TODAY	TOMORROW	THURSDAY
5:00 11/20 - M/W Basketball AWAY @ Penn College		

Thank You to the AU Community

On behalf of the Office of Admissions I would like to extend my sincere appreciation to the entire Alfred University community. Our fall Autumn Visitation Days and Preview Days were a tremendous success due to the hard work and dedication of so many on campus.

Special thanks to Michelle Pomeroy for coordinating the events, the faculty and staff who represented their various programs and departments, AVI for an outstanding job providing great food and service, members of our physical plant who worked extremely hard to ensure beautiful grounds and space on campus, and members of our administration for taking the time to meet and mingle with our prospective students.

I'm delighted to report that we had a net attendance of closet to 200 prospective students!

Many thanks to all for spending part of your weekends to assist the University in meeting our enrollment targets.

Sincerely,

Corry D. Unis
Director of Admissions

Be Safe in the Woods!

Gun season for large game (deer and bear) is now open in New York State. Most public lands allow hunting this time of year. Please use supreme caution when hiking or hunting in the woods by wearing blaze orange that covers your front, back, and head.

If you are a hunter, remember your number one safety rule when shooting, "Know your target and what is beyond!"

For more information on hunting season dates, you can visit the NYSDEC web site below.

Chemical Waste Removal

The fall/winter chemical waste removal will occur during December 2012. Both hazardous and non-regulated waste will be accepted.

All chemical waste must be received in your respective Central Accumulation Area (CAA) no later than Tuesday, Dec. 4th, 2012. Advanced Waste Solutions will be packaging for transport on Dec. 11, 12 and 13.

NYSCC contact Dean x3020 (Harder Hall CAA) or Shanti x2497 (McMahon CAA); non-statutory AU contact Dean x3020 (Myers Hall CAA) to arrange for receipt of your waste.

All Satellite Accumulation Area (SAA) labels MUST be filled-out completely with EPA# for respective college, building name, Room # or area name, start date, initials, chemical name(s) of constituents in the container with volume or weight, and waste characteristics prior to receipt in the Central Accumulation Area (CAA).

Note: Per EPA regulations you have only 72 hours from an SAA full date to transfer the container to the proper CAA. SAA containers must be capped or sealed with container lid, have clean exterior, and SAA label easily legible. SAA containers must be compatible with the contents - any kind of food container is not allowed.

Also SAA waste container contents must be segregated by it's hazard characteristic, i.e. ignitable, toxic, corrosive, or reactive/oxidizer. If you have any questions contact Dean Perry.

All Satellite Accumulation Areas must be empty prior to Dec. 4, with a notation to that effect made on your submitted December 2012 Satellite Accumulation Area Weekly Inspection sheet.

Completed Hazardous Waste and Non-Regulated Waste Log Forms MUST be received by Dean Perry no later than Tuesday, Dec. 4 and may be intracampus mailed (117 Myers Hall), faxed to x2086, or scanned and e-mailed to: perrydr@alfred.edu. Advanced Waste must have this information prior to packing in order to obtain required approvals from the TSDF.

Hazardous and Non-Regulated Waste Log Forms are available at <http://our.alfred.edu/ind...> under the heading "AU EH&S Forms".

Genetically Engineered Food Crops Survey (Ending soon)

I am asking for your voluntary participation in my Environmental Studies senior research project titled "The Effect of Knowledge upon the Attitudes of Individuals Regarding Production of Genetically Engineered Food Crops and Related United States Policy - A Survey of Two College Communities."

In accordance with Alfred University's policy on human subject research, this survey is voluntary. Participant names, though recorded for distribution of participation prizes, will not be used in the presentation or write up of the findings. There will be two respondent prize drawings, the first for five, \$20 gift certificates to a local restaurant of the respondent's choosing for the first respondents; and one for 15, \$10 gift certificates to a local restaurant of the respondent's choosing for randomly selected respondents, not in the first five.

Please click on either the link titled Survey to go to the survey or the URL provided in the message. It should take about fifteen minutes to complete the survey.

The Survey URL is <https://docs.google.com/s...>
