there and realized it was real." Christel had been invited to a reception given by the French President and his wife, Carla Sarkozy. . . . The reception was at the Manhattan Center Studio on 34th Street in New York City where President Sarkozy was in town for United Nations Business. There were 3,000 French Nationals attending. . . .

Lia Higgins Beahan became an angel on Saturday, Oct. 10, 2009. She was born Nov. 8, 2007 with Hydranencephaly and was not expected to live past birth. Liz was a little fighter and was determined to prove everyone wrong. Due to her fighting spirit and her wonderful mother, Mellisa Higgins, Lia almost made it to her second birthday. . . .

Carol Anne Hamilton, 63, of Venice, FL was born July 14, 1946 in Buffalo and died Saturday evening, Oct. 3, 2009 at Port Charlotte Tidewell Hospice. Carol, the daughter of Alfred University Coach Alex and Anne Yunevich, grew up in Alfred.

Phyllis J. DuBreuil, 79, of 34 Glen St., Alfred, passed away Tuesday, Oct. 6, 2009 at the Wellsville Manor. Born in Shelbyville, IN April 20, 1930, the daughter of Grayden and Viola Mosgrave McRoberts, she had resided in Alfred since 1959, previously living in Martinsville, IN and Rochester. . . . On Aug. 21, 1953 she married Clifford H. "Coach" DuBreuil, who survives. . . .

THE GLORY OF AMERICA

Thursday, October 17

On this day in 1777, British General John Burgoyne, outmaneuvered and surrounded at Saratoga, New York, surrendered his entire army. Burgoyne was actually a brilliant field commander, but he had no military experience to prepare him for fighting an enemy that disappeared in the woods and seemed to know his next move before he did:

“The great bulk of the country is undoubtedly with the Congress, in principle and in zeal; and their measures are executed with a secrecy and dispatch that are not to be equaled. Wherever the King’s forces point, militia...assemble in twenty-four hours.”

Mighty Makers 4H Club helps out at Hart Comfort House in Wellsville

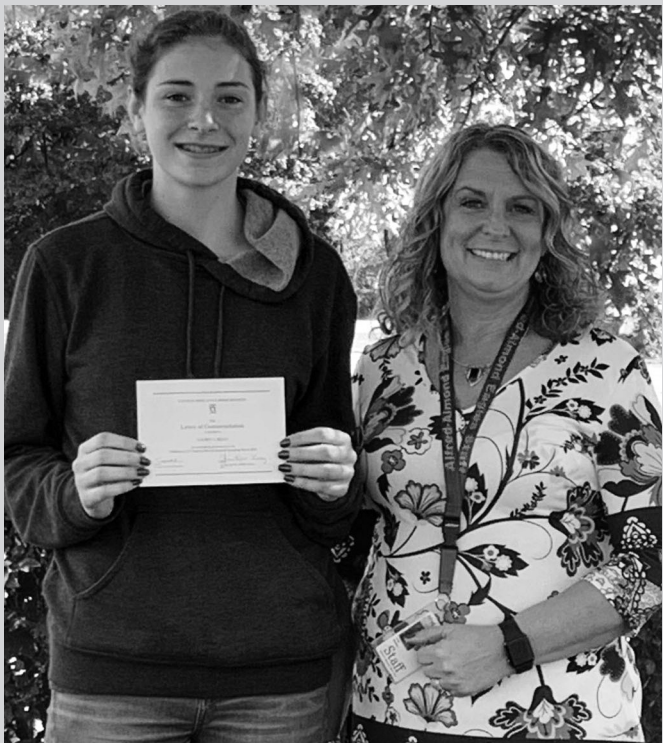

WELLSVILLE—The Mighty Makers 4H club met in Wellsville at the Hart Comfort House to help with some yard work. The Allegany Cattaraugus Chautauqua Fund For Women provided 50 daffodil bulbs to help beautify the outdoor space. Members planted bulbs, raked leaves, cut down brush, trimmed old plants and bushes and swept the driveway. It was hard work but the members were rewarded with a job well done.

ALFRED-ALMOND CENTRAL SCHOOL

Lauren Kelly (left) receives certificate acknowledging her as a Commended Student in the National Merit Scholarship Program, joined here by Guidance Counselor Ms. Decker.

