TODAY	TOMORROW	SUNDAY
9:30 AU Fridays		11:00 Alfred Farmers Market

First-Year Students: Mandatory Fire Safety Training

Please join Environmental Health and Safety and guests Shawn Simons and Alvero Llanos for a special Fire Safety Presentation on Tuesday, Aug. 28 at 4 p.m. or 8:30 p.m. in Holmes Auditorium. First Year students are required to attend; but all are welcome.

In the frigid predawn hours of Jan. 19, 2000, the lives of thousands, maybe even millions, we're changed because of a great tragedy on the campus of Seton Hall University. A Fire.

Los Angeles-based filmmaker Guido Verweyen documented the trials and tribulations associated with two students' recovery in a 50-minute documentary entitled, "After the Fire: A Story of Heroes and Cowards," based on the reporting of journalist and author Robin Gaby Fisher's seven-part series in the Star-Ledger and later, New York Times best-selling book, "After the Fire: A True Story of Friendship and Survival."

Location: Holmes Auditorium

State-Wide Burn Ban Issued

Gov. Andrew M. Cuomo recently urged all New Yorkers to take extra caution, as dry weather conditions have led to a heightened danger of wildfires across Upstate and Western New York. In addition, the state instituted a statewide residential burn ban for 90 days through Oct. 10.

At the Governor's direction, the following steps have been taken to properly prepare the state for the increased danger of fires.

The New York State Emergency Operations Center (EOC) in Albany is closely monitoring the situation and is prepared to provide a heightened state of readiness. Representatives from the Office of Emergency Management (State OEM), Department of Environmental Conservation (DEC), and Office of Fire Prevention and Control (OFPC) will staff the State EOC on a 24/7 basis as necessary.

DEC will issue an emergency regulation implementing a statewide ban on residential brush burning through October 10, 2012. Violators of the open burning state regulation are subject to both criminal and civil enforcement actions. In addition, the Department of Environmental Conservation will suspend all burning permits previously issued. A moratorium on new permits is now in effect through October 10.

The Governor urged New Yorkers to take extra caution and do the following:

- Refrain from starting any type of outdoor fire and in cases where a fire must be started, take extreme caution.
- Be watchful and keep a close eye when grilling outdoors.
- For those who smoke, make sure a lit cigarette is completely extinguished.
- When camping, use existing campfire rings when possible and keep fires small.
- Scrape away litter, duff, and any burnable material within a 10 foot diameter circle. This will keep the campfire from spreading.
- Never leave a campfire unattended.
- Drown the fire with water. Make sure all embers, coals, and sticks are wet. Stir the remains, add more water, and stir again.
- Use a cooking stove instead of a campfire to prepare meals.
