10/12/11

Work by Joe Page, AU Class of 2008, is being highlighted in the fall season of exhibitions at the Baum Gallery of Fine Art at the University of Central Arkansas. His pieces are included in "More Than a Mold: Contemporary Slip Cast Ceramics," a juried group show by eight artists. The exhibit aims to demonstrate the range of artistic expression that this process provides. Joe is a visiting artist at Baum Gallery. He says his primary concern is "immersing the viewer in a place of both comfort and uncertainty."