A-A senior Lauren Kelly a ‘Commended Student’

ALMOND—Alfred-Almond Central School Secondary Principal Sue Bain-Lucey announced Thursday, Oct. 10 that Lauren Kelly has been named a Commended Student in the 2020 National Merit Scholarship Program.

A Letter of Commendation from the school and National Merit Scholarship Corporation (NMSC), which conducts the program will be presented to Lauren.

About 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Although they will not continue in the 2020 competition for National Merit Scholarship awards, Commended Students placed among the top 50,000 scorers of more than 1.5 million students who entered the 2020 competition by taking the 2018 preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT).

"Those being named Commended Students have demonstrated outstanding potential for academic success," said a spokesperson for NMSC. "These students represent a valuable national resource; recognizing their accomplishments, as well as they key role their schools play in their academic development, is vital to the advancement of educational excellence in our nation. We hope that tis recognition will help broaden their educational opportunities an encourage them as they continue their pursuit of academic success."

USA ARCHERY

Alfred State's Patanell wins national championship

ALFRED—Alfred State Archery member Jacob Patanella recently won the national championship in the men's hunter class while competing in the USA Archery National 3D Collegiate Championships in Foley, AL.

Patanella, a mechanical engineering technology major from Churchville, secured first place after earning a huge score of 430 in the two-round, 40-target format using Archery Shooter's Association (ASA) rules. After a solid first round of 20 targets in the morning that had him in the mix among top shooters, Patanella surged in the second round to pass the field and seal a dominant victory for the Alfred State Pioneers.

Altogether, nine members of the Alfred State Archery team competed in the championships, which included 348 archers representing 29 colleges and universities from coast to coast.

The other members of the men's hunter class also shot well in a large field of competition, including Jacob Pollock (21st) a mechanical engineering technology major from Franklinville; Jay Lawrence (22nd), a surveying and geomatics engineering technology major from Fort Ann; Reice Woodward (29th),

a criminal justice major from Oakfield; and Simon Bond (40th), a mechanical engineering technology major from Orchard Park.

In addition to the men's hunter team, Alfred State archer Ethan Frederick, a criminal justice major from Baldwinsville, competed in the Olympic recurve class, finishing in 16th place.

Alfred State also fielded a men's Known 45 (K45) team that uses open-class setups at ranges extending out to 45 yards. Dylan Krise (412 score), a surveying engineering technology major from Gillett, PA, and Jacob Houseknecht (411 score), a culinary arts major from Candor, had placements of 27th and 28th, respectively. Archer Tim Moran, a mechanical engineering technology major from Syracuse, rounded out the Known 45 team by finishing 47th.

In team round competition (composed of the top three scorers in each class), the Alfred State men's hunter team were among the top eight teams who made the elimination bracket and were seeded fourth but lost a battle with Lindsey Wilson College and finished the national tournament in fifth place. The men's K45 finished ninth, just missing the bracket.

Coach Greg Sammons (Level 3-NTS) was elated with the overall outcome for the Pioneers, stating, "I'm very proud of the team's overall performance as they both shot consistently and stayed with their course plan throughout their rounds. But

the story of this 2019 championship, the one that should be remembered the most for the Pioneers, is senior Jacob Patanella winning a national championship in individual competition against the best collegiate archers in the country. As the pressure built,

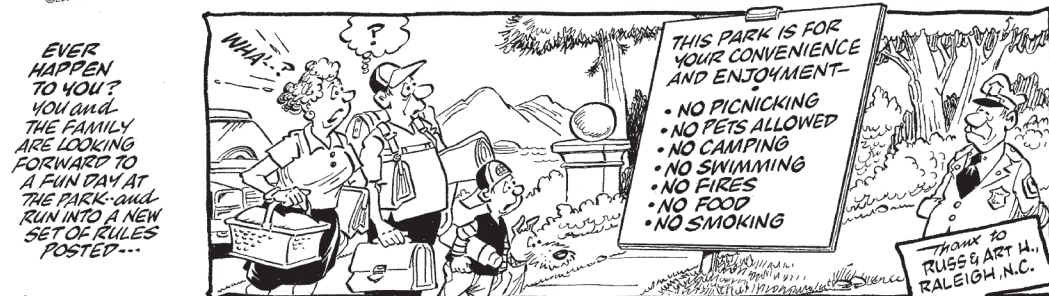

Jacob not only kept his cool but performed even stronger."

The championship marks the conclusion of the collegiate 3D season and the Pioneers now transition to indoor season with a tournament schedule that will last until March 2020.

