MAROON

AND WHITE

DEDICATION

To Mr. McGraw, who has played such a vital part in our high school career, and whose untiring interest in the welfare of our paper has made this annual possible.

35 . 35 . 35

THE FIRST SCHOOL HOUSE OF ALFRE

35 . 35 . 35

F . O . R . E . W . O . R . D

In view of the fact that the year 1935 commemorates the three-hundredth anniversary of the introduction of secondary education into this country, it seems quite appropriate that a brief history of Alfred High School be published at this time.

The academy, which was the forerunner of the high school, and a part of the college, taught subjects which corresponded to those now taught. It continued until 1914, when it was brought under the control of the town, and became known as a high school.

During the time of the Academy, the children of elementary ages were attending district schools located in the vicinity. In 1908, however, these district schools were combined, and a new building was constructed for their use. This is the one in use at present, except that an addition was built in 1927-28.

The Board of Regents required the college to do away with the Academy, in order to be recognized as a college. Therefore, in 1914, the town assumed authority over the high school, and it was removed to the new building, bringing the high and graded schools together, as at present. The curriculum had been governed by the Board of Regents, and required students to obtain a grade of 75% instead of our present requirement. According to the Clerk's records, we find that plans were discussed for the building of high school tennis courts as early as October 13, 1913.

Mr. H. L. Gillis was the last principal of the Academy, and resumed his duties in the new high school as their first principal. He has been succeeded by Principals H. M. Eaton, C. A. Foig, E. W. Clark, and H. G. McGraw, respectively.

F · A · C · U · L · T · Y

Mr. McGraw

Principal, History

In solving mysteries, an uncanny guesser
Tall and skinny- the absent-minded professor.

Miss Langworthy

Librarian

We are proud to present our literary mind
Who is ever so very thoughtful and kind.

Mrs. Clarke

Home Economics

Delicious odors with the tummy rythme
When Mrs. Clarke is in her prime.

Miss Thomas

French and Latin

Quiet, friendly one is she always
"Tommy", the pal of our school days.

Miss Schilds

Art

A wizard with petite crayon
An artist who wants "to be alone".

Mr. Marvin

Music

Sarcastic, dynamic instructor is he,
But he gets things done as you see.

Mr. Hoey

Business

With business he has caused a row
In school, Oh, little man what now?

Mrs. Galloway

English

A little, dark, laughing girl
Who is leader in our social whirl.

Mr. Patterson

Science and Math.

Mr. Patterson, happy and gay
Carefree and jolly, the livelong day.

Mr. Babcock

Seventh and Eighth

He's a big brawny he-man
Who sternly says "You can-----NOT".

Mrs. Graham

Fifth and Sixth

This fair, tall person we'd never accuse
Of teaching the kiddies their "P's and Q's".

Miss Sanford

Third and Fourth

A small person, dark of hair
For whom the little people care.

Miss O'Boyle

First and Second

Chatter--chatter, rush and smile
A good natured person all the while.

FEBRUARY

- 9- The girls played their traditional enemy, Canisteco, at Canisteco. Canisteco won!
- 15- Students went to Rochester to see Carmen.
- 21- Junior Dance

MARCH

- 2- Hopes for Basketball Championship crashed.
Canaseraga at Belmont
- 7- Band played for Pomona Grange.
- 8- District school children visited our school.

APRIL

- 1- April Fool's Day
- 2- Miss Cherryblossom
- 4-5 Quarterlies
- 15- Orchestra officially organized
- 17- Orchestra played for Mother's Day Program for Eastern Star.
- 25- Baseball started
- 29-May 4- Peace reigned. No band, no chorus.
Mr. Marvin had the measles.

MAY

- 2- Fredonia Music Festival
- 10- Arbor Day
- 11- County Track Meet, Dick Smith took first place.
- 11- Bernice Jacox's marriage
- 14- First roller-skating party
- 25- Band went to Houghton
- 26- Senior Scavenger Hunt
- 30- Memorial Day, Band played
Band picnic

JUNE

- 1- Sectional Meet at Rochester, Dick Smith took third place in the mile.
- 2- Rachel Saunder's piano recital
- 17- Regents began
- 19- Faculty Supper for Miss Schilds and Mrs. Graham
- 20- P.T.A. Supper for the Seniors
- 21- Our worries were over. Regents ended.
- 23- Baccalaureate Sermon, Chaplin McLeod
- 24- Class Night
- 25- GRADUATION
- 29- Alumni Supper

SENIOR CLASS OF 1935

OFFICERS

President -----	Addison Scholes
Vice-president -----	Frances DeWitt
Secretary-Treasurer -----	Rachel Saunders

CLASS HISTORY

The Senior Class of 1935 had its origin in the year 1923 when a group of some 15 or 20 children made their entrance into the Alfred Grammar School-- quite ignorant as to what it was all about, but eager to learn. Our first teacher was Mrs. Vars who taught the class in both the first and second grades and also in the fifth and sixth. Our other grade instructors were Mrs. Straight, third and fourth grades, and Ella Bassett, seventh and eighth grades. Chester Feig held the position of principal during the first few years of our school life, to be succeeded in 1928 by Errington Clarke and then in 1930 and throughout our four years of high school, by Mr. McGraw.

