Marlin Miller Outstanding Senior Call for Nominations

It's time to nominate seniors as Alfred University's Marlin Miller Outstanding Senior Woman and Man for the class of 2010.

This award recognizes all-around accomplishment in scholarship (min. GPA 3.2), leadership, and character. The document below contains the full description and criteria.

There are now three ways to nominate students. (1) You can use the easy link below for a quick Web form, (2) you can print and send the attachment below, or (3) you can go to our.alfred.edu/eforms and use our new paperless form.

Deadline for receipt of nominations is Monday, March 1 at 4:30 p.m. Please nominate early to give your candidate more time to prepare the application!

Introducing PrintSmart Program

Recently a meeting was held in Nevin's Theater to introduce a new program called PrintSmart to purchase toners and printer cartridges at a discounted price from Toshiba Business Solutions using an easy-to-use Web portal.

For those of you who could not attend, I am attaching the brochure that was available at the meeting.

The meeting informed the attendees about the program, how it worked, what savings they would see, environmental practices, standardization, and how to order online.

Should you have any questions regarding this program please contact Procurement Services at x2698.

Employee Phone List Spring 2010

The updated employee phone list is now available on the HR Web site at the link below. You may locate it on the Web, add it to your favorites, create a short-cut on your desktop, or print a hard copy, whichever works best for you.

Remember the phone list has been updated based on information pulled from Banner. Should your phone information not be correct, please use the Personnel Data Form to change your information and forward it to Human Resources for correction.

Math Club Meeting

Wednesday, Feb., 24 - 12:20-1:10 p.m., Myers Hall 227

The AU Math Club will host Dr. Joseph Petrillo of AU's Division of Mathematics who will present, "Making Music with Mathematics."

Pizza and soda will be served. All are welcome to attend.

Abstract. In the early 1900s, Austrian/American composer Arnold Schoenberg (1874-1951) devised an atonal method of musical composition called the 12-tone technique. We will introduce this technique and discuss how modular arithmetic plays a fundamental role in its use.

This talk is accessible to the general audience. No musical or advanced mathematical background is required.

Be Part of a Panel or Host a Workshop at the Regional Environmental Summit!

A youth environmental network, which some students at Alfred University are involved with called Power Shift NY, is hosting a summit in Buffalo the weekend of April 16-18. We are looking for people to host workshops or speak on panels.

Green Alfred will be attending this conference so travel and lodgings may be available.

<http://powershiftny.org/>

If you are interested (even if you can only attend for an afternoon to be a part of a panel or workshop), or if you know anyone else who might be (can be within the university or outside, we are looking for administration, faculty, business professionals in the area etc.) please contact Kacie Dean at kmd4@alfred.edu