Alfred State Archery member Jacob Patanella, center, won the national championship in the men's hunter class while competing in the USA Archery National 3D Collegiate Championships in Foley, AL.

Farm to Table Brunch set at Rosebush Sunday, Oct. 20

ALFRED—Take a break from studio visits during Allegany Artisans Weekend or stop by after the Ridge Walk anytime between 10-3 pm to join us at the Rosebush on Sunday, October 20th. The Alfred Farmers Market is hosting a 100% Farm to Table brunch that features ingredients entirely from their own local vendors.

Tickets are \$20 per person and were to be reserved or purchased before Wednesday, Oct. 16. Thanks to the generosity of George Mickle, owner of the Rosebush in Alfred, the Alfred Market will be hosting this inaugural fundraiser meal. The goal is to raise \$1,000 that will help

keep the market connecting farmers and residents for years to come.

The menu is perfect for the fall season and was made to be adapted to be vegetarian-friendly. To start, the menu features potato leek soup (bacon optional) and a tender green leaf salad with vegetables from Living Acres Farm in Alfred Station. For the main dish, the market is showcasing a Western New York favorite: beef on weck. The Stewart Family Farm is baking a Kaiser Roll with Sugar Haven Farm and Mascho Homestead Farm providing the beef. Vegetarians will be pleased with a PLT sandwich, also on a Kaiser Roll but containing fried greens, tomato, onion and cheese by Living Acres Farm and Stewart Family Farm. For dessert, participants will be served a Lemon Verbena Cookie made by Bread for All Bakery in Arkport, NY. This cookie is made with verbena from their garden and is perfect to top off an excellent meal. Drinks at the bar will be available but must be purchased separately through the Rosebush.

Please consider showing your support by attending this one of a kind artisanal event. Meet your friends, neighbors, and farmers on Oct. 20 and enjoy the bounty of the season. Tickets can be purchased online, by logging on the main page of their website, www.AlfredFarmersMarket.com. Tickets can also be reserved by emailing marketmanagerinalfred@gmail.com and paid for at the Rosebush or by mailing a check to PO Box 142, Alfred Station, NY 14803. For more information, visit their website or Like the Alfred Farmers Market on Facebook.

ALFRED-ALMOND SPORTS ROUND-UP

A-A girls now 10-4 after 5-0 win over Andover

By BARB WELCH

Alfred Sun Sports Reporter

ALMOND—The AA Girls Varsity soccer team improved its record to 10-4 on the season with a resounding 5-0 home victory Friday night, Oct. 11.

Coach Jim Bain-Lucey said it took 14 minutes of unrelenting pressure by the Eagles before they opened their account when Amy Evingham fired home with Maeve Looney providing the final pass. This would prove to be the only first half tally despite the home team's domination.

A-A got down to business in the second half when Zoe Balinsky drilled a low hard shot to the corner after a sublime pass from Luci Lee with 4 minutes gone on the clock. The Eagles continued their onslaught and Evingham once again broke through and scored after Lee slipped an amazing through ball past the Andover defense.

Next up was Looney, assisted by Emily Agnello. Then with 6 minutes left to play, Isabell Badeau hit the back of the net and Lee capped off a great night with another assist.

Andrea McMahon hit a long, hard shot in the dying minutes only to have her goal disallowed for what Coach Bain-Lucey termed "a dubious" offside call.

A-A, now 10-4, hosted Jasper Troupsburg at 5:45 p.m. Wednesday, Oct. 16.

Girls JV Soccer now 5-8

The Girls' JV soccer team pleased the home crowd on Friday, Oct. 4 with a come from behind win over Bolivar-Richburg. The game was tied at halftime 1-1 on a Kaiden Margeson goal from a Chloe Hann assist with 7 minutes left in the half. The visitors scored on a questionable penalty kick call to make it 2-1 early in the second half, but the home team would not be denied. Sarah Johnston scored the game-tying goal off a Chloe Hann assist and then the unassisted game winner two minutes later, leading the team to victory.

They played in Campbell Monday, Oct. 7, leading in all the statistical categories except the one on the scoreboard as they lost to Campbell-Savona 2-1. Chloe Hann scored off a Ryann Donlon assist in the second half to tie the score at 1-1, but it wasn't meant to be as the hosts held

on for the victory.

