

INTERCLASS MEET AND START OF BOARD TRACK CONSTRUCTION PLANNED FOR THIS WEEK

Annual Intra-mural Event To Produce Plenty of Competition

FRESHMEN FAVORED TO WIN

The interclass meet, to be held Saturday evening at the Academy (before the movies), is sure to draw a big crowd of students. Anyone who is curious about the results of the meet will be welcomed at the time trials, starting at 3:45 Friday afternoon. These trials will show "how's who" for the class meet.

THE ORDER OF EVENTS AND TIME SCHEDULE FOR THE INDOOR INTERCLASS TRACK MEET

7:00 P. M. Standing Broad Jump. Trials and Finals.
7:15 P. M. 20 Yard Dash, Trial Heats
7:25 P. M. 20 Yard High Hurdles. Heats and Finals.
7:35 P. M. Running High Jump. Trials and Finals.
7:50 P. M. 20 Yard Low Hurdles. Heats and Finals.
8:00 P. M. Shot Put. Trials and Finals.
8:15 P. M. 20 Yard Dash. Finals.
8:20 P. M. Running Broad Jump. Trials and Finals.

The following entries show a large proportion of Freshmen. That is a healthy sign for the Alfred track teams of future years.

Only the men listed can compete. All distance runners will be grouped in separate heats of the 20 yard dash. This event has the largest number of entries: Boyd, Perry and Clark from '22; Cole, Campbell, and Holmes of '23; Yanick, Smith, Gibson and Travis of '24; and the following Freshmen: Hoehn, Navin, Grant, Garnhart, Arnold, Spicer, Lyon, Miller, Swain, Pond, Whipple and Guiglia.

For 20-yard high hurdles: Boyd '22, Holmes '23, Campbell '23, Gibson '24 and Arnold '25.

For 20-yard low hurdles: Boyd and Clark of '22 Campbell and Holmes of '23; Gibson '24, and Arnold '25.

Running high jump: Boyd, Clark and Dwight of '22; Holmes '23; Newton '24, and Rogers, Stamp, Dunbar and Gardner of '25.

Running broad jump: Holmes '23 and Rogers, Stamp, Rice and Burns of '25.

Standing broad: Perry, Boyd and Clark from '22; Cole '23; Smith, Newton and Yanick of '24, and Garnhart, Grant, Miler, Swain, Rogers, Burns, Stamp, Rice and Lyon of '25.

Twelve pound shot put: Peck and Boyd of '22; Holley and Ahern from '23; Barron '24, and Gardner, Spicer and Burns of '25.

THE GLEE CLUB

A recent letter received in Alfred from a Belmont lady said:

"The Alfred Glee Club was the best ever. It was encored again and again. Mr. Volk could give an entire entertainment by himself. Mr. Conroe pleased with his readings and fine tenor voice, the pianist was unusual and the remainder of the company were all excellent.

Students Giving Money and Time to Build Running Track

BOOSTERS SHOW GREAT SPIRIT

Interest in track is steadily increasing. This sport is Alfred's latest intercollegiate activity, and its popularity here is bound to grow.

A special meeting of the Track Club, called for 7 o'clock tonight at Kenyon Hall, will discuss student labor for the building of the new board track.

The site of the track, just south of the tennis courts, was surveyed last week by Coach Wesbecher and three Seniors. Fire-clay slabs are in position for supports, and \$300 worth of lumber is piled near the spot. The vision will soon be a reality.

STUDENT FRIENDSHIP CAMPAIGN OPENS AT ASSEMBLY

Goal Set at \$600

HONOR SYSTEM BROUGHT UP FOR DISCUSSION

Able and sincere appeals for the Student Friendship Fund were made at Assembly Wednesday morning by Virginia Randolph, representing the Y. W. and Don Burdick, president of the Y. M.

A goal of \$600 has been set, and if this amount can be raised it will provide two scholarships at Robert College, Constantinople, and aid two needy Serbian students now at Cornell.

Following the Assembly, a student body meeting was called to discuss the Honor System. Coach Wesbecher and Dr. Ferguson also brought news of the board track.

The new college catalogues have appeared, and will soon be available to those students who wish them.

ASSEMBLY DANCE MARKED BY FOOTBALL AWARDS

Winners of Varsity Sweaters Cheered During Intermission

LARGEST SOCIAL EVENT HELD THIS YEAR

Academy Hall, attractively decorated in purple and gold, was the scene, last Saturday evening of one of the most enjoyable dances ever held in Alfred. The occasion was the second assembly dance given in honor of the football team whose past season proved such a success.

