GREETINGS
TO THE
CLASS OF 1934

PRESIDENT B. C. DAVIS, PH. D., D. D.

TO THE CLASS OF 1934

GREETING:

The President of Alfred University extends a hearty welcome to all the members of the Class of 1934. As you enter Alfred, for the first time, a new experience awaits you. College life is vastly different from home life and high school experiences. All the resources of Alfred are now opened to you. You now become a part of this ancient and honorable institution of learning, and Alfred challenges you to show the metal that is in you, and to realize your unmeasured possibilities. I am anxious that you should start right and keep right, and so have nothing to regret later. To become a competent, cultured, man or woman of character, is no easy task. It means hard work and plenty of it. Alfred aspires to keep its present high rating, and to be among the best of undergraduate colleges. This aim requires good students and high scholarship. College life at Alfred also requires social, ethical, and citizenship, responsibilities. Our ideal is a "Golden Rule" democracy. Students have responsibility for the good government, good name and honor of the campus and of the student body. Character is the goal of college life. That requires the gaining of mental and moral balance, and the ability to choose the good and reject the bad. To be an Alfred man or woman is a privilege, but it implies responsibility as well. In welcoming you to the privileges and pleasures of college life at Alfred, I welcome you also to work and responsibility—to a large share in making the next four years the best in Alfred's history. You will get out of college, as you get out of life, in exact proportion to what you put into it. You will get much as you give much.

**GENERAL
INFORMATION**

FRESHMAN WEEK

Matriculating Freshmen will form the first ties of their acquaintance with Alfred in the week preceding the beginning of instruction. During this period, they will have an opportunity to gain an insight into the spirit of Alfred's purposes, ideals, and traditions, through an orientation program designed with that end in view.

Freshman Week will enable members of the incoming class to become settled in their places of residence, and find themselves, in a measure, before the varied activity of actual college begins. A sense of class fellowship and unity can be derived from the intimate associations of these introductory college days, and when the Freshmen are finally welcomed at the annual reception held by the Christian Associations at the Library, they will have actively stepped into their beginning of Alfred life.

On Friday and Saturday of Freshman Week a Freshman Camp will be held. The captains of football, basketball and cross-country, together with other leaders on the Campus will be present. This is an excellent opportunity for Freshmen to get acquainted with these men in informal discussion groups or about the camp fire.

FACULTY RULES

STUDENT ADVISERS

Each student on entering college will be assigned to some member of the Faculty who will act as his adviser until May 1 of the student's sophomore year. At that

time the adviser will report to the faculty the student's choice of major and minor subjects. The professor who has charge of the student's major work will then become his adviser.

REGISTRATION RULES

Students will register at the Registrar's office on registration days. A fee of five dollars (\$5.00) will be charged for late registration.

Students are expected to register for no more than 17 hours, but if a student has an average standing of B in the preceding semester he may register for 18 or more hours upon the approval of the Dean and Registrar.

Physical Training and Assembly may be taken in addition to the maximum of 17 hours.

Regulations concerning standings to be maintained by students to entitle them to the privilege of registration the following semester:

Freshmen are required to have an average scholarship index of 0.

Sophomores are required to have an average scholarship index of 0.15.

Juniors are required to have an average scholarship index of 0.25.

Seniors are required to have an average scholarship index of 0.30.

For graduation it is required that a stu-

dent have an average scholarship index throughout his course of 0.80.

There is no scholarship requirement for major work.

Scholarship indices are explained on page 23 in the college catalogue.

Students desiring to drop a subject for which they have registered, must obtain permission from the instructor, and report to the Registrar's office.

No subject can be dropped after the first two weeks of the semester. For exceptions see grade "W"

ASSEMBLY

On each Thursday morning at 11:00 o'clock, there is a College Assembly before which one of the instructors or an outside speaker presents a prepared address. One-half a semester hour credit will be allowed for attendance at Assembly, provided absences do not exceed three for the semester. No excuses for absence from assembly are granted.

STANDINGS

The standings of students are reported to them only by letters, and not by percentages.

"A" signifies excellent or superior work; "B" signifies good work or above the average; "C" signifies average or fair work; "D" signifies poor or unsatisfactory work,

and is the lowest passing mark; "E" signifies conditioned failure which may be made up by re-examination, or other conditions imposed by the instructor; "I" signifies that work is unfinished; "W" signifies that course has been dropped; "F" signifies failure, which may be made up only by repeating the course in which the grade was received.

A condition or "E" grade shall be given whenever a student has failed to do work of a passing grade, but has done sufficient work to be able to complete the course without repeating the class work. A condition may be removed any time during the following semester. Upon report from the instructor that the condition has been removed, the office will change the grade from "E" to "D."

