Miss Lousia Ackerly,
Cuba, N. Y.

My dear Louisa:

I am truly sorry to hear of your difficulty
and think you have been treated unfairly. It is
not unlikely that I will hear of an opportunity
before long and I will certainly let you know
about it.

Beatrice has gone to the camp at Mr. Pocono
because the California job has not yet matured. She
will be there until September 2, when we hope the
other arrangements will be satisfactory.

Sincerely yours,

Director.
