### Chemical Waste Removal

The fall/winter chemical waste removal will occur during December 2015. Hazardous and non-regulated (non-hazardous) waste will be accepted.

All chemical waste must be received in your respective Central Accumulation Area (CAA) no later than Thursday, Dec. 10, 2015. Ceramics college (statutory AU) contact EHS at x2190 for Harder Hall CAA and McMahon CAA; non-statutory AU also contact EHS at x2190 to arrange for receipt of your waste in Myers Hall CAA.

Completed Hazardous Waste and Non-Regulated Waste Log Forms MUST be sent to EHS no later than Wednesday, Dec. 9 and may be intercampus mailed (117 Myers Hall), faxed to x2086, or scanned and emailed to: [envhealthsafety@alfred.edu](mailto:envhealthsafety@alfred.edu).

The packers must have this information prior to packing in order to obtain required approvals from the disposal facility. No waste will be accepted in any CAA after Dec. 10.

All Satellite Accumulation Area labels MUST be filled out completely with the following information prior to bringing to a CAA for disposal: EPA# for respective college; building name; Room # or area name; start date; initials; chemical name(s) of constituents in the accumulation container with volume or weight; and waste characteristics prior to receipt in Central Accumulation.

Note: Per EPA regulations, you have only 72 hours from an SAA full date to transfer the container to the proper CAA. SAA containers must be capped or sealed with container lid, have clean exterior, and SAA label easily legible.

All Satellite Accumulation Areas (SAAs) must be empty prior to Dec. 11, with a notation to that effect made on your submitted December Satellite Accumulation Area Weekly Inspection sheet.

Reminder: Any SAA's which collect waste during semester breaks and are not empty must have the weekly inspection log maintained and submitted to EHS on a weekly basis. If information on your SAA weekly inspection sheet needs to be changed, contact EHS.

Lab supervisors (LS), Principle Investigators (PI), and all AU faculty and staff responsible for areas generating hazardous and non-regulated waste are responsible for making sure SAA inspections are performed, SAA inspection sheets are filed weekly with EHS as required by law, waste logs are completed and that waste is properly labeled for disposal and transferred to the respective CAA.

If you have any questions contact EHS. Hazardous and Non-Regulated Waste Log Forms are available at <http://our.alfred.edu/ind...> under the heading "AU EH&S Forms". Additional information regarding all University waste streams can be found on the EHS website.

### Cat Problem- Email Me If You Want to Help Cats!

My name is Lauren Schramm and I am the village coordinator for the trap-neuter-return program. Like many others in the village, I have had trouble with the cat problem in Alfred. I sympathize with the cats and therefore wanted a solution to the problem.

After reading what other locations have done, I came to the conclusion that the most effective method to solve the problem was TNR or trap neuter and release. This has worked well for many other towns, cities, and universities.

A group called Ally Cat Allies specializes in helping towns with the process. Since the village has publicly endorsed TNR as a solution to the Alfred cat problem the group has promised financial assistance.

In order for TNR to be effective the public needs to be involved in two ways:

1. caretakers of cats need to stop feeding cats during the trapping process
2. a list of locations and abundance of cats needs to be created.

Lastly, I plan to trap in the spring and help doing so would be greatly appreciated. If you or anyone you know is interested in helping Alfred's cats please let me know. [les5@alfred.edu](mailto:les5@alfred.edu)

### 'One Silent Night - A Christmas Cantata'

On Sunday, Dec. 6 at 7 p.m., the Hornell Area Community Choir will be performing its annual Christmas Cantata at St. Ann's Roman Catholic Church, 27 Erie Ave., Hornell.

This year's cantata is "One Silent Night - A Christmas Ballad of Love & Joy" by Pepper Choplin.

The choir is directed by AU's own Mark Smith, Associate Dean, Alfred University Libraries, Director for Scholes Library of Ceramics, and former Canisteo music teacher.

Members of the choir come from a variety of backgrounds, including the Maple City Barbershoppers, area church choirs, Alfred University and Alfred State faculty and staff, and members from more than 20 area churches. The choir will be accompanied by an instrumental ensemble.

Admission is free, but free-will offerings will be accepted. All funds raised this year will go to benefit Guiding Eyes for the Blind.

The doors open at 6 p.m., when John Bartell, the organist for the church, will play Christmas tunes before the choir reaches the stage at 7 p.m.