An *incomplete* (designated by the letter "I") shall be given to the student whose work has been of passing grade but who has not completed the full amount of work required by the end of the semester. An incomplete may be removed during the following semester, when the student has satisfactorily completed the required work. In the semester in which the incomplete is being removed the student shall register for the same and shall pay with his tuition an "incomplete fee" of \$1.00 per hour credit to be obtained for the course.

The grade "W" will be given to all stu-

dents who drop a course after the second week of the semester and within two weeks prior to the beginning of final examinations providing the consent of the instructor is secured. If a student drops a course within two weeks of examination time, the final grade shall be "F." The "W" shall count as (-1) in determining an index. A student may be excused from these penalties by vote of the faculty for good and sufficient reasons.

When a student has failed to complete one-half of the work required in a course, the final grade will be "F" and not "I."

An incomplete or a condition which is not removed during the next following semester of residence in the college, shall automatically be changed in the office to a failure (F) grade.

No credit is given, except by special vote of the Faculty, for one semester of any course which the instructor has designated to be pursued for a full year.

EXAMINATIONS

Final examinations are held at the close of each semester, and sometime near the middle of each semester, mid-semester examinations are given. Occasionally, written tests are held during the semester. Fees will be charged for all examinations taken by those not regular members of classes or for examinations or announced

hour class tests taken at other times than those appointed. The fee for a special examination to take the place of a final examination or a mid-semester examination is \$5. The fee for any special test to take the place of an announced one-hour class test is \$1.

When the student wishes to take a special examination or class test, he shall bring to the instructor a receipt from the University Treasurer, saying that the fee for the special examination or test has been paid. This receipt must be countersigned by the Dean (or by the Registrar in the absence of the Dean) to show that permission has been obtained to take the special examination. No special examination will be given by an instructor unless this receipt, properly countersigned, has first been presented.

Seniors whose semester standing during the second semester is "A" or not less than "B" in any subject, shall be exempt from final examinations in that subject.

Juniors whose semester standing for the Second Semester is "A" in any subject, shall be exempt from final examination in that subject.

ABSENCES

1. The maximum number of absences allowed per hour credit per semester is three (3). That is, in a two hour course,

six (6) absences are allowed; in a three hour course, nine (9); in a five hour course, fifteen (15). Overcutting will reduce the student's grade to "F."

2. In case less than the maximum number of cuts is taken, the instructor will decide to what extent the cuts have affected the student's work, and will give grades accordingly.

3. Students representing the University in athletics, debates, glee club, etc., are to be given special and fair consideration.

4. Students with an index of 2.4 or higher, as determined by the most recent semester standings, are to be exempt from any regulations on absences.

5. Absences two days before and two days after vacations are to be considered as triple cuts.

6. A committee on absences appointed by the President is to be the body of final appeal in all cases where, for any cause whatever, the number of absences exceeds the allowed maximum.

7. Students are to notify the committee of any serious or prolonged illness. Such notices are in all cases to be accompanied by a statement of the attending physician.

8. The coaches are to supply the committee on absences with the names of the students composing the teams playing away from home.

9. Two tardies shall count as one absence.

LIBRARY

1. Books may be retained three weeks with the privilege of renewal except in cases of books for which there is frequent call.

2. A fine of one cent a day, Saturdays, Sundays, and holidays included, will be imposed for all books over due.

3. Books are transferable on cards at the desk. Borrowers are not expected to pass books from one to the other, and in the event of loss by such practice, the *original borrower* will be held responsible for the value of the book, the amount being determined by the Librarian.

4. Any person abusing the privileges of the library or violating its regulations will be subject to suspension from library privileges at the discretion of the Librarian.

5. **LIBRARY HOURS**—The Library is open for regular work from 8:30 A. M., until 12:00 o'clock, and from 1:30 to 5:30 P. M., on week days. It is also open from 3:00 to 5:00 P. M., on Saturday and Sunday, and from 7:00 to 9:30 P. M., every evening except Thursday and Saturday, on these evenings it is open from 7:30 to 9:00 P. M., at which time neither books nor magazines can be drawn, as this time is for study and reading only.

All students, unless excused by the Director of Physical Training on the advice of a physician, are required to do one hour in physical training each semester during the freshman and sophomore years, under the supervision of the Director. The required work of the freshman year shall include lectures and gymnasium practice. Sophomores shall elect either advanced gymnasium practice or athletic sports supervised by the department of physical training.

See Eligibility Rules.

SPECIAL

2. All smoking in classrooms or in laboratory buildings is prohibited.
3. Smoking on the part of any college woman while under college jurisdiction is strictly forbidden.

Art. I. PREAMBLE—The student body of the College of Liberal Arts and the New York State School of Clay-Working and Ceramics at Alfred University creates an Honor System under which each student by his attendance pledges himself to be just; to be fair; to be honorable in all matters relative to or pertaining to scholarship and conduct at this University.