The large attendance from the surrounding towns was a further proof of the growing popularity of Alfred dances. No small credit for the favorable result belongs to Merriman's Orchestra whose excellent music left nothing to be desired.

During the intermission the "A" men were presented varsity sweaters and gold footballs by Capt. Ahern. Scotty, in turn was given a ring by Capt.-elect Campbell. Scotty then, in behalf of the team, after expressing appreciation for his constant effort and help in making the season a success, presented Coach Wesbecher with a fountain pen.

The men who received the major "A" this year were: Ahern, Capt., Bliss, Boyd, E. Campbell, R. Campbell, Fraser, Gardner, Horton, McMahon, Pharr, Teal, Witter.

LADIES' AID TO GIVE FAMOUS PLAY

"LITTLE WOMEN" THIS THURSDAY EVENING

The famous four-act play "Little Women," to be given Thursday evening at Firemens Hall for the benefit of the Ladies' Aid, is one play which seems to always gain in popularity. The secret of its appeal is easily understood after one sees it played. Those who have never seen "Little Women" are urged to be at Firemens Hall Thursday evening. Many people will be glad to see it the second and third times.

LAST CALL FOR KANAKADEAS

No orders for the 1923 Kanakadea can be accepted after tomorrow night. Price \$3.50, or \$3.60 postpaid.

T. J. Ahern, Business Mgr.

PURPLE PASSERS TO TAKE FIVE-GAME TRIP NEXT WEEK

TEAM LEAVES NEXT TUESDAY

The next Varsity game, scheduled with Rochester School of Optometry, for Wednesday evening, Feb. 15, is to be played on the preceding evening at Rochester. The change was necessary because the R. S. O. management could not secure a suitable court in Rochester for the 15th.

Following the Rochester game, the Varsity basketball squad will start on a trip through northern New York, meeting Clarkson Tech, St. Lawrence and Colgate, and also the Diamond Match Co. team at Oswego.

There was a very pretty dinner party given by Miss Anna Crofoot at the Brick, Friday in honor of Orval Perry's birthday.

THIEL QUINT WINS ANOTHER GAME FROM VARSITY

Visitors Show Speed and Team Work

STANTON HAS UNCANNY SKILL IN SHOOTING

Last Wednesday night the Alfred quintet bowed, for the second time this season, before the Thiel basketball team as the result of a one-sided contest, fought out on the Alfred court. The game was marked by clever passwork on the part of the Thielensians, and poor shooting on the part of the Purple passers, and resulted in a final score of 39-15.

GIRLS' VARSITY, IN FIRST GAME, BEATS THE WELLSVILLE HIGH 18-9

Team Composed of Underclass Girls Plays Well

Last Wednesday night as a preliminary to the regular Varsity game between Alfred and Thiel, the girls Varsity basketball team defeated the Wellsville high school girls by a score of 18-9, in one of the fastest girls games ever witnessed on the Alfred court.

The scoring was started by Miss Teal, shortly after the beginning whistle was sounded, who tossed two field goals in quick succession. Miss Eustace then dropped two more through the net, and Miss Teal registered a third. At the end of the first half the score stood 10-2 in favor of Alfred.

The second half was nearly a repetition of the first except that in this period the Wellsville team took a brace registering seven points.

A great deal of the credit for this game must go to the efficient guarding of the Alfred team.

The Wellsville girls played hard and well, but their weakness seemed to lie in their inability to shoot, and their unfamiliarity with girls rules. Many times the visiting girls, by clever passwork, would work the ball under their basket, but would lose it again when an easy shot was missed. The visitors being unused to girls rules were fouled many times.

Line up and summary:

Alfred		Wellsville
	R. F.	
Eustace		Lunn
	L. F.	
Teal		Cooper
	C.	Bethe
Neuweisinger		S. C.
	R. G.	Comstock
Wright		Murdock
	L. G.	
Martin		Hillary
Shepard		
Referee—Neuweisinger.		
Field goals: Eustace (3), Teal (3), Harris (1), Lunn (2), Cooper (2).		
Foul goals: Eustace (2), Lunn (1).		

Prof. Radasch will speak at the regular meeting of the Ceramic Society, to be held tonight.