Boys Varsity win 4 of 5

The Boys Varsity Soccer team handily defeated Campbell-Savona in Campbell, 4-0, on Tuesday, Oct. 8. They then earned their fourth win in five matches, going on the road to beat the 10-3-1 Prattsburgh Vikings, 3-2, on Thursday, Oct. 10. The spirited Eagles scored first when Carsen Hann laced an Ayden Burdick pass just inside the far post during the 9th minute. After the Vikings evened the score, Jack Emo calmly took advantage of a penalty kick opportunity earned by Dylan Coots. Again, the talented Vikings erased the Eagle lead in the second half and made it 2-2. However, in the 74th minute the Eagles delivered a haunting goal when Jack provided a beautiful pass to Ayden who dramatically delivered strike three and the Eagle victory.

The upset-minded Eagles (7-7) soared to Avoca Saturday afternoon to take on the 11-2 defending sectional champion Tigers only to lose a heart-breaker 2-1 in double overtime. Dylan Coots assisted Ayden Burdick in the 33rd minute to give the Eagles the lead at the half. The Tigers forced overtime by scoring in the 78th minute and then took the win by scoring with 23 seconds remaining in double overtime.

So far this season, Dylan Coots and Colton Cook lead the team with 7 goals each, followed by Jack Emo with 6 and Ayden Burdick hitting the net 4 times.

The Eagles will honor six seniors in their regular season home finale against Canisteo-Greenwood tonight with the game starting at 5:45 p.m.

Boys JV Soccer

The Boys JV Soccer team picked up its third win of the season on Oct. 8, 2-1, over Campbell-Savona. With 18 minutes remaining in the first half Captain Zack Ledbetter was taken down hard in the box that resulted in a penalty kick. Captain Zack took the shot and put the ball through the back of the net to give the Eagles the 1-0 lead. It was defender turned attacker Brennan Lang who scored off a beautiful assist from Micah Burdick in the second half to put the Eagles up 2-0. Campbell was able to get a late second half goal to make things a little more interesting, but the boys never lost focus and

continued to control the tempo of the game.

AA dominated possession all game and led in both shots on goal and corner kicks. The defense, led by Ben Lloyd, Noah Dusingberre, Caleb Price and Nolan Tormey, did a fantastic job keeping the ball out of the hands of keeper Shane Davidson, who was called upon to make just 4 saves in the goal in a fantastic game!

The Boys JV team lost a hard fought battle Oct. 10 at the hands of a very skilled Avoca Tigers team. The Eagles defense played a tough first half and limited their opponents scoring opportunities. Going into halftime at 0-0, the boys were feeling confident and poised. About 8 minutes into the second half, Avoca's leading scorer put some space between himself and the defense and was able to hit a beauty out of reach of the Eagles keeper, Shane Davidson.

AA bounced back quickly when Brennan Lang was able to capitalize on a beautiful corner kick from Jack Byrnes to tie the game at 1-1. It was an even battle for the majority of the second half, with both teams having equal chances to take the lead. The Eagles' best chance was when Jack hit the crossbar off a corner kick. Then, with 9 minutes re-

maining Avoca scored from about 20 yards out, just out of Shane's reach. The boys can be proud of a strong effort against a very skilled team. The Eagles traveled to Fillmore on Tues., Oct. 15.

Boys Modified Soccer

The boy's modified soccer team ended their game on Tues., Oct. 8 with a 2-2 tie. Tighe Grigg capitalized on a breakaway by sending a cross straight into the goal for the first goal of the game and then later on a penalty kick. After the half, the Addison boys tied the score, but A-A held on for a 2-2 tie.

The boys modified soccer team traveled to rainy Avoca this past Saturday along with the girls team and defeated a combined Avoca/ Prattsburgh squad 8-0.

Scoring were Ben, Kanye, Alban, Talen, Lakin twice, Kanye again and Aiden. Despite the conditions, the boys played well.

Aiden and Alban split time in goal to help record the clean sheet.

Runners 4th in state

Alfred-Almond runners continue to help Arkport cross country to strong results. The team has moved up one spot to being ranked 4th in NYS for class D schools.

At the McQuaid invite the

boys team took second place with 160 points behind number one in the state Maple Grove from Section 6 who finished with 72 points. There were 59 schools in the unseeded Varsity A 3 race.

Alfred Almond senior Jeremiah Ford led the way with a third place finish time of 16:14.5 for three miles which averages out to a 5:25 per mile pace. There were 290 runners in the race. AA junior Micah Ford was the fourth man in for Arkport taking 53rd in 17:55. Senior Logan Whitall was the fifth man taking 73rd in 18:18.