Art. II. ORGANIZATION—The members of the Student Senate shall be a committee to represent the Student Body and deal with all cases involving violation of the Honor System.

Art. III. VIOLATIONS—**Sec. 1.** Each student is honor-bound to prevent violations. In case of violation of the Honor System in an examination, evidenced by papers on or about a person or by conspicuous open books, or by actions which would indicate cheating, such violation shall be subject to discipline under the Honor System. For work done in the laboratory or at home, the instructor shall define what constitutes breach of the Honor System. Failure to live up to his decision shall be considered a violation. A person detecting a breach of the Honor System shall at once make his displeasure known by tapping to warn the suspected Honor System violator once, and at his discretion, report the violation to the Senate. Continued violations after the warning, or violation for the second time must be reported to the Senate. The report to the Senate must be made in person or in writing. A report in writing must be signed.

Sec. 2. Persons taking examinations shall neither converse nor communicate with each other, nor shall they have texts, notebook, papers, etc., in their possession.

Sec. 3. The senate shall have the power to summon the accused and witnesses and conduct a formal investigation. Punishment for the first offense shall be determined by the Senate. In case of a second conviction during the remainder of the student's college career, recommendation shall be made to the student by the Senate of his separation from college, and, if such separation is not made, the Senate shall then make the same recommendation to the Faculty with a brief resume of the case.

Art. IV. TRIALS—Sec. 1. The trial of the accused shall be conducted as follows: Witnesses against the accused shall be examined first and their testimony taken in full. The accused shall then be called separately and allowed to make his statement, presenting his defense. All witnesses and the accused may be questioned by members of the committee. A decision shall be made, rendered according to the evidence.

Sec. 2. Six (6) out of eight (8) votes shall be necessary for conviction.

Sec. 3. All evidence possible shall be procured in every case, and in no event shall a man be tried the second time for the same offence except in the light of new and important evidence.

Art. V. OBSERVANCE—Sec. 1. Each student must, in order to make his or her examination or test valid, sign the following pledge: "I pledge my honor that I have neither given nor received aid in this examination," or the declaration: "I do so declare."

Sec. 2. Members of the Faculty shall insist that the above declaration or pledge be attached to every examination paper. Any examination paper lacking this pledge shall be considered void by the instructor in charge. The instructor must notify any

student whose paper lacks the pledge, and give the student the opportunity of signing the said pledge.

Sec. 3. Instructors shall distribute all examination blanks.

Sec. 4. All persons taking examinations shall be seated in alternate seats or be provided with alternate examinations.

Art. VI. DECISIONS—The Student Senate shall keep and preserve a record of all cases acted upon. In no case shall a member of the Student Senate make mention publicly or privately of any case brought before the committee through action of the committee as a body.

Art. VII. ENFORCEMENT—Every student is honor-bound to aid in enforcing this Constitution.

Art. VIII. AMENDMENT—This Constitution may be amended by a three-fourths ($\frac{3}{4}$) vote of those present at a student body meeting, or a revision may be authorized by a unanimous vote of said student body, and the passage of the revised Constitution shall be secured by a three-fourths ($\frac{3}{4}$) vote of those present. Notice of this meeting shall be given at least one week previous to time of action, by its reading before the student body or by its publication in "Flat Lux."

Art. IX. PUBLICATION—Sec. 1. The committee shall make provision for interpreting the Honor System to the members of the Freshmen Class during the first semester of each school year.

Sec. 2. Copies of this Constitution shall be posted in recitation rooms, on College bulletin boards, and in the Library.

Sec. 3. The Constitution shall be published three (3) times during each college year in the "Flat Lux,"—the first issue of the first semester and the last issue before the final examinations of the first and second semesters.

THE MERIT SYSTEM

1. All officers and members of any student organization or activity in Alfred College or in the New York State School of Clay Working and Ceramics shall be classified according to a definite system of credits, the number of which shall be in proportion to the demand of each office upon the time of the student, as well as upon the honor of the position.

2. An index of 0.5 must be obtained at the end of each semester in order to hold any office on the campus or participate in athletics during the following semester.

3. All teams, organizations, and groups, recognized as existing upon this campus, shall be conducted in accordance with the following eligibility rules:—

At the beginning of the functioning periods of these said bodies, the faculty advisors or executive heads shall submit to the Student Senate a list of those in whom they are interested. The Senate shall obtain their indices for the first preceding official index and notify the responsible parties of any who may not be eligible according to section two above, and any other rules in force at that time. At the request of the before mentioned parties the Senate shall ask the Dean to obtain the current indices of those previously found to be ineligible, and to determine if they are then eligible. All former ineligible, found to be eligible, shall be allowed to continue in that organization until again found ineligible. All those found ineligible shall not be permitted to represent that organization during the time in which they remain in such state.