The game was called at 8:15 and for several minutes after the starting whistle was blown and the ball given its initial toss by the referee, it looked as if the game would easily go to Alfred. The Purple five by means of lightning passwork and fast dribbling, worked the ball time after time to their own end of the court where an easy shot would be missed and the ball would fall into the hands of the Pennsylvania team. The Thiel team fouled several times and the Purple was in the lead by three points, but after the first five minutes the Alfred quint seemed to become discouraged at their inability to shoot from the field, and the Thielensians soon took the lead. The score at the end of the first half stood 20-6 in favor of the Pennsylvania team.

In the second period of the game Witter, the Purple guard, started the scoring by dribbling from the center of the court and caging a field goal. The Purple team again seemed to have the advantage momentarily but were soon forced to drop back on the defensive. The second period of the game was marked by rather slow playing on the part of both teams and each resorted to many long shots. The score at the end of the game was 39-15.

Much credit is due to Gardner and Witter, the Purple guards for, although they did not figure high in the scoring their floor work and guarding was of a superior type. Newton did not show up to his usual form in his floor work and field shooting but registered six out of eight trials in his foul shooting.

For the Thiel team all players displayed exceptional ability in handling the ball, but Stanton the center was easily the individual star. He seemed to be everywhere at once and he is credited with 21 of the total 39 points piled up by the visitors.

Line up and summary:

Alfred		Thiel
	R. F.	
Banks		Baur
	L. F.	
Campbell		Christman
	C.	
Newton		Stanton
	R. G.	
Gardner		Dufford
	L. G.	
Witter		Mould

Field goals: Banks, Gardner, Witter (2) Baur, McCoy, Christman (2) Stanton (9) Dufford, Bell, Mould (3). Foul goals: Newton (6), Hinchcliff (1), Stanton (3).

Final score: Alfred 15. Thiel 39. Substitutions: Alfred—Newton for Banks, Hinchcliff for Newton, Cady for Campbell, Lanphere for Newton, Johnson for Gardner, Lyman for Witter.

Thiel—McCoy for Baur, Bell for Dufford, Berkman for Mould.

Referee—Johnson, Springfield.

PROF. ROBINSON AND L. CORNWALL '16, AT ASSEMBLY PERIODS

Tuesday morning at Assembly Prof. George Robinson sang seven songs with Frances Witter at the piano. The songs being well given, were very much appreciated by the Faculty and students.

Mr. Lawrence Cornwall, Ag '16, gave a short talk in Assembly last Thursday morning on his present occupation of organizing Sunday Schools in the rural districts. He was a visitor for a few days here at Alfred, both to renew acquaintances among the Faculty and for the purpose of raising funds with which to carry on the work he is now doing. His talk was interesting and inasmuch as Messrs. Hurlbut and Wendt, who had charge of Assembly that morning, were absent, it helped greatly with the Assembly program.

Miss Elsie Reed of Elmira College, spent the week-end in Alfred visiting her brother, Lloyd Reed.

SHIL DESCRIBES HIS NATIVE LAND, INDIA, AT C. L. MEETING

Mr. Shil gave an interesting talk on India at Country Life last Tuesday night. He described the marriage customs of that country and went into detail on the habits of the inhabitants of India. His talk was something out of the ordinary for the regular Country Life meetings, and gave the students a chance to hear about that distant eastern country.

CHAIRMAN OF ADVISORY BOARD GIVES VIEWS ON "ATHLETIC MOVIES"

In a letter recently received from Alfred's popular alumnus, Hon. J. J. Merrill '84, of Albany, he gives a clear idea of the attitude of the Alumni Athletic Advisory Board toward the present monopoly of Saturday evenings by the "Athletic Movies."

The letter, in part, follows: "It is true that the Advisory Board has had to assume responsibility for a

large inherited debt which it hopes to very materially reduce this year and therefore needs all the assistance to be had from every source. "Athletic Movies" is one of the greatest factors and it should have every possible assistance but it seems to me that it should be possible for some other events to be occasionally staged on Saturday night. So I am urging that some arrangement be made whereby other activities may be had on the same night of the movies where it would be possible to put the picture show on at an earlier hour, as for instance, in the case of a college dance, or now and then surrender a Saturday night for some activity which is of general interest to the student body. At least it does not seem to me that there need be any objection to an outside activity every second Saturday

I am asking that this thought be given to the student body through the Fiat Lux that it may have their earnest consideration if the matter should come up for solution, as it may. I believe it will be solved with due regard for all interests involved.

