

Ostrower 61, AU professor, opines: politics as entertainment often Trumps all  
8/11/15

An opinion piece by Dr. Gary B. Ostrower, AU Class of 1961 and professor of history, was published Aug. 8 in *The Buffalo (NY) News* “Another Voice: Politics and entertainment have often mixed.” Gary notes “The strange saga of Donald Trump’s presidential boom should remind us that politics is entertainment” and political entertainment has prevailed throughout our nation’s history.