4. The activities in which anyone may engage during *any one time* shall be limited

to 15 units, subject to such requirements as are otherwise stated.

5. In order to insure that the Merit System shall not work injustice to anyone, the President of the Student Senate, and the President of the Athletic Council, shall sit with a faculty committee, to be known as the Merit System Scale Committee.

STORY OF ALFRED UNIVERSITY

To you young men and young women coming upon the campus of Old Alfred for the first time, coming to make yourselves Alfred's and Alfred yours; to you I say the questions will naturally arise: "How and when and why did Alfred University start," "What has it been?" "How has it become what we now see?" To be sure, there is a spirit and ideal here that you can learn about only by contact and experience with it; but glimpses at the story of its past can be given, which will aid you to learn of its spirit.

It was ninety-three years ago the fifth day of next December that thirty-seven young people got together in an upper room in one of the eight or ten houses that made up Alfred Center, as it was then called, forming the select school, the seed of Alfred University. The teacher was a young man named Bethuel C. Church. He taught one winter, and was succeeded the second winter by a student from Union College, named James R. Irish. The school was already a success and people had said, "Go to, let us build a school building for our new school." This was done by the fall of 1837. The new building had 28 by 38 feet floor space and was ten feet high to the eaves. It was surmounted by a cupola which caused the students to dub it the "Horned Bug," but more dignified people called it "The Cadmus." It cost \$550.

In 1839, when Mr. Irish resigned, another Union student, famous in Alfred history, took charge and gave his whole life to the building up of Alfred University. When the little select school was chartered as an academy in 1843, his title became Prin-

cipal, and when it asked in 1857 for a college charter, but got a university charter, his title was changed to President. He died in the presidential harness ten years later.

Although "The Cadmus" was enlarged, still bigger ideas were incubating. A tract of forest land was bought on the lower slope of Pine Hill (perhaps you are sitting somewhere on it as you read this) and was slowly made to resemble a campus. By 1846, three new buildings appeared on the hillside. Lumber and labor were cheap, much of both was donated, so that the total cost of these structures was \$16,000. There was North Hall, a dormitory, which had a checkered career. It stood about where the Steinheim now stands. In 1868 it was sold to the school district and moved down to the present site of Kanakadea Hall and used as a school house. But its "moving down" propensities had not disappeared, for it was acquired by a private individual and moved still further down the hill and fitted up as a hotel. This private individual was Mr. William C. Burdick, who, in 1896 allowed the University to use the building as a dormitory. Later his heirs gave it to the school. Have you guessed it? Yes, that's it, its present name is—Burdick Hall.

Then, there was old South Hall, a girls' dormitory. It stood where the little observatory now is, and went up in smoke one cold February morning in 1858. Middle Hall, a boarding place, and a home for some of the teachers, stood on that old cellar site south of the Steinheim. Later it came to be the home of President Allen, and just after being wholly remodelled as a college dormitory, it was burned early in 1912.

Meantime the old Chapel (Alumni Hall, with the quill-pen weather vane), 1852, and the Brick, 1859, so-called to mark its contrast with all the other buildings, which were of wood, appeared. In due time (1863-66) was completed the William A. Rogers Observatory, introducing the name of one of the most famous men in the field of science Alfred has ever possessed.

When President William C. Kenyon ended his labors in 1867, all eyes turned to a member of the faculty, Jonathan Allen, as his logical successor. Professor Allen had been a student in that first select school, and like some of his classmates, had paid his tuition by chopping six cords of four foot wood. He shrank from the task imposed upon him by the trustees, but proved that they and other friends had been right in naming him president, for under his direction Alfred University prospered, and his influence spread far and wide in the land.

In 1879 the unique and beautiful structure called the Steinheim was finished. It represented many things, including a Rhine castle, the geological formation hereabouts, and in its interior finish, many local woods. The building and its collections were given to the University by its owners, President and Mrs. Allen.

At President Allen's suggestion, a suitable monument to President Kenyon was erected (1882) in the beautiful Kenyon Memorial Hall. The Gothic was a faculty member's home, and was purchased by the University in 1885.

President Allen managed Alfred's affairs for an even quarter of a century, dying in 1892. Professor A. B. Kenyon, as acting-president for a year, and Dean Arthur E. Main as President for two years.

brings our story to 1895, when President Davis began his long and successful service as builder of the New Alfred. Then came others of our familiar buildings: Babcock Hall of Physics (1897), the Ceramic School (1900), Kanakadea Hall (1908), the School of Agriculture (1909), the Carnegie Library (1912), the central heating plant (1917), Allen Memorial Laboratory (1923), Track and Field House (1929), and Susan Howell Social Hall (1930). These buildings constitute the obvious Alfred of 1930. Again let it be remarked that knowledge of the inner Alfred—the soul of these buildings and campus—is a matter of slow growth in appreciation. Let me drop one hint. It is said that when South Hall was on fire in 1858, one of the loyal supporters of the school, accompanied by his wife, was riding to town in the old farm wagon. When the pair reached the crest of the hill west of the village and saw the flames and smoke, the wife exclaimed: "South Hall's afire! I see where I wear my old dress another year."

