### 'Heartbleed' Vulnerability

Many of you have already heard about the "Heartbleed" vulnerability that is effecting secure business transactions around the world. After a thorough analysis of our internal systems, AU technicians have concluded that all applicable or relevant University systems are appropriately patched against this vulnerability.

This analysis does not cover other systems outside the University's control. You may wish to check with banks and other financial services that you conduct business with.

For more information about the "Heartbleed" vulnerability, please see <http://heartbleed.com>.

### Support Staff Council Nominations

Hello Fellow Support Staff:

It's that time again for you to nominate a Support Staff Council representative and/or alternate for the 2014-15 year.

Alfred University Support Staff Council serves as a support staff liaison to the administration.

Please take a moment of your time and consider nominating either yourself or any current Support Staff to serve on the Council. Someone has to be nominated and accept the position before they are allowed to serve on the Council.

Your participation is the key to the success of the Support Staff Council.

The current Support Staff Council representatives who have another year remaining on their term are as follows (please do not nominate them):  
Peggy Broderick, Cori Carlin, Lisa Clark, Cheryl Foster, Gayle Gebhard, Tonia Hatter, Janet Lynch, and Jaime Osborne.

To submit your nomination, please send an email to [wellinsl@alfred.edu](mailto:wellinsl@alfred.edu) with the name of the person you are nominating, by Monday, April 14. A Support Staff Council Representative will contact all nominees to see if they are willing to be on the ballot.

Elections will be held the week of April 14. New members will be installed at the April 17 Support Staff meeting and will be able to participate in the Election of Officers during the May meeting.

If you have any questions about the nomination process, the Support Staff Council, or anything else, please contact Susan Wellington or Shanti Jonche, current co-chairs of the Support Staff Council.

Please read the attached information regarding what is expected of a Support Staff Council Representative.

### Need to Order Your AU Business Cards?

The process for ordering official Alfred University business cards changed as of February 2014. We are now working with the Alfred State College Document Center, and a virtual storefront has been developed specifically for ordering our business cards online.

The link to that storefront is:

<https://v2.printsys.net/>

Log on: AlfredUniversity  
Password: AlfredUniversity1

There are two templates from which to choose: the first template is indicated for only Admissions and Financial Aid offices because they require specific phone number options; and the second template is designed to accommodate all other offices.

When you double click on your selection, a new window will open that contains a form with fields to enter your information. As the fields are filled, the information will show up on the template at the right so you will see how the business card will look upon completion. Once all the information has been entered, you will proceed to a shopping cart that has options for quantity and payment, using your AU One Card.

In order to maintain the brand identity of the University, a PDF of the card will be emailed to the Office of Communications for review/approval. Once the cards are printed, you will be notified so that you can pick them up at the ASC Document Center, 10 Upper College Drive (607.587.3532). ASC does not deliver at this time. The design and specifications of color and paper are based upon the official AU business card format that is currently in use.

**IMPORTANT:** For situations where you do not have access to an AU One Card, or a required deviation from the standard format cannot be included within the two template options, you will need to contact Rick McLay at [mclay@alfred.edu](mailto:mclay@alfred.edu) so that a design can be created and provided to the ASC Document Center. In those situations, the online purchase option will not be available and a paper invoice will be sent to you by the ASC Document Center.

Please contact the Alfred University Office of Communications at 2103 if you have any questions.