Freshman Dylan Cannon took 22nd in the JV race for small schools with a time of 19:05. There were 331 runners in his race. Cannon is trying to get back on the varsity team which consists of the top seven runners. That's who will get to toe the line at sectionals.

In the junior high race for small schools Salim Ford took 39th out of 400 runners with a time of 10:21 over the 1.5 mile course.

In the womens race Yasmin Ford a ninth grader ran 27:08.5 for 188th place and was the sixth runner for Arkport. Arkport was 14th out of 54 teams with 319 points. Ho-neoye took first with 126.

AU women's soccer team rallies to top Utica, 3-1

ALFRED—The Alfred University women's soccer team hosted Utica College on Saturday evening in an Empire 8 battle at Yunevich Stadium. The Saxons (5-5-3, 1-2-1) overcame an early deficit to defeat the Pioneers by a score of 3-1.

The first half began with Alfred taking all of the shots around the net. Abigail Austin (Hornell) and Emily Wright (Dallas, TX/Plano West) fired multiple shots but did not find the back of the net on any of those.

Utica finally had a pass sneak to the opposite end and took advantage as Mikayla Blumenstock buried it for a goal to put the Pioneers up 1-0.

That score held through the end of the first half.

The Saxons came out with more life in the second half. Natalie O'Brien (East Syracuse-Minoa Central) made some flashy moves then took a shot that found its way through multiple Utica de-

fenders and into the net to tie the game at one.

In the 62nd minute, Alfred took the lead when Wright fed a pass to Keira Palumbo (Northport) for the go-ahead goal.

Minutes later the Saxons added an insurance goal when O'Brien sent a long pass out of the corner almost directly into the net and Austin was there to clean it up for the goal and put AU ahead 3-1.

The score held for the final 22 minutes of play and give the Saxons their first Empire 8 victory of the season.

Harriers run at SLU

The Alfred University men's cross country team competed in the Ronald C. Hoffman Invitational hosted by St. Lawrence University on Saturday morning. Saturday's meet also acted as the Pre-Atlantic Regional Championships.

"Today was a chance for everyone to see a high-level meet and to knock out any nerves that might be associ-

ated with a meet of that caliber," Head Coach Matt Phillips '10 said.

The men finished 20th out of 21 scoring teams. Gavin Wilbert (Webster Thomas) led the Saxons with a 101st scoring place time of 28:14.2. Kyle Jenkins (Marcellus/West Genesee) was the next Saxon to cross the finish line with a 123rd scoring finish time of 28:59.2. Sean Raymond (Marcellus) was close behind in 125th (29:05.3). Tim Mayo (North Rose-Wolcott) rounded out the top five finishers for AU with a 29:09.1 time for 127th scoring.

The Saxons will next compete in the Empire 8 Cross Country Championships on Saturday, November 2 at 11 a.m.

Men held scoreless

The men's soccer team traveled to Elmira College Saturday afternoon for an Empire 8 matchup with the Soaring Eagles. The Saxons (4-10, 0-3 Empire 8) played well on the defensive end, with just one

goal allowed but struggled offensively in the 1-0 loss.

AU was able to get a few decent looks at the net in the first half but most of those shots sailed wide or were blocked by Elmira defenders.

The lone goal for the Soaring Eagles came at the 36:23 mark of the first half when a corner kick opportunity turned into a header goal to give Elmira the advantage.

Zachary Gloskin (New City/Clarkstown South) lined up for a corner kick late in the half and also had a shot that went wide but both of those opportunities stalled for the Saxons.

At the end of the first half Elmira led Alfred 1-0.

The Saxons continued to get shots off throughout the second half but they were again blocked or sent wide and kept AU off of the board.

The Alfred defense was locked in during the second half and allowed no goals on four corner kick chances and nine shots.

Unfortunately, the Saxons offense was unable to find the back of the net and AU fell short in this one.

Ben Middlemiss (Montclair, NJ) played well in goal for AU and finished with five saves and just one goal allowed.

The Saxons will host E8 rival Houghton College at Yunevich Stadium at 1 p.m. Saturday, Oct. 19.