Incidents like this enable us to sense more vividly the meaning of a stanza of Alma Mater which runs:

"She was founded in toil, cemented with blood,
And nurtured through yearnings and tears.
Her treasure, the hearts of brave heroes
who stood
Undaunted throughout trying years.
Each stone was a prayer and her battle-
ments there,
Have memories of purposes strong.
Staunch daughters and sons are her monu-
ments fair,
And they lift up the grateful song."

To the Class of 1934:

The Christian Associations of Alfred heartily welcome you to the activities on the Campus. They urge you to take an active part in the life of the College and to enter into the spirit and traditions which are characteristic of its growth and progress.

Especially do they invite you to share in the work of the Christian Associations, and, by so doing, make them a dynamic force for good, influencing the entire life on the Campus.

ALFRED UNIVERSITY CHRISTIAN ASSOCIATION

OFFICERS

Frederick A. Morse	President
Harlan R. Rieter	Vice-President
Donald B. Dobbins	Secretary
F. Dwight Young	Treasurer

It is our purpose to have meetings at least once a week, where the fellows can get together and discuss problems of importance in the life of every student. Social "get-togethers" are also frequently held, which are found to be mutually helpful. Several noted speakers bring to us each year a vision of the outside world and its needs.

We hope that every virile man in Alfred will associate himself with the A. U. C. A. and its work.

Purposes of the Association

To give the college man an opportunity to get together and discuss questions vital to our Christian life.

To promote vital Christian spirit in our institution, and to furnish the channel through which this spirit may express itself.

To maintain all influences which tend to improve the moral atmosphere of the campus.

To help us be all-round men, physically, mentally, and spiritually strong.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION

OFFICERS

Margaret L. Westbrook	President
.....	Vice-President
.....	Secretary
Ruth Kenyon	Treasurer

The Y. W. C. A. is affiliated with the National Y. W. C. A. This has many advantages, for it enables us to send delegates to national conventions and conferences.

The regular meeting is held each Sunday night at 7:15 in the Association room on the first floor of the Brick. These meetings are informal. There are no denominational limitations. Each girl is invited to come and make Y. W. an important factor in her college education.

Purposes of the Association

We, the members of the Young Women's Christian Association of Alfred, unite in the desire to realize a full and creative life through a growing knowledge of God.

We determine to have a part in making this life possible for all people.

In this task we seek to understand Jesus and to follow Him.

ALMA MATER

Nestled away 'mid the Empire State hills,
'Neath the watch-care of sentinel pines,
Where the murmuring song of the brook
hums along,

And a favoring sun ever shines;

In a valley so fair where the forest trees
share

Dominion o'er hillside and glen,

Stands the pioneer college of Western New
York—

Alfred, the mother of men.

—Chorus—

Hail to thee, Alfred, thou guide of our
youth,

Sweet, benign mother, all hail!

Sing on thy anthems of duty and truth;

May thy clear ringing music ne'er fail.

She was founded in toil, cemented with
blood,

And nurtured thro' yearnings and tears,
Her treasure the hearts of brave heroes who
stood

Undaunted throughout trying years;

Each stone was a prayer and her battle-
ments there

Have mem'ries of purposes strong.

Staunch daughters and sons are her mon-
ument fair,

And they lift up the grateful song.

—Chorus—

Others may boast of prestige and size,
 Of numbers and treasure and fame;
 But Alfred's pride lies in manhood's clear
 eyes,
 And womanhood's high, stainless name.
 Old Alfred, we say; Alfred now and for
 aye—
 Kenyon and Allen and Main,
 And the gallant young leader we honor
 today,
 Her honor and power maintain.

—Chorus—

Rev. L. C. RANDOLPH

ALUMNI SONG

Since the morning when Old Alfred called
 us Freshmen,
 With the verdant green upon our youth-
 ful brows,
 Scarce a moment have we deemed as really
 wasted.
 Fondly held in recollection now;
 Thus we'll love her dearly ever more re-
 vereing,
 Cherishing her precepts staunch and true,
 Though others take our places, yet 'tis
 cheering
 That others grow to cherish old A. U.

—Chorus—

Royal purple chaste with golden.
 Fling her banner to the sky,
 Cheer the flag so proudly floating,
 'Till the hills shall make reply,
 Wave old flag and fly forever,
 Lift aloft thy colors true,
 Woman queenly, Manhood royal,
 Such is life in old A. U.

