

To the Binns family, —

As a result of the little visit which I had last week with you people in Alfred I am writing this note. Also to send to you my best wishes for this Christmas season

— the trip to Alfred was a happy one and especially so, because I saw Mrs Binns, Professor Binns and Nora. You people can't realize — I'm sure, what a soul warming you gave me. I had anticipated the joy of seeing you all again — but I always am

Happily surprised over your welcome
to me - I guess because I just
came from Pittsburgh in which
one finds all sorts.

I was so sorry not to see
Miss Elsie but I will some
time again when I visit Alfred.
I hope that she was able to be
home for Christmas -

With much love to you all
Sincerely, I am

Trish Ella Carfield

Monday Noon.