Saxons face #22 Cortland

It will be an Empire 8 clash when the Saxon football team (4-1, 1-0 E8) travels to Cortland Saturday, Oct. 19 to face

the undefeated Red Dragons (5-0, 2-0 E8), currently ranked #22 in the D3football.com Top 25 poll. The Saxons, meanwhile, are receiving votes in the same poll.

Saturday's game will feature a potent Red Dragon offense that leads the Empire 8 in scoring, averaging 47.8 points per game, while yielding just 13.6 points. AU is averaging 30 points per game, while giving up an average of 15 points per game.

AU has been effective in running the ball, averaging 275 yards rushing per game, tops in the E8. But the passing game has generated just 140 yards per game, last in the E8.

Cortland, meanwhile, averages a healthy 228 yards rushing per game along with 265 yards passing per game.

Saturday's game will feature the two most productive rushers in the Empire 8 with Aaron Griffin averaging 131 yards per game, while the Red Dragons' Zach Tripodi is averaging 123 yards per game.

Cortland QB Brett Segala has completed 59% of his passes good for 1255 yards, 14 touchdowns and only two interceptions in five games.

AU's Casey Boston has completed 58% of his passes for 526 yards and 5 touchdowns, with 3 interceptions.

Kickoff at the Cortland Stadium Complex will be at 1 p.m. Saturday, with a link to the webcast available on the D3football.com scoreboard. The game will be broadcast over fun921.com or FM 92.1 with Bob Codispoti offering the play-by-play.

ALFRED STATE SPORTS

Pioneers fall to last minute rally

Anna Maria scored twice in the final two minutes to rally for a 21-20 victory over Alfred State in front of a large Homecoming crowd.

The Pioneers jumped out to an early 6-0 lead when Ronnie Clark (Philadelphia/Indian River) raced in from 13-yards out to cap a 14-play, 63-yard with 7:16 left in the 1st quarter. The AMCATS tied it up late in the 2nd quarter.

Shy'rel Broadwater (Syracuse/Cicero North Syracuse) gave the Blue & Gold back the lead when he caught a 23-yard pass from Wilson. The play capped an 11-play, 65-yard drive that started off the 2nd half. After forcing a AMCAT punt the Pioneers made it a two-score game when they put together a 18-play, 95-yard drive that chewed up 9:40 of the clock. Wilson capped the drive by rushing in from five yards out. The PAT gave the Pioneers a 20-6 lead with 13:18 remaining.

Anna Maria's next drive stalled and the Pioneers answered with another long drive (10-plays) but the AMCAT defense got an interception on their own 15 yard line to change the tide of the game. AMC scored on their next possession and converted on a two-point with 1:39 left to make it 20-14. The AMCATS tried an onside kick but were unsuccessful because they touched the ball before 10 yards. Anna Maria was able to force a fumble three plays later and gave themselves one last shot. What proved to be the winning drive started on their own 41. Kinsley converted on three 3rd Down passing plays to get the AMCATS down the field. The final conversion came with the ball on the five yard line and tied the game with 16 seconds left. The extra point gave Anna Maria their only lead of the game.

Clark had a big game as he rushed 31 times for 197 yards and a score. Wilson rushed for 69 yards on 20 carries. The Pioneers rushing attack finished with 331 total yards.

Brockton Weist (Harpursville) led the defense with nine tackles and three sacks. He finished the day with 5.5 tackles for a loss. Rylie

Van Fleet (Maine Endwell) had three pass break-ups to lead the defensive backfield that finished with seven break-ups on the day.

Men's Soccer: 0-11, 0-5 AMCC

The Pioneers were tripped up in both of their games this past week. They lost a tough 1-0 decision in overtime at St. John Fisher and then fell 4-0 as they returned to AMCC play at Pitt Bradford.

Nate Moulton (Madrid Waddington) made six saves in net vs. Fisher.

Women's Soccer: 1-8-1, 1-4 AMCC

The women's soccer team lost in a pair of games this week. They fell 5-1 at Pitt Bradford on Wednesday and then lost 7-0 in their final non-conference game of the year at the University of Rochester.

Maggie Meyer (Red Creek) scored the first goal of the game vs. Bradford but the Panthers rallied for the victory.

Swimming & Diving

The swimming and diving team wrapped up the preseason with their annual Blue & Gold/Alumni Meet on Saturday. The team opens up the season on Saturday when they host Penn State Behrend.