How she held us up and helped us in our
 struggles,
 When the way was dark, and all the
 world was blue,
 Do you think we could do other, Alma
 Mater,
 Than to pledge allegiance firm and true?
 Just the mem'ry of those days of boundless
 pleasure,
 When we sang and dreamed and studied
 all day long,
 Turns us back until we stand before thy
 altar,
 Where men are growing noble, kind, and
 strong.

—Chorus—

Dearly cherished are those thoughts and
 recollections,
 Of our school days, 'neath Old Alfred's
 sacred care.
 And we bow in worship to the Great Creator,
 And bend our knee to him in holy prayer—
 God keep our Alma Mater in the valley,
 'Midst the Allegany Mountains old and
 grand,
 Where Nature lends so much of inspiration,
 To make our Alfred Noblest in the land.
 —Chorus—

OH, HERE WE ARE

Oh, here we are! Oh, here we are!
 You see us marching down the street.
 You hear our cry: "To do or die,
 We have the team that can't be beat.
 We have!" (shouted)
 So give a cheer, a lusty cheer,
 And let the echoes carry true,
 With a tramp, tramp, tramp,
 And a stamp, stamp, stamp,
 For the team of old A. U!
 (Revised from Princeton song by R. A. S. '21)

SONG OF THE BELL

By the roaring, roaring, banks
Of the old Kanakadea,
Oft I've lingered in the springtime long ago;
While the waters rushed along,
And the hills took up the song;
And a gentle voice was calling sweet and low.

—Chorus—

O, I hear the echoes ringing from the belfry
on the hill,
And the song inspires my heart to do and dare;
Calling me to love and duty, calling me
to faith and prayer,
For the bell is ringing, ringing, ringing still.

When the autumn days were on,
And a brilliant crimson shown
Where the Alfred hill-side glory met the sky,
Voices whispered in the breeze
While I sat beneath the trees,
And communed with master minds of days gone by.

—Chorus—

O, the days of frost and snow;
O, the coasters' ruddy glow:
O, the evening's long delight with comrades dear,
When we talked on mighty themes,
Or indulged in happy dreams
Of our victories in the future hovering near.

—Chorus—

Now my hair is turning gray,
For those days have passed away
But their memory lingers sweet and sweeter yet;
And my fireside's evening cheer
Seems to bring old Alfred near.
And the faces which my heart can ne'er forget.

SONG OF CITIES

Sing a song of cities, roll dem cotton bale,
Nigger ne'er so happy as when he's out of jail.
Norfolk for its oysters, Boston for baked beans.
Alfred for pretty girls, but for niggers New Orleans.

—Chorus—

I've been working on the railroad, all the live long day.
I've been working on the railroad just to pass the time away.
Don't you hear the cap'n shouting; rise up so early in the morn.
Don't you hear the darkies calling, Oh Dinah, blow your horn?

Sing a song of colleges, tell you where to go,
Harvard for its knowledge, Cornell for a row,
Princeton's wealth, or Amherst's pride, for them naught do we care
For old A. U. is strong and true, and for her we'll do and dare.

—Chorus—

CHEER FOR ALFRED

We are out to cheer for Alfred,
We will help her win the day,
Make her gain athletic victory,
By our shouts of ray! ray! ray!
Alfred, O!
Purple and the gold triumphant,
Waving 'neath a smiling sky,
Make us say we'll fight for Alfred
'Till the years have all rolled by.
R. STILLMAN '21.

WE'RE PROUD INDEED

We're proud indeed of you football men,
Um, hum and a little bit more.
We cheer for you with all our might,
Um, hum and a little bit more.
Although we can't be very eloquent, we'll
tell you o'er and o'er,
We love you true, indeed we do.
Um, hum and a little bit
Hum, and a little bit
Um and a little bit more.

OUR COLLEGE A. U.

Alfred's our college, hail Old A. U.,
For the Varsity team give a cheer,
Each manly player so sturdy and true,
Fights on the team without fear,
Encourage each fellow to play a swift game.
And follow the ball best he can;
And when the foes of old Alfred draw nigh,
To fight for her prestige and fame.

—Chorus—

Come give a cheer for your College,
Root for old Alfred A. U.
Cheer her when she is victorious,
Ever be loyal and true.
Purple and Gold are her colors,
Loyal in spirit A. U.
Urge her men on to the victory,
To the praise and the fame of A. U.
Aye and forever, be loyal to her,
With the Varsity spirit let's sing.
Strong on the line up, and swift in the
backs,
Shout 'till the loud echoes ring—
With spirit and vigor for Alfred we'll cheer.
Your whole heart put into the game,
And when the foes of Old Alfred draw nigh
We'll fight for her prestige and fame.