35

Our grade school days were punctuated by many interesting and enlightening events. When the class graduated from the eighth grade in 1931, it had witnessed in its career the changing of the old school from a dingy and inadequate building to a new and larger institution which the addition of gymnasium, lockers, study hall and new class rooms made much more inviting and less irksome. The class, then in its fifth year, was fortunate in being able to occupy one of the new class rooms immediately on its completion and it may be interesting to note that it occupied this room for nearly four years---half of its grade school days. This room is what is now the music room.

The eighth grade graduating class of 1931 was the largest that Alfred had known, with a total of twenty graduates, twelve of whom are in this year's Senior class. Of the other eight, three are graduating from other schools this year, two have already graduated and three have yet to complete their secondary education.

With the entrance of the class into high school, three of the school's most outstanding teachers made their debut into Alfred High, namely, Miss Thomas, Mrs. Galloway, and "Tony" Perrone. In our Soph year came Miss Schilds and then in this our last year came a change in the old order with the inauguration of the Junior High School, a start toward a commercial course and a full time music department. New members added to the faculty in carrying out this new curriculum are the Messrs. Babcock, Hooy and Marvin as instructors in Junior High, business and music respectively. Mr. Patterson is also now on the faculty this year, replacing "Tony" as instructor in math and science.

The class has always been very active in school affairs, being the third to edit the monthly "Maroon and White" and several members being on last year's staff. It is also publishing the second edition of the Senior annual of the "Maroon and White", thus continuing the precedent set by the class of '33. It is departing from the usual custom of holding its baccalaureate service on Saturday morning and is having it instead on Sunday night. It is incorporating into its class night a short one-act play, as the regular class play was given in April in the form of the operetta "Miss Cherry Blossom".

The class is now about to depart from its high school career and of the nineteen who are graduating, six were in the original class that began in 1923. The others have joined the class gradually as it progressed toward its commencement, some in its earlier years, others not until it reached its high school stage. But regardless of when we entered this the Class of '35, we feel that we have always known our fellow classmates, and it is not likely that we will soon forget the good times had and worth-while lessons learned during these past school days. It is with regret that we leave our high school life and enter upon the new career which the future holds for us.

35

35 35 35 SENIOR SECTION

Rachel Saunders

Chorus Accompaniist (1-2-3-4)
 Accompaniist "Belle of Bagdad"
 "Miss Cherryblossom"
 Secretary-Treasurer of Class (4)
 Class Night
 Salutarian

Satisfied Rae?

Rachel will be remembered by her classmates and many friends as a quiet, studious girl, with outstanding musical talent and a friendly smile. She has walked the halls of Alfred with a Seniorlike dignity found lacking in most of her classmates, but is really very jolly under her mask of reserve.

Barbara Kenyon

Weaving Club (1)
 Secretary of 4-H (2)
 President of 4-H (3)
 Band (4)

Barbara holds a corner on the red-haired triangle of the Senior Class. Her interest varies from art to forest rangers. Her drawl and good-natured smile will not soon be forgotten.

Somebody's stenog? Bar?

Iva Norwood

Pres. Math. Club (1)
 Sec. of Hot Lunch (4)
 Class Prophecy (4)
 Class Night (4)

Congratulate
 Iva

The lady's gone
 Gene!

A raven-haired, attractive miss who walks with quiet dignity the even tenor of her way. Behind her expressive brown eyes and friendly smile we see a girl with the purpose and power of achievement.

Eugene Gebhardt

Basket-ball (2-3)
 Baseball (2-3)
 Band (4)
 Tumbling (4)

Gene is a boy who is rarely still, a joke cracking, laughing, and big time personality. We can always depend on him for a lively funny argument to brighten the class discussions.

