Alfred University art students Michael Flora, Autumn Maggi, Rosalie Brennan, Emily Fedorchak were recently selected to exhibit their work in the International Art Education Achievement Exhibition of Teacher and Student at the School of Design at Nanjing University of the Arts in Nanjing, Jiangsu, China.

They are studying in the Expanded Media and Electronic Integrated Arts program in the School of Art and Design and their work will be shown along with that of Alfred University Professor Joseph Scheer, co-director of the Institute for Electronic Arts.

The International Art Education Achievement Exhibition of Teacher and Student is curated by Wang Zhijun & Xu Li. The exhibition includes 16 other art schools around the globe.