—Chorus—

SOCIAL REGULATIONS

There is a College Committee on Student Life composed of both faculty and student members. There are four faculty members, two of whom are elected by the faculty and two by the student body, and three students, one of whom is elected by the faculty and two by the student body.

This committee has advisory supervision

over all student social activities and grants all dates for the campus social calendar. It is guided in its action by the following general regulations concerning:

(A) Committee on Student Life.

1. The committee shall have supervision over all student social functions and amusements. Students desiring to promote any entertainment, party, class affair, dance, etc., (this to include the so-called vacation dances) shall make application to the committee. All permissions granted shall at once be submitted to the Dean of Women who shall also approve of the chaperonage for such functions.

2. The committee shall be a regular medium of intercourse between students and faculty. It shall be its duty at all times to advise with the Student Senate and make suggestions to it bearing on matters of student conduct and self-government. The Student Senate will confer with this committee on any or all matters of student interest.

(B) Dancing.

1. That there shall be no dancing in any University building except when approved by the Student Life Committee.

1. All evening picnics and any evening driving and all evening out-of-town parties must be arranged beforehand with the Dean of Women and President of the W. S. G.

2. No evening automobile driving or parking with an escort other than that provided for above is permitted. This rule respecting driving applies to Freshmen, Sophomores, and Juniors.

5. Women returning to college from home must be at houses of residence by closing time.

(E) The above social regulations hold for holidays, Christmas, Thanksgiving, and Easter vacations and Commencement Week, and also apply to the day before the beginning of any semester and after the close of the semester.

2. That no student be allowed to participate in dramatics—except in credit courses in the drama—or in intercollegiate athletic contests, or to be on the staff of the Fiat or of the Kanakadea, to be a member of the Glee Club, or to hold an executive office in any organization connected with the University who has not achieved or does not attain an index of .5.

3. That no other than University and college dances be given on the calender of University events.

4. That students be allowed to hold office and participate in student activities only as directed by the merit system.

PUBLICATIONS

THE FIAT LUX is the University paper, published weekly during the college year by a board of editors chosen by competition from the students. An editor-in-chief, usually a Senior elected by the staff, administers the policy of the paper in consultation with that body. Each college

student automatically subscribes to the Flat Lux when he matriculates, the cost of his subscription being included in the semester bill.

THE KANAKADEA is the University year-book published under the direction of the Junior class. It contains the annual record of all student activities, and the three-year history of the Junior Class, with individual pictures and records. The Kanakadea staff is headed by a Junior editor-in-chief and associates, selected by the class. A board of Junior section editors, selected by competition, together with representatives elected by each other class, and a number of assistants from the two lower classes, complete the staff.

ATHLETICS

Athletics are the spice of college life, and without them there is little to keep up college spirit. They do not pay financially, but successful teams form the best physical training department a college can have.

At Alfred, athletics take the following forms: Football, basketball, cross country, track, wrestling, and tennis. Whatever has been Alfred's success in athletics is due, in a large measure, to the fact that every able-bodied Freshman has entered some activity, and that places on the various teams have been objects of keen competition. Since the one year ruling has gone into effect at Alfred in relation to New York State Conference games, Freshman teams have generally improved in strength and performance, and play active schedules. Freshmen who play on these teams are

awarded class numerals, and those who play on Varsity squads in non-conference games may be eligible to receive varsity letters, certificates from the Athletic Association, and incidental awards.

Athletics are also furthered by schedules of interclass competitions, chiefly between the underclasses; and intramural sports which are administered by the Intramural Athletic Association under the supervision of the Director of Athletics. In these latter sports, some trophy is usually provided.

FOOTBALL prospects at Alfred never looked brighter than at present. Alfred's teams for the past two seasons have shown steady improvement and with the coming of John Galloway to Alfred as coach, winning teams should be developed. The proposed plan for the illumination of Merrill Field makes possible the introduction of night football during the coming season.

BASKETBALL has gained considerable prominence at Alfred through the natural popularity of the sport and the good showing made in past years against teams of high caliber. The team makes extensive trips, playing difficult schedules, but has shown steady improvement during the last few years. A fine schedule, with several trips, also is arranged for the Frosh.

CROSS COUNTRY has proved a very successful sport at Alfred. Two successive State Conference championships have been won in the last two years. Second place was won in the Middle Atlantic Conference last year after two successive championships in that circuit in the previous years.

TRACK closely allied with cross country, has shown a corresponding rapid rise and popularity. Three State Conference titles have been annexed and the team has been among the best five in the Middle Atlantic Conference in the last four years.

WRESTLING, now a high point of interest in Alfred sports, has taken rapid strides ahead in the last three years, and promises much for the future. As a means to physical development, wrestling has no peer, and offers much to inexperienced candidates for the team.