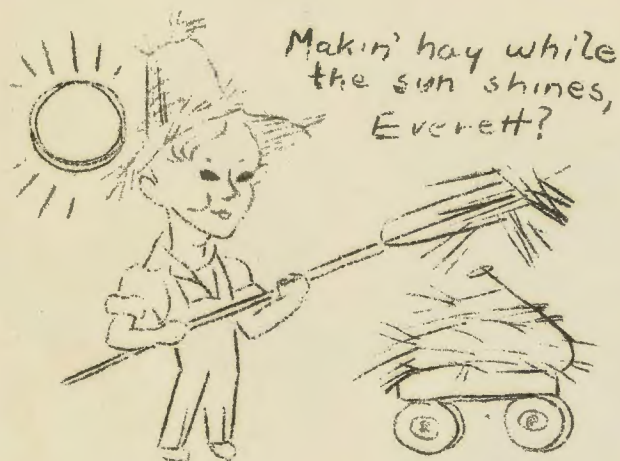

Betty Jacox

smatter Ginny?

Those who have ambition and perseverance like "Jinny" can always look to the future with optimism.

35 . 35 . 35

A C T I V I T I E S

35 . 35 . 35

The music department this year has been divided into three sections: chorus, band and orchestra. The chorus is a traditional organization. This year, however, new glamour was added when it officially organized under the name, "Saxon Minstrels". Jane Crandall was elected president, "Chuck" Dudley manager, and "Jinny" Robinson Sec. Treas. and Lib.

The main objects of the chorus are voice training, teaching the reading of advanced music, becoming familiar with recognized choral works and putting this knowledge into practical use in the giving of concerts and operettas.

Beside the first concert, given in connection with the band, and singing in assemblies, the chorus has put on two musical comedies, which were successful from the dramatic, musical, and financial standpoints. It is hoped that next year the chorus will get into more advanced music and will be in shape to enter the music festival at Houghton.

The band, the new organization, attracted widespread attention. At the beginning of the year, the majority of the band members could not read music, let alone play an instrument. It received its start mostly through faith, hope, charity, and the enthusiasm of Mr. Marvin. This section of the music club is known as the A.H.S. Concert Band, with the executive committee-"Curly" Norwood, Betty Jacob, and "Ad" Scholes, who hold the offices of President, Secretary-Treasurer and Manager.

The first objective of the band was to teach its members to play some instrument, the next, to learn to play and appreciate good band music. In playing music, much attention has been given to style. The band has also tended to draw the school together. It has helped to develop the spirit of all for one and one for all in the school.

The band has accomplished much this year. It has taught approximately forty students to play some musical instrument; has played at basket-ball games and at assemblies; has given two public concerts; has played for the Pomona Grange and the P.T.A. Birthday Supper; has played Rural School Day and marched Memorial Day. It won high praises from Mr. Simon at the Houghton musical festival. It now has over thirty-five dollars in its treasury toward new uniforms. Twenty of this was earned Memorial Day and over fifteen was given to the Silver Collection taken at its spring concert.

The band has two objectives next year. The first, to make a still better showing at the music festival; the second to earn enough money for uniforms. Give it your support!

The orchestra was formed in early April for the "fun of it". Despite its youth, it advanced rapidly and has made several public appearances. These included playing for the Mother's Day program of the Eastern Star, playing for several assemblies and furnishing part of the entertainment for Arbor Day. The orchestra furnished the music for Class Night and Commencement.

The orchestra contained about fifteen members. Virginia Robinson was president, Carol Sheldon, secretary and David Clarke, manager. Its aim next year will be to get an earlier start--with more members, to acquire more music and to be able to go with the band to the spring music festival at Houghton.

H O M E E C O N O M I C S

For the benefit of girls in high school who wished to take a Home Economics course but could find no free period, a Home Economics club was formed under the supervision of Mrs. Clarke. Meetings were held the first period in the day, two mornings a week.

The fifteen members elected the following officers; President, Sophia Perry; Vice-president, Mary Perry; Secretary-Treasurer, June Chisholm;

For the first few weeks the girls were busy crocheting collar and cuff sets, having spent some time in the study of that art. With the help of some of the other pupils the plot of ground outside the Home Ec. room was weeded and prepared for a rock garden. The club members made and sold candy, using the money to buy plants and seeds. Many other donations of plants and rocks resulted in a very attractive rock garden. The girls hope to complete the garden next fall.

Next year the girls hope to enlarge the club, improve the school grounds and widen their scope of activities.

C A M E R A

The past year saw the birth and rise of something entirely new in the high school, the Camera Club. Under the supervision of Mr. Hoey, all interested in camera work organized early in the fall.

A few of the more ambitious members cleaned out the room below the basement stairs to use as the dark room. The group officially organized with the election of the following officers: President, Chester Henshaw; Vice-president, Bill Crandall, Secretary-Treasurer, Virginia Foster. About fifteen members belonged at the first of the year but the interest grew. By the end of the year the number of members had doubled.

The club did much work-considering its lack of funds. Many people learned how to develop and print pictures; others learned the principles involved in photography. A little money was made by developing and printing pictures for non-members.

