Mr. George A. Bole,  
5 Belvidere Place,  
Montclair, N. J.

Dear Mrs. Bole:

I am enclosing an acknowledgement of order from the Will Corporation which I think should come to you. The bill will, of course, go to the College office.

Nora and I are busy working but don't forget to have good times once in a while. Summer school is in full swing but there isn't so very much doing. I hope you are having a pleasant time.

Sincerely yours,
