**Returning Students' Newsletter 2010**

I am preparing this summer's newsletter for returning students. It's a Web-only newsletter that I'll update throughout the summer. The focus is on updates, new projects, new faculty and staff in your areas, and general items of interest for students to look forward to when they return in the fall.

I'm attaching the text from last year's link so that you may review the types of items I'm seeking.

I'll put the newsletter online around the end of the month, so I'm asking for Tuesday, June 22 as a deadline.

Thanks - Kathy Woughter, VP Student Affairs

Alfred University's School of Art & Design will be having an exhibition of selected BFA and MFA work in New York City June 9-16, thanks to the generosity of Trustee Michele Cohen and Marty Cohen. Hours

each day will be 11 am - 6 pm, except Sunday, June 13, when it is closed.

The ground-floor location, with high visibility, is located in the Gem Hotel, 300 W. 22nd St. "Profile 2010: School of Art and Design at Alfred University" will feature several dozen works by our 2010 BFA and MFA graduates. The artists were recommended by faculty and then chosen by co-curators Mary Drach McInnes and Kevin Jacobs. The final selection will be announced after BFA Senior Shows. The curators hope that the exhibition will highlight the full range of practices within the School of Art's program, including: ceramics; expanded media; drawing; painting and photography; and sculpture.

"Profile 2010: School of Art and Design at Alfred University" will be open to the public June 9-16. Kevin is working with the Division of Enrollment Management to plan an event for prospective students on Tuesday, June. 8.

There will be an opening reception from 6-9 p.m. Wednesday, June 9. All NYC alumni, as well as selected guests, are being invited to the reception. Paul Neuman '77, will be catering the event.

The University and the School of Art & Design are very appreciative of all that Michele and Marty Cohen are doing to make this exhibition happen. Michele and Marty have very graciously offered to cover costs involved, which range from preparing the space for the exhibition to transportation, staffing (by Kevin and AU art students), and the reception. It is truly a generous offer, and important for increasing the visibility of Alfred University, particularly the art school, in a market that is increasingly important to us.

The occasion will also allow us to introduce the Cohen Gallery website, where faculty, alumni and visiting artists may sell their work, to a wide audience. The gallery site is a collaborative effort, bringing together students from art and business. It, as well as the space on campus that is the physical Cohen Gallery, and the new foundation studio for the School of Art & Design, are also a result of the Cohens' generosity.

Organizing the show is a joint effort by the School of Art & Design, and the Career Development Center, where Kevin is the career advisor working with art students. Kevin is also coordinator for the Cohen Gallery.

### Local Author Visit: Thomas Rasmussen

Thursday, June 10 at 7 p.m.

Nancy Howe Auditorium at the David A. Howe Public Library, 155 N. Main St., Wellsville

The book "Ox Cart to Automobile, Social Change in Western New York" by Thomas Rasmussen explores changes in economic fortunes, social life, and political issues over 200 years in Western New York. As the oxcart was replaced by the railroad, which in turn was replaced by the automobile, men and women were faced with the option to choose to farm in new ways or live and work in new places.

Join in the discussion to discover Allegany County's part in the transition. Books will be available to purchase and to be signed.

The library-sponsored program is free and open to the general public.
