Building on Alfred University's heritage as the first truly co-educational institution in the nation, the Women's Leadership Academy (WLA) provides opportunities for Alfred University students to explore, develop, and fulfill their potential as leaders personally, professionally, and within their communities. The WLA is an elite group of AU students who combine academic coursework with experience-based leadership.

Are you interested in...

- Developing leadership skills in project management, public speaking, and conflict resolution?
- Creating lasting relationships with Academy alumnae and your fellow cohort members?
- Participating in WLA-exclusive events, field trips, and workshops?
- Receiving priority access to funding for internships, conferences, and research projects?
- Improving your resume?
- Examining the ways in which gender impacts leadership?

If the answer is YES!, apply today using the attached form or via the JLC's AU Connect page. This year's application form is available under "Documents." Applications will be accepted until March 11th. However, it is **STRONGLY** recommended that you apply as early as possible.

We seek students of all gender identities who are intellectually curious and ready to participate in an academic and experience-based study of leadership. A particular GPA is not a prerequisite for admission, but please note that academic and judicial records will be reviewed.

If you have any questions or would like to learn more about the WLA, please contact Abby Griffith at griffitha@alfred.edu.
