Open Enrollment for Non-Statutory and University Wide Benefits

Open enrollment for all non-statutory health benefits and for all University-wide benefits (Life, Accident and Vision) will be held from Monday, November 20, 2016 through Friday, December 2, 2016 for changes to take effect Jan. 1, 2017.

In order to comply with the Affordable Care Act you must complete an enrollment form or provide an affirmative waiver, providing a reason, if you do not wish to participate in a health plan. We will not be able to automatically enroll you in your current plan if you do not fill out and return a form and you may be subject to tax penalties for failure to maintain insurance.

All flexible spending accounts must also be re-enrolled to continue that benefit for 2017.

Enrollment Materials will be emailed to all eligible employees with an AU email address or will receive a hard copy for those without University email as soon as the materials are available.

Please do not hesitate to contact the Human Resources Office if you have any questions or if we can assist in any manner.

It's Hunting Season! Be careful!

For your safety, we would like to notify you of this year's date range for big game hunting season in Western New York. The first season began Saturday, November 19th this year (sunrise to sunset), and the final season is over on Sunday, Dec. 11.

Please be very careful if you decide to walk in any wooded area during this time. If you do, wear blaze orange or some other very bright color. If you see a POSTED sign, get the landowner's permission to enter or you could be fined for trespassing.

Hunting is not allowed on Alfred University property which includes the woods behind the campus and around Foster Lake.

Shoot Your Work! Photo Workshop with Brian Oglesbee

Date/Time: Tuesday, November 29, 5:00pm

Location: BMH 106/Room C

Cost: Free

Sponsored by: Career Development Center and Cohen Gallery

This workshop is part of the ongoing "Soup to Nuts" professional development series. Make sure your documentation looks as good as the work itself: join photographer Brian Oglesbee for a demonstration of how to document your work.

Brian Oglesbee attended the School of the Art Institute of Chicago. In 1993, Oglesbee was granted a U.S. patent for the invention of the Oglesbee Studio System, an array of interchangeable components for camera support, set-building and lighting control. Oglesbee has exhibited in France, Germany, Japan, Portugal, Switzerland, the USA, and China. From 1986 to the present, he has maintained a studio in Wellsville, New York, where he lives with his wife, the artist Amanda Oglesbee.

December Women's and Gender Studies Roundtable

The next Women's and Gender Studies Roundtable will be Friday, December 2, from 12:20-1:10 p.m. in the Judson Leadership Center. AU Engineering student, Meredith Laubert, will be presenting on the topic: "Coloring Our Future With Materials Engineering." While researching the material properties of crayons, Laubert returned to her middle and high schools to show girls and young women there that they could become engineers. The WGST roundtables are free and open to the public. Light refreshments will be served.