(Signed) JOHN J. MERRILL,
Chairman Alumni Athletic Advisory Board.

From A Faint Blue Glow
To Modern Miracles

EDISON saw it first—a mere shadow of blue light streaking across the terminals inside an imperfect electric lamp. This "leak" of electric current, an obstacle to lamp perfection, was soon banished by removing more air from the bulbs.

But the ghostly light, and its mysterious disappearance in a high vacuum remained unexplained for years.

Then J. J. Thomson established the electron theory on the transmission of electricity in a partial vacuum—and the blue light was understood. In a very high vacuum, however, the light and apparently the currents that caused it disappeared.

One day, however, a scientist in the Research Laboratories of the General Electric Company proved that a current could be made to pass through the highest possible vacuum, and could be varied according to fixed laws. But the phantom light had vanished.

Here was a new and definite phenomenon—a basis for further research.

Immediately, scientists began a series of experiments with far reaching practical results. A new type of X-ray tube, known as the Coolidge tube, soon gave a great impetus to the art of surgery. The Kenotron and Plotron, followed in quick succession by the Dynatron and Magnatron, made possible long distance radio telephony and revolutionized radio telegraphy. And the usefulness of the "tron" family has only begun.

The troublesome little blue glow was banished nearly forty years ago. But for scientific research, it would have been forgotten. Yet there is hardly a man, woman or child in the country today whose life has not been benefited, directly or indirectly, by the results of the scientific investigations that followed.

Thus it is that persistent organized research gives man new tools, makes available forces that otherwise might remain unknown for centuries.

Entered at the Alfred Post Office as second-class matter.

President B. C. Davis and Mrs. Davis leave this afternoon for a well-earned vacation of six weeks at Daytona, Fla. The students join with the rest of the community in wishing them God-speed.

The Athletic Council wishes to thank the faculty and the various clubs and fraternities for their generosity in contributing to the Varsity sweater fund..

Prof. W. A. Titsworth, especially, deserves thanks for his energy in collecting from the faculty. The faculty contribution was larger this year than ever before.

Much favorable comment is still heard on the Freshman Minstrels.

In last week's account of that successful show, the Fiat Lux unintentionally omitted mention of the management and the music, two factors that helped "put it across." Jim DeSalvo and Ray Horton should be commended and congratulated for their able direction of the entertainment. The music from the orchestra was one of the best features of the show. The artists included White, violin; Horton, saxophone; Stevens, drums; Stannard, banjo; and Jim DeSalvo and Peg Kinney, who alternated at the piano

The football schedule of N. Y. U., as recently announced, shows one open date, Sept. 30, 1922. Every member of our next year's Varsity would give an eye-tooth, no doubt, if the Purple were given a chance to battle the Violet eleven on South Field, New York.

The sentiment of Alfred's students is that the 1922 team will be the best in A. U.'s football history. It seems certain that Alfred could give the New Yorkers as hard a game as Hobart, which is listed to meet the Violet on Oct. 14, in New York.

ALFRED HIGH LOSES TO WELLSVILLE

When the Alfred High School's first and second teams went to Wellsville Thursday night, they tackled some boys that worked every way to win. The Alfred first team put up a splendid game but lost 31-16. The second team succumbed by a score of 51-9.

On Tuesday night, Feb. 14, the local team expects to stage a victory over Richburg on the Academy court.

In last week's issue of the Fiat, the High School's defeat by the college freshman team was slightly exaggerated. The score should have read 30-10 instead of 39-9.

For the past four months we have had many excellent opportunities to inspect the big athletic score-board, which seems to be a candidate for the honor of being the most useless object on the campus.

Since the 1920 football scores were painted out, the score-board has not received a single mark to mar its blank look. During the 1921 football season, the Freshmen of Burdick Hall learned that the board must be draped occasionally by the sign announcing "Mass Meeting." At all other times, the planks, which have carried such glorious and honorable records in days past, were dumbly awaiting further use. Luckily the words "Athletic Scores," above the big board, announced its rightful purpose. This kept the yearlings from assuming that it served as the college bulletin board.

Every student realizes that the score board should have received its first 1921 record on the night the grid squad returned from the 0-0 mud-battle at Allegheny. That game was as glorious as any the Purple ever played.

