Annual Shred-It Event set for Friday, June 21

The Office of the VP of Business and Finance is very generously sponsoring a summer shredding event to be held on Friday, June 21. The Shred-It truck will be parked in the Carnegie Hall lot from 8:00 am to 11:00 am that morning.

If you would like to take advantage of this event, please have your materials delivered to the Carnegie Hall parking lot no later than 10:30 am that day. Physical Plant will also be able to assist offices that have several boxes of materials to be destroyed. Simply put in a work order by no later than June 20, and they will make sure that it is taken down to the site.

Here are some guidelines for the event:

- Documents must be sensitive in nature. If they are not, then they do not require shredding and should be recycled instead.
- Materials must be removed from binders and folders.
- Materials may be stapled, but any binder clips, coils, etc, must be removed.

If you have any questions or would like additional information, please call the Procurement Office at 2698.