Volleyball: 7-8, 0-3 AMCC

Kiara Perkins (Coudersport, PA) had a big night as she led the volleyball team to a 3-1 victory at Medaille in their only action of the week. The Pioneers dropped the first set 11-25 but rallied to win the next three 25-16, 25-16, 26-24.

Perkins finished the day with 21 kills (.280 hitting percentage) and 18 digs. Alyssa Fox (Letchworth) finished with 10 kills and 16 digs, Jordan McCooey (Horseheads) passed out 40 assists, and Jordan Stauffenecker (Lansing) collected 12 digs. VanDuyne had a solid all around game finishing with six kills, six service aces, and five digs.

Cross Country:

The Pioneers raced in their annual Alumni race during Homecoming Weekend. Nearly 20 alumni returned to campus to compete.

The Alfred Saxons football team (4-1) is headed to SUNY Cortland on Saturday to play, potentially, their most important game of the season as they take on the undefeated Red Dragons (5-0) in Empire 8 action. The Saxons are coming off their "bye" week while Cortland was thumping Morrisville, 42-28.

It looks like a three-team race for the conference title amongst Alfred, Cortland and two-time defending champion Brockport. The rest of the league is average, with SJ Fisher, Utica and Mo-Ville probably falling in that category as Hartwick (1-4) is pretty sad and will likely finish at (1-9) in the 2019 campaign.

So, that leaves three big-time important games on the E8 slate for this season: Alfred-Cortland, Brockport-Cortland and Alfred-Brockport. The three teams are undefeated in the very early going of league play and sport an overall record of (14-2). Losses only to Hobart and Ithaca from the strong Liberty League.

Cortland hasn't exactly played a "brutal schedule" to date, by any means. Fitchburg State, TCNJ, Buffalo State, Utica and Morrisville. Fitchburg and the Bengals of Buffalo State are terrible. The Saxons have probably played an overall tougher schedule, barely, as they have played Ithaca. Thiel and UR are basically hapless. George Fox was the unknown and AU nipped Morrisville.

Not sure if any of the prior games mean anything, but would have to give a slight edge to the Red Dragons, playing at the SUNY Cortland Stadium. Only "slight" as the Saxons have had a couple of weeks to rest any aches & pains with their off week. Assume the AU staff was at the Cortland-Morrisville contest checking things out.

Right now, would have to guess that two of the three top E8 programs will get ECAC Bowl berths and one is off to the NCAA's as the league champion. That should begin to sort itself out on Saturday in sunny Cortland. Hopefully "sunny" as off to the game with former AU sports photographer, Leo Nealon.

HITS AND MISSES:

In other NCAA Division III football action over the weekend past, it was: Brockport blanking Hartwick, Utica nipping SJ Fisher, Hobart controlling RPI in LL play, Union drilled the University of Rochester ... who should play club football, Ithaca smashed Buffalo State, Coach Dave Murray's squad fell to a strong Williams program in a weather-delayed game and Anna Maria (Island) stunned the Pioneers of Alfred State (2-4), late to grab their first win on the season by a 21-20 score. A stunned Homecoming Weekend crowd at Alfred State.

In perhaps the top D3 football game of the week on the Eastern seaboard it was the Salisbury Sea Gulls topping Wesley, 45-38 as both teams entered play ranked in the top 15 in the nation. Salisbury once a member for awhile in the E8 for football and now in the NJAC.

It is still very early but the Liberty League has Ithaca and Union undefeated in conference play with Hobart and RPI right behind. The unblemished two will meet on (11/2) at Butterfield Stadium in Ithaca. The top four programs are 19-3 overall on the season.

The Dukes of James Madison (6-1) came away with a big football win in FBS action as they topped previously unbeaten Villanova, 38-24 over the weekend. The Mixer and the "Cage Man" on the chain gang. North Dakota State, JMU and South Dakota State are 1-2-3 in the FBS rankings. The Dukes lost

Stephen Baker inducted in Soccer Hall of Fame

STEPHEN BAKER was inducted into the Section V Soccer Hall of Fame Saturday, Oct. 12 at halftime of the Aquinas-McQuaid boys soccer game. It was a family affair, with (from left) Bob and Barb Baker, Colleen and John Baker, Stephen and Carly.

THE DUGOUT CONTINUED...

their season opener to West Virginia, on the road, by a respectable 20-13 tally.