But the painting of the records seemed to worry no one, and even after the final victory over the Mansfield huskies, the board remained unused.

If the old board is to serve only as a wind-break during the winter, why not move it to a spot where such protection is more needed?

There is no excuse for our bashfulness in hesitating to put the 1921 football scores where he who runs can read. The scores would remind us of just as glorious and honorable contests as were ever played in the past.

Soon after Thanksgiving, Pres. Davis Davis expressed the hope that the score-board would be painted before Founders' Day. But it is still without a blemish. The initiative for such student expression should come from the students themselves, not from the faculty or the superintendent of grounds.

All this moaning about neglected football scores may seem like crying about spilled buttermilk. But we trust that it will keep history from repeating itself when the 1922 football season comes along.

There is no reason why the students should not recognize the hard work of the basketball quint by painting this season's court scores on the board. Let's do it now before the week's over. If we wait till a season comes along without a single defeat, the score-board might better be used as part of the flooring for the new track. Athletic fame and honor can come to Alfred only if her students back her teams to the limit, without regard to the score. "Alfred men are all-victorious" may sound just right

in a song; but we'll be most worthwhile, if we all can smile, "when everything goes dead-wrong." (apologies to Walt Mason).

Later this spring the basketball scores should be replaced by the record of a successful track season. But we will not be proud of that record unless we support the track and field candidates better than we have boosted for our faithful basket-tossers.

ALUMNI and FACULTY

Dean P. E. Titsworth and Dr. Archie Ide have been ill during the past week. During Prof. Binns' absence, he visited Lake Champlain and Columbus, Ohio.

Prof. Ray W. Wingate will direct the singing at the Teachers' Conference of Steuben County at Addison next Friday.

Miss Iola Lanphere, John Clark, Harold Reid and Adolph Vossler represented the class of 1920 at the Assembly, Saturday evening. Miss Eloise Clarke '21, was another alumna guest.

An Alfred University Faculty male quartet will sing at the D. A. R. meeting in Hornell, Friday evening. The quartet is composed of F. S. Place, R. W. Wingate, C. C. Camenga, G. S. Robinson.

Director C. F. Binns returned Saturday from a week's visit at the Ceramic department of the University of Illinois, where he delivered several addresses during the short course in Ceramics.

Dr. George A. Burdick of Syracuse, class of '04, and Herbert I. Burdick of Norwich, have been here recently visiting their father, Deacon T. T. Burdick, who has recently celebrated a birthday.

CLEVER FARCE BEING PRACTICED DILIGENTLY

FOOTLIGHT CLUB WORKING HARD ON PLAY

Much progress is reported in the rehearsals of the Footlight Club play, "The Importance of Being Earnest."

The Club members are eager to give this English farce by Oscar Wilde so well that it may help strengthen the community's interest in dramatics. Saturday evening, Feb. 18, is the date set for the play.

Rehearsals are being held in the Y. M. C. A. room in the Burdick Block. The Y. M. has also given the use of the room for Student Senate and various committee meetings.

VERA GORTON SPEAKS AT Y. W. C. A.

Vera Gorton gave many beautiful thoughts on "My Favorite Bible Character and Why" during her talk at Sunday evening's Y. W. C. A. meeting.

"The more fully the character of Christ is studied, the more clearly it is seen that it is impossible to place Him in the same class with the other characters of the Bible or of human history. If the Bible, in its characters and its teachings, is a revelation of God, that revelation reaches its supreme glory and authority in Christ. The fact that Christ was free from sin or fault sets him apart in character from all members of the race. Far greater than this is His love. Christ comes into the world, lives, suffers, and dies upon the cross to express His infinite love of God for all men, and it was the love of His own heart that was revealed in his person and work.

"In Christ we find the reality of denial of self, purity of heart, patience, gentleness, undivided allegiance to goodness, universal love, the forgiveness of injuries, kindness to enemies, service to others, faith in God.

"Therefore, since Christ is the personification of love, the inspiration of

service, the embodiment of those ideals which we need here in every day life, I think He is the most wonderful character."

Next Sunday evening, Feb. 12, another joint meeting of the Y. M. and Y. W. will be held. The Y. M. is in charge of the program.

"SHADOWS WE CAST" IS Y. M. TOPIC

Baldwin and Cady Led Discussion

At the regular Y. M. meeting Sunday evening Clinton Baldwin '23, and Lyle Cady '25 discussed the topic of "The Shadows We Cast".