TENNIS includes a university tournament and several matches with outside teams. Although seriously hampered by the lack of adequate court facilities, the tennis team met both outside and college combinations on the courts last season and bids strongly for popularity among the students.

ELIGIBILITY RULES

1. In order to be eligible to play on Athletic teams, a student must be regularly enrolled in one of the four college courses; or as a special student, and must take a minimum of sixteen semester hours per week, doing full work in a regular course as defined in the curriculum.

2. In order to be eligible to play on Athletic teams, a student must have attained in the last official index, a minimum index of 0.50. But those made in-

eligible by semester grades may be made eligible by mid-semester grades. In case of Freshmen eligibility will be lost at mid-semester by any individual whose index falls below 0.50. Immediately after every official index, those persons whose index is below 0.50 may have two weeks in which to raise the index to the necessary 0.50 before being dropped from the team. An official index is taken immediately after the close of each semester.

3. Beginning with the fall of 1926, no student shall participate in New York State Conference games until he shall have been in attendance for one full collegiate year subsequent to attaining the equivalent of Freshman rank in the Liberal Arts and Science course, in Ceramic Engineering, or Applied Art.

4. No student shall participate in Conference games for more than three years in the aggregate, and any member of the team who plays in any part of a Conference Athletic contest does thereby participate in Athletics for the year.

5. No student shall play in any game under an assumed name.

6. A student who participates in Inter-collegiate Athletics and does not complete the work of that semester shall not be

permitted to compete in the same sport in his next year of residence.

7. No person shall be admitted to any collegiate contest who receives any gift, remuneration, or pay for his service on the college team, except such team awards as may be authorized by the Athletic Council and Committee on Athletics.

8. No member of the faculty of Alfred University shall participate in any inter-collegiate or inter-scholastic contest.

9. The second team shall consist of only those men who have regularly participated in practice against the varsity.¹⁶ The second team shall be under the jurisdiction of the coach, and no group of men other than the above stated shall represent the University in any form of athletics.

10. A candidate for a position on a team shall present himself to the chairman of the Athletic Committee and sign the following declaration.

Amateur Standing Card

I herein assert that I never played athletics professionally. I herein further assert that while in College, I will enter into no athletic contests other than those that appear on the athletic calendar of Alfred University, or such special cases as may be decided on their merits by the Athletic Committee.

GENERAL REGULATIONS

1. The coach shall have complete jurisdiction of the team in all matters of conduct. He shall be required to suspend from the team, for a time commensurate with the offence, any person guilty of immoral, ungentlemanly, or unsportsmanlike conduct.

2. The Coach will report to the Committee on Absences immediately after an out-of-town game the names of the students, who have participated in the contest, and the time when they left Alfred and when they returned to Alfred. This information is for the use of the Committee on Absences.

The nominal eligibility requirement for membership is at least twenty hours of the social sciences with an average grade of over 85 per cent.

CLUBS

THE CERAMIC GUILD is organized by the Art Department as a means of advertising the school by acquainting the people with a pleasing and creditable grade of pottery, and as a means for the disposal of student work, the Ceramic Guild gives regular exhibitions which have been very successful.

THE CERAMIC SOCIETY is a student branch of the American Ceramic Society.

It consists of all the upperclassmen and the faculty of the New York School of Clay Working and Ceramics. The Society meets regularly and discusses Ceramic problems and other items for self improvement.

DEUTSCHE VEREIN is a club whose only qualification for membership is an interest in German. It holds weekly meetings, and aims to create an appreciation for German literature, life, and customs.

THE ENGLISH CLUB. Primarily organized with the purpose of studying contemporary literature, the English Club serves as the means of developing critical and appreciative reading of literature. Its informal discussions make its meetings entertaining, and give an opportunity for self expression.

THE FOOTLIGHT CLUB is an organization to promote the best in dramatics. Its members are elected from those who show the most ability for acting, and a try-out play is held the first part of each college year. At least once every year some suitable play is selected and given by the club.

THE GLEE CLUB is an organization consisting of sixteen men and a director, the positions being competitive. Each year the Club makes an extended trip, giving concerts under the auspices of various schools, clubs, and other organizations.

LE CERCLE FRANCAIS is a student organization formed for the informal study of French in its most interesting phases. At the weekly meetings of the society, members usually present papers on appropriate topics.

Varsity "A" Club is composed of men who have earned their major or minor "A's." Eligible candidates for membership must petition the club. Each man is elected to the Club by a majority vote. The purpose of the Club is to promote a greater athletic interest, and to encourage high school students to attend Alfred.

THE SPANISH CLUB. Under the leadership of Miss Harris, the Spanish Club was inaugurated two years ago. All those interested in Spanish may join. To appreciate Spanish and to speak it more fluently are its aims.