In big-time college football the top four teams in the land are probably LSU-Alabama-Ohio State-Oklahoma after a weekend that saw Georgia and Florida (to LSU) fall. Clemson will make the "Final Four" with their weak slate of games but not sure they are one of the top four teams at the moment. LSU and 'Bama collide on (11/9). Nick Saban former versus Nick Saban current.

Syracuse fell to (3-3) last week after a loss to "mighty" NC State in Raleigh, NC. A-A grads Ryan and Chad McEvoy took in the game. Not sure if the once-legendary Kaz was in attendance. Our Man Frank was not. The three Orange wins this year are against Liberty, Western Michigan and Holy Cross. Maryland crushed them, Clemson smashed them and now the Wolfpack loss. (sorry ... Tony Schon!)

It was a trip to see Southern Cal and Notre Dame play for A-A grad James Stuart and his wife, Cynthia this past Saturday nite in South Bend, Indiana.

Not a good week past for Brownie of A-A as his Atlanta Braves team "spotted" the St. Louis Cardinals 10-runs in their NLDS clincher, a loss (obviously) and then the Georgia Bulldogs fell to an average South Carolina team on the gridiron.

The Buffalo Bills (4-1) had their "bye" week this past weekend and have a very favorable schedule upcoming in the next five games. In order: Miami, Philly, Washington, Cleveland and Miami again. Could very well go 4-1 in that grouping as well for a (8-2) mark and well on their way to a wild card berth. The Dolphins are terrible, the Redskins not much better, the Brownies are very inconsistent and the Eagles can be had, but should be the toughest NFL contest.

Turning to women's D3 college soccer now as the AU Saxons are (5-5-3) with a recent win over Utica ... minus Coach Blumenauer, the Alfred State team is struggling in a new league at (1-8-1), 15th ranked Geneseo is (11-2-1) and holding off Cortland in the SUNYAC's, William Smith is ranked #4 in the nation while NYU is 18th with

Taylor Booth on staff and UR is next. Messiah ... huge surprise!, is ranked #1. Williams from the tough NESCAC is ranked 24th with Coach Blumenauer now on staff there!

Washington won the WNBA championship with an injured regular season MVP, Elena Delle Donne gutting it out in the game #5 decider.

The NHL is underway ... snuck up on me! Bruins to top the Tampa Bay Lightning (Jake) and Carolina Hurricane (Kaz) to take on the Colorado Avalanche in the Stanley Cup finals.

The NBA is almost underway and will catch a few of the New Orleans Pelicans games on the tube with five ex-Duke players on the roster. Hope to see some Sacramento Kings action with assistant coach, Bob Beyer (AU) on staff and hope to see the Boston Celtics win the NBA title!

In the MLB playoffs, St. Louis might not score 10-runs total in the NLCS against Washington after two, home opening losses and being no-hit for a good portion of both. Egads. Over in the AL, a huge opening win for the Yanks in Houston with four potential outings left against Justin Verlander and Gerrit Cole. Ouch. Well, it can't be the Astros over the Dodgers in the WS ... sorry Big D and "Foolish" Farley!

Good time at the Frito Lay golf tourney last Wednesday at Terry Hills in Batavia. Was nipped for "closest to pin" this year, after grabbing that trophy in 2017. We didn't win, sadly. Hurt not having Larry Caruso in our foursome as he was off to the Cape Cod Wetlands instead for a rainy

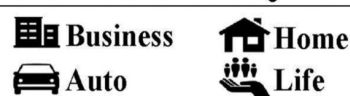

vacation break.

Had a great time on Saturday as Stephen Baker was inducted into the Section V Soccer Hall of Fame at halftime of the Aquinas-McQuaid boys game. A "pre-game" outing at the new Cheesy Eddie's place in Henrietta, then over to McQuaid Jesuit. Baker has a list of accolades stretching for many sentences here, including (some) like: NSCAA All-State Player in 2008 and '09, sectional champ and team MVP in 2009, AGR Player of the Year his senior campaign, McQ's all-time leading scorer and on and on before playing at UPenn in college. A richly deserved honor as he joins his grandfather, Bob (Genesee Valley) and dad, John (A-A) as Hall of Fame enshrines. Next year ... the McQuaid Hall of Fame!

Could be a busy sports weekend on tap, if the weather cooperates. Golfing Friday at Stafford CC with Simbo, Chark and "Iron Mike" ... moved back one week. Might head to Geneseo after that, depending on our tee time, to see the Knights in action on the soccer field. Then off to Cortland on Saturday.