The main thought throughout the meeting was that no matter how we live, our lives will have an effect on those about us, and whether this influence is for good or bad we alone can determine. If we are to cast shadows like Christ's we must live lives similar to His.

The meeting, although small, had a spirit which many a larger meeting lacks. The fellows who have not been in the habit of attending Y. M. are urged to come out and enjoy these weekly discussions.

Irwin Conroe, Robert Campbell, Frederick Gorab, Robert Clark and Edward Teal were absent on Y. M. C. A. Deputation Work at Cuba on Sunday. A very satisfactory and successful trip is reported. The fellows were warmly welcomed, royally entertained and graciously thanked.

JUNIOR PLAYS

The casts for two of the one-act plays to be presented by the Junior class have finally been picked.

The Turtle Dove," a Chinese play, has for its cast:

Chorus Irwin A. Conroe
Mandarin Edward J. Teal
Chang-Sub-Yen John McMahon
Kiven-Liv Virginia Randolph
God of Fate Lloyd N. Lanphere

The second play, "The Striker" will have for its cast:

Mr. Quinn
Mrs. Quinn
Mr. Martin
Mrs. Martin
Molly

T. J. Ahern
Mary Irish
H. Clinton Baldwin
Gladys Greene
Marjorie Beebe

The cast for the third play will be announced later.

CERCLE FRANCAIS

Last Tuesday evening the French Circle held a very interesting meeting.

The program consisted of a story by Balzac read by Miss Evelyn Tennyson, French songs by the Club, various "parlez-vous-Francais" games and French card games. Miss Catherine Neuweisinger had charge of the meeting and through her efforts, "things moved rapidly."

The next meeting will be held one week from tonight at seven o'clock at the home of Dr. Mix.

Vive la France!

WEE PLAYHOUSE PLANS THREE UNUSUAL ONE-ACT PLAYS

The Wee Playhouse has begun work on the three one-act plays to be given Feb. 23. The persons chosen for the different parts are as follows:

The Maker of Dreams

Pierrot Morton Mix
Pierrette Mrs. Wesbecher
Manufacturer F. S. Place

Pater Noster

Miss Rose Gladys Bleiman
Zelie Elsie Binns
Cure Charles F. Binns
Jacques John MacMahon
Soldier Clyde Dwight

BRICK PERSONALS

Miss Iola Lanphere '20, and Miss Sybil Smith were the guests of Peggy Neuweisinger for the week-end.

William Timby of Buffalo was the guest of the Vossler girls at dinner Sunday.

Helen Smalley and Marian Woodward gave an "Au Revoir" party at the restaurant Sunday evening for Edmond Dougherty.

The Brick Junior girls had a very good time at Vera Gorton's birthday party Friday evening.

Constance Spaulding and Anna Martin have charge of the Brick Tea this afternoon.

Miss Laura Slough and Miss Lois Bryson were the guests of Emma Schroder and Helen O'Connor, Saturday and Sunday.

Charlotte Kershaw spent the week-end in Wellsville.

Miss May Cariger, an Elmira College classmate of Marian Woodward's and now a student at William Smith College, was a guest at the Brick last week.

The Misses Bradley from Wellsville

were the guests of Mildred Faulstich, Saturday.

Miss Antoinette Eastman, a student of Buffalo Normal, spent the week-end with Beulah Newton.

All of the Brick girls, who did not go to the dance Saturday evening were entertained at a spread.

Miss Vida Smith spent the week with Edna Eustace.

Miss Frances Wilkson of Cuba was the guest of Betty Robie Saturday.

Ada Mills and Dora Young spent the week-end at their homes in Filmore.

PRINCETON REVISES RULE

Princeton University hereafter will base entrance to the freshman class upon scholarship and character, with "special consideration for candidates whose records show unusual promise,

seriousness of purpose or achievement under difficulty," it was announced today by John Grier Hibben, president. A year ago it was decided to limit the enrolment to 2000 students.

The plan, which has been ratified by the university trustees, calls for a new university officer, to be known as the director of admissions, who with the aid of a committee of four members of the faculty, will have charge of admissions to both the freshman and upper class, the latter in case of a student transferring from another college.

All candidates will be required to pass college board examinations as in the past, and in addition there will be required a letter of recommendation from the principal of the preparatory school which the student attended.