Sometime in the near future the Camera Club hopes to obtain a bigger and better dark room. They also plan to make a faculty album and to take pictures of all school activities.

D R A M A T I C S

The Dramatics Club, considered the "little sister" of the clubs this year, hopes to become really established next year, with a larger membership and better organization. Due to its late start, few students joined and a convenient hour for meetings seemed impossible to find. Perhaps, in spite of difficulties, an idea of the advantages of such a club and its object, the development of poise and appreciation of good plays, has been conveyed. The officers for this past year were; President, Evalyn Snyder; Vice-president, Betty Jacox; Secretary-Treasurer, Beth Vincent.

Membership totaled around twenty. Emphasis in the future will be placed on increased membership and more extensive activities.

M A R O O N A N D W H I T E

The Maroon and White looks back over a year of success. The staff had a bit of trouble getting organized but the first issue rolled off the presses before September had gone. The greatest difficulty in putting that first paper out was lack of organization. However, by the time the next issue was due, that wrinkle had been ironed out. A surprising fact in the publication of the Maroon and White was that, although there was a month's time between each appearance of the sheet, work on a new issue was usually never started until the clock was ticking off the last hour. The advice that should follow this statement is obvious; the next Maroon and White Staff should plan each issue far in advance.

There are certain policies that have formed a precedent during the past three years of the publication of the Maroon and White. It should appear once a month, unless the student body desired otherwise; its cost should be kept within the purchasing power of the student; it should be made up of contributions from its readers as much as possible; the staff should elect to stay with the Maroon and White, rather than devote too much time to other clubs; at the end of each year, the senior members of the staff, assisted by the entire senior class, should edit an annual keeping the cost at a reasonable level; and last, all editions should be kept at high standards.

The paper depends for its support on the Student Body. It is therefore necessary that the students lend their aid in the form of contributions, opinions, and a nickle each month for the result of their support. The staff should be, therefore, merely a guiding hand in the actual publication, while the students of the school should edit the paper.

To the next Maroon and White and its staff goes the best of wishes, for, backed by their student body, success is inevitable.

A T H L E T I C A S S O C I A T I O N

The Athletic Association has been an outstanding organization of Alfred High for many years. This last year was no exception. The organization held its first meeting at the beginning of the basket-ball season to elect officers. The officers of the association were: President John Norwood; Secretary-Beth Vincent; Ticket Manager-Kenyon Clarke. The purpose of the club is to provide financial and spiritual support for the school's two basket-ball squads. Season tickets were bought by the students at twenty-five cents each. The association is active only during the basketball season, and has succeeded in providing not only the necessary funds, but also excellent support for its teams.

A . L . U . M . N . I

It has been said that a small school has many disadvantages, socially and educationally. Alfred has, however, laid a record on the shelf that takes care of any doubts along the educational side of the question at any rate. At Alfred University, the following honors are awarded to the graduation class: (in order of their importance) One Summa Cum Laude, one Magna Cum Laude, and five Cum Laude. The Class of '31 of Alfred High School brought three of those seven honors home. Ruth Norwood took the highest honor, Summa Cum Laude, Roberta Clarke took the Magna Cum Laude and Kenneth Green took a Cum Laude. That left just four Cum Laude for all the rest of that Senior class to take away. Three cheers for Alfred High!

Other honors of perhaps less importance but requiring real work and concentration were: Departmental Honors for Ruth Norwood, 3 Departmental Honors for Kenneth Green, who also won the Binns Award in Chemistry, 3 Departmental Honors for Ralph Jacox, a good track record for Roger Corsaw and splendid achievement by Geogiana DeWitt in the field of Art. There is every member of the Class of '31 that entered Alfred University, as they were graduated in the Ninety-ninth commencement of Alfred University.

Other members of the Class of '31 in other schools are: Betty Smith, who graduates from Fredonia State Normal in music, and Arthur Cottrell, who, upon graduation from Alfred High, took a year in Prep School and is now a Senior at Colgate.

Pearl Claire is a nurse, Gordon Norwood has finished Ag School and is now farming, Bob Corsaw is still faithful to the Collegiate Restaurant, Ethelyn Pierce is teaching school at Five Corners, Rena Clarke is teaching school, Cornelia McKenney and Virginia Davis went to business school and are now in the world of affairs, Thelma Wilcox has married and adopted the profession of home making. So pass in review before you an outstanding class of Alfred High, the Class of '31.

35 35 35 35

Each member of the Senior Class has done something in connection with the year book. The staff wishes to take this opportunity of thanking them for their whole-hearted cooperation. It also wishes to express its appreciation of the assistance given by the faculty in the publishing of this annual, and to the Ag. School for the use of their mimeograph.
