IEA Visiting Artist: Wenhua Shi

Date: June 22-26, 2015

Location: The Institute for Electronic Arts at the School of Art and Design, College of Ceramics

Cost to Attend Event: Free

Sponsored by Committee or Division: The Institute for Electronic Arts and the Division of Expanded Media

Wenhua Shi of Hamilton will be participating in the artist-in-residence program of the Institute for Electronic Arts over the week of June 22.

Receiving his MFA from the University of California at Berkely and currently an assistant professor at Colgate University, Wenhua explores the definition of code and how it relates to events and cultural form, expanding the intersection and collapsing of expanded cinema, computational interactivity, and spatial and form variations.

Wenhua will be working on an interactive audio/visual installation entitled "Reload" during his residency. "Reload" is inspired by the sound poem "Lauter Lauter" by DADA artist Man Ray, which invited the audience to perform with the poem with meaningless sounds and screaming.

"Reload" will see 71 solid, physical blocks projected upon by an image of the poem Fish's Night Song that will all contain different sound bits. The order of these blocks create different sound and visual patterns and participants will be able to rearrange these blocks in the life-size panel to create unique experiences.

More information and Wenhua's work can be found on his website: <http://shiwenhua.net/>

The Institute for Electronic Art's Visiting Artist Program is sponsored in part by the NYS Council on the Arts with the support of Gov. Andrew Cuomo and the NYS Legislature.

Call for Artists

The 2015 Plein Air Arts Fest will be held on Saturday, July 25 on the eastern side of Seneca Lake. To Sign Up: pay a \$40 artist fee through Monday, June 1. After June 1 the fee will be \$50.

Call 607.546.5557 for registration information.

For many years the Finger Lakes region has inspired many local artists with its bountiful natural beauty and world-class wines. Since the first annual Plein Air Arts Festival in 2012, the eastern shore of Seneca Lake has provided a warm atmosphere and stunning backdrop for many artists' works. Now in its 4th year, the festival will once again invite local artists to create artwork en plein air (in open air) throughout the day, followed by an art reception and auction later in the evening, accompanied by live music with local food and wine.

The Plein Air Art Festival is a public event scheduled for Saturday, July 25, 2015, along the eastern side of Seneca Lake. Between 7 a.m. and 3 p.m., artists will be scheduled to create works of art at various partner wineries. A silent auction and reception for the day's plein air artwork will take place from 5 until 7 p.m. at Damiani Wine Cellars.

Throughout the evening, local food will be available for purchase from Smoke on the Water, including meat BBQ and vegetarian dishes. An eclectic assortment of wines will be available to purchase by the glass from all participating wineries. Live music from local jazz band Professor Tuesday's Jazz Quartet will accompany the evening's silent auction.
